To, Gulzat mam...

Dear mam, you are one of the best teachers we ever had. You inspire and guide us a lot. Every teacher in IMF teaches us what's inside the book, but you are one who teaches us manners and values of life.

You are really very caring and sweet and more like friend than teacher. You are always there with us in happy and tough times. We are very lucky to have you as our class teacher.

Lots of love from our group
(17B). Wish you very happy and healthy
life
