Our goals at practice were:

**familiarization with the
pedagogical rules of
schools;**

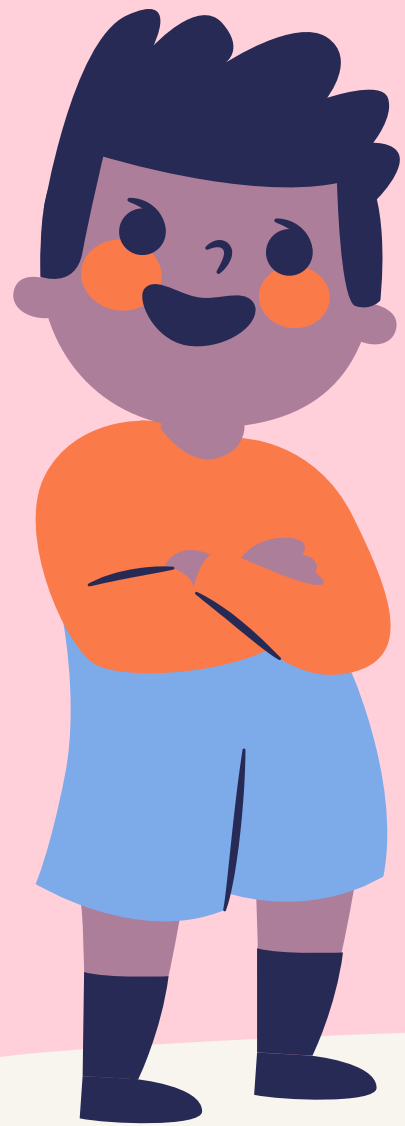

**getting experience in
the process of
conducting lessons**

**application in practice of
professional-theoretical and
practical knowledge and skills
that were acquired during our
studying at the college**

**Our goal in English lessons was
to teach children as effectively
as possible**

- Can/ Can not
- Letters ee [i:]
- Fruits
- Like/Dislike
