SWOT-анализ

Сильные стороны	Слабые стороны
1.Каждый год растет число абитуриентов.	1. Мы не можем связаться с выпускниками, потому что они уехали в Пакистан и в Индию. Если отправляешь письмо не отвечают. 2. С 1го раза экзамен не все сдают. Из 100% ов экзамен сдают около 30% выпускников. 3. Мы не можем обеспечить их с работой. У нас нету договора с ихними больницами. 4. Не можем обепечить для студентов самостоятельную практическую деятельность.
