Annual report of senior tutor Imankulova Tolgonai Zhakypovna on student affairs
work for 2019-2020

Osh, 2020

At the SHD Department, student affairs work for 2019-2020 was carried out in accordance with the work plan approved by the Deputy Dean for Educational Work.

For the current year, the following works of tutors were carried out:

1. On September 18, 2019, students of the International Medical Faculty of Osh State University Mohammed Ashraf and Adnan Abbas were invited to the Umut TV studio, where students talked about the role of the Kyrgyz language in the lives of foreign students. Muhammad Ashraf told an excerpt from the work of Ch. Aitmatov, and Adnan Abbas sang the hero's song from the writer's work. The head of students is a teacher of SHD K. Dzheenbayeva.

Report on the work done for the 2019-2020 academic year in dormitories

In the 2019-2020 academic year, the SHD Department was allocated control over foreign students living in a hostel located on Zainabetdinova Street.

150 students live in the hostel. The hostel has three hot meals a day, comfortable conditions and a pleasant shower cabin. The staff of the hostel maintain cleanliness, put every room in order daily, and also wash the students' laundry weekly. According to the schedule, the teachers of the SRS department were on duty in the dormitory once a week. During the duty, the curators organized educational classes and games in order to instill in students a sense of responsibility to the Motherland, respect for older people and cheer up students.

https://www.ohsu.kg/news/new/?lg=1&id_parent=4774&id2=12866

It should be noted that from March to May, the duty schedule was also fixed by the teachers of the SRS department in the dormitory No. 7, which is located on 71 Isanov Street. The total number of students living in the hostel was 150 people, in particular undergraduates. Strict quarantine measures have been established in the dormitory. The students took the difficult situation with understanding, observed personal hygiene. In order to prevent the spread of coronavirus infection, cleaning was regularly carried out using disinfectants indoors.
