Subject: Invitation to participate in the Erasmus Plus Harmonee mobility programme for Central Asian Universities' students scheduled in Milan (Italy) on March 9 to May 3, 2023

Dear Ms. Avaz kyzy Zhyldyz,

With this letter I invite you, as attendees of the mobility activities planned in the Erasmus Plus Harmonee project, to participate in the course on Public Health scheduled in Milan on March 9 to May 3, 2023. Since the distance from the airport and the need of recovering from jet lag, please ask for a Visa from March 7 to May 5, 2023.

We will send you a detailed programme of the event in the next few days.

I confirm that the travelling and incidental expenses of the participants will be covered by the project budget and that lodging will be provided by the University of Milan.

Please use this official invitation to urgently apply for a visa application at the Italian Embassy in your country.

Please do not hesitate to contact us should you need any further information.

The project Coordinator
Prof. Claudio Colosio
