## Student's mobility report

**Tutor:** Professor Claudio Colosio

**Student:** Gulzat Zhanadilova

**Date:** 03/05/2023

In the frame of the Harmonee mobility program, Erasmus+ project (618829-EPP-1-2020-1-IT\_EPPKA2-CBHE-JP) the student from Osh State University (Kyrgyzstan) Gulzat Zhanadilova has attended the course “PUBLIC HEALTH AND ENVIRONMENTAL MEDICINE” (Occupational Medicine, General and Applied Hygiene, Applied Economics) and worked as part of the team on a research project 'Oil Extraction and Refining in Central Asia and Related Health Issues' and presented the results at the final conference 'An event on environmental health problems in Central Asia, presenting the research of Kyrgyz, Kazakh and Uzbek students'. The student visited the clinical departments and the Occupational Health Unit of the SS. Paolo and Carlo Hospitals and International Centre for Rural Health.

The student has demonstrated interest, willingness to work and good communication capacities in the English language.

CREDITS: 9 CFU (frontal) + 2 CFU (research project)
