Announcement !!!

The **Interdisciplinary Center for Clinical Research of the University Hospital of Jena** invites young scientists from all over the world to participate in the **Summer School of Molecular Medicine**. *The Summer School will be held in August / September each year in Jena, Germany, and will provide an excellent opportunity to get familiar with research topics of molecular medicine and modern laboratory techniques. In addition, social events will provide a setting to meet and to learn more about the cultural life in Jena and its environs.*

Dates : 20.08.2023 - 22.09.2023

Who can apply:

- **Master's degree in biosciences, biochemistry, medicine or related fields obtained before the deadline of application;**
- **Experience in standard laboratory techniques;**
- **High level of proficiency in English (TOEFL, IELTS, DSH, TestDaF, etc.)**

Deadline: 30th April 2023
