Personal details

- *I was born in Osh, the oldest city in the country, estimated to be more than 3000 years old!*
- *Graduated from Osh State University, one of the leading universities in Kyrgyzstan.*
- *Improved my English at CPLC in Manhattan, New York*
- *Started my teaching career as a Science teacher at the SILK ROAD INTERNATIONAL SCHOOL in Bishkek in 2011*
- *Since 2016 I have been working a full time position focusing on Biochemistry at the International Medical Faculty of Osh State University.*

Course and Lesson Planning

“Tell me and I forget, teach me and I may remember, involve me and I learn.”

- Benjamin Franklin

- *I use the innovative teaching technologies as case-based learning, problem-based teaching, which enhance students' learning experience.*

Achievements of my students

- *Olympiads, seminars, celebrations of different festivals or going for sightseeing enable the students to explore new avenues of thinking, to collaborate in a more relaxed environment and to strengthen the friendship*

I love to travel whenever opportunity falls to explore the beauty of the world!
