

IV International Olympiad for Medical University Students “From the teachings of Abu Ali ibn Sina - to the third RENAISSANCE”

DEAR COLLEAGUES AND STUDENTS!

We invite you to take part in the IV International Olympiad for medical students “From the teachings of Abu Ali ibn Sina - to the third RENAISSANCE”, which will take place on January 26-27, 2024.

The goal of the Olympiad “From the teachings of Abu Ali ibn Sina - to the third RENAISSANCE” is to increase students’ interest in various fields of medicine, increase their knowledge and skills in this field, and promote students’ scientific and creative approaches to learning.

Objectives of the Olympiad:

1. Identify and identify gifted students, contribute to their development;
2. Increasing the level of students' knowledge in medical disciplines;
3. Formation of students' skills and abilities in practical medicine;
4. Students’ use of acquired knowledge, skills and abilities when analyzing clinical cases;
5. Introducing students of medical universities to the heritage of world and national medicine for the benefit of the people;
6. Establishing relationships between students of universities of the Republic of Uzbekistan and abroad for the further development of scientific, educational, practical, clinical potential.

Languages of the Olympiad: Uzbek, Russian and English.

Grand opening of the Olympiad “From the teachings of Abu Ali ibn Sina - to the third RENAISSANCE” on January 26, 2024 at 10:00.

THE OLYMPICS WILL BE HELD ON THE FOLLOWING 38 MEDICAL FUNDAMENTAL AND CLINICAL DIRECTIONS

FUNDAMENTAL DISCIPLINES

Human anatomy

Operative surgery and topographic anatomy(OSTA)

Pathological anatomy and forensic medicine

Physiology

Pathological physiology

English in the field of medical communications

Medical biology

Histology, cytology, embryology

Microbiology, virology, immunology

Medical chemistry

Biophysics

CLINICAL DISCIPLINES

Obstetrics and gynecology

Anesthesiology and resuscitation

Internal medicine, endocrinology

Hematology, Laboratory Science

Hygiene. Medical ecology

Dermatovenereology

Infectious diseases and epidemiology

Traditional medicine

Neurology, pediatric neurology

Psychiatry, narcology

Medical psychology

Oncology

Otorhinolaryngology

Ophthalmology

Pediatrics, propaedeutics of childhood diseases

Propaedeutics of internal diseases

Radiology and Nuclear Medicine

Rehabilitation, sports medicine

Traumatology and orthopedics

Surgery, pediatric surgery

Urology

Neurosurgery

Pharmacology and clinical pharmacology

Children's dentistry

Orthopedic dentistry

Therapeutic dentistry

Maxillofacial Surgery

RULES OF PARTICIPATION

1. Students of medical universities are invited to participate in the international student Olympiad in an off-line format, in accordance with the field of education and year of study. One participant can choose only one academic discipline. From each foreign university, 6 students in 6 different subjects and 1 coordinator (among the teaching staff of the institute) can participate; From each Republican university, 12 students and 1 coordinator (among the teaching staff of the institute) can participate. The Olympiad will consist of 3 competitions:

- Greeting from the university team (video);
- Competition of scientific projects of young scientists;
- Competitions in 38 subject areas.

Completed applications for participation (Appendix No. 1), a list of participants in the Olympiad and an accompanying coordinator, approved by the Vice-Rector for Science, are sent to the administration of the Bukhara State Medical Institute in electronic form (PDF), confirming the participation of students in the Olympiad on the Telegram number of the organizing committee (Khairullaeva Dilnora Khislatovna +99891 440-22-32, +99893 687-77-33 Amonov Muhammad Komil ugli, Bakaeva Shakhlo Kamalovna +99890 511-28-85) until January 15, 2024.

2. The information must include: Last name, first name and patronymic (full); Higher education institution (full-time); Faculty and course (full); Selected subject for participation; e-mail, Telegram or WhatsApp of the participant for contacts with the coordinators of the Olympiad; photograph of the participant.

The deadline for confirmation of participation is January 15, 2024.

3. The Olympics will be held in 3 stages:

Day one – January 26

I - stage

- Testing (time: from 11:00 to 12:00).

Number of questions: 20

Time: 30 minutes

Maximum score: 100 points

II – stage

- Oral survey (time: from 12:00 to 13:30).

Number of questions: 4, of which 3 are theoretical, 1 is a situational task

Maximum score: 100 points

III – stage

- Assessment of practical, clinical thinking (time: from 14:30 to 16:00)
- Maximum score: 100 points.

The sum of I, II, III rounds is the result of the points scored

Maximum score: 300 points. The number of participants is limited:

12 participants are regulated from each Republican university, 5 participants from each foreign university, and each participant can participate in only one subject. There is a team competition (winners of the Olympiad will be determined by the total number of points scored).

Summarizing.

The participants' answers will be evaluated by a team of judges.

The winners of the Olympiad will be awarded diplomas, and the participants will be awarded Olympiad certificates.

Winner's reward ceremony will take place on January 26 at 16:30-18:00 at the closing of the IV International Olympiad for medical students “From the teachings of Abu Ali ibn Sina - to the third RENAISSANCE.”

The winners of the Olympiad are awarded diplomas of the first, second and third degrees and diplomas in nominations. All participants will receive certificates of participation in the Olympics.

Day two – January 27

Tour of the ancient city of Bukhara

Seeing off guests.
