

I am highly obliged that I got the opportunity to learn from the faculties of clinical Discipline department of our college. The faculties of this department establishes a positive classroom atmosphere which helps to foster a growth mindset among students. The use of multimedia resources by the teachers of the department effectively enhances the lessons. The lessons they taught us were well structured .

I would like to specially thank Sabira Ma'am,  
Asel Ma'am , Omorova Ma'am and all other teachers of the department for guiding us .

Zaman Syed Sajidur  
Batch - 2017-23

We are very impressed with the teaching and resources provided by the Clinical Disciplines 1 department. The quality of teaching is exceptional with dedicated and knowledgeable instructors who are highly invested in the success of their students. The department's resources including textbooks laboratories and educational materials are comprehensive and up to date further enhancing the learning experience. The commitment to providing top notch education and resources is evident and greatly contributes to the success of the students. Keep up the great work 😊

With due respect and high regards I acknowledge that the clinical disciplines department 1 is one of the best branch for clinical subjects in osh teachers provide sufficient amount of knowledge to the students about subject and highly encourage students to do best for their future. Thank you for the hard work of teachers for making our journey interesting.

🙏 My Name is DR.MEDA SHANKAR Graduated from OSH STATE MEDICAL UNIVERSITY. In My University one of the BEST Department Was Clinical Disciplines 1 Department. And also Thanks a lot To **Aizhan Omorova** ID Mam Is A Dedicated and Knowledgeable Teacher. The Way Of Making Concept Making Simple and Letting Us Understand Them Is Quite Admirable. Your Techniques of Teaching In Practical Classes Was Wonderful.

Thanks A Lot To The Whole Clinical Department 🙏.

Myself Mohammed Irfan (2017-2023 batch) group number 8B. I'm so grateful to share my success happiness with Osh State University especially with Clinical Disciplines 1 department that i passed my FMGE exam in first go that too with 167 marks. Every teachers in clinical discipline department played a crucial role in my success meanly I should mention Aizhanbekeshova ma'am. The way you all made prepare topics for classes and extracurricular activities helped me a lot during my FMGE exam preparation. Words are not even to thank you all for kind support and your passion of teaching us during this MBBS days. Thank you for being a part of my success journey. My sincere gratitude towards Clinical discipline 1 department for your great hard-work for making us young doctors to achieve our dreams. Thank you so much.

21:49

My experience in internal medicine was fantastic  
In this department i learned Everything like from basic thing of medicine to diagnosis & treatment of disease

21:26

Mam your department (internal medicine) was so helpful for us.. all the teachers were so capable and well equipped with every sense of knowledge in this subject which helped us to pass our fmge exam with good marks in very first attempt. Especially you mam was one of the few best teachers in the university as your magnitude of knowledge is so large and deep. So i thank all the teachers from this department n especially you for making ECGs 😊 and all topics easy...

17:26

The clinic discipline 1 departmet played a tremendous role in osh medical faculty

As far as I am concerned

The practical knowledge and the theoretical knowledge is at peak

The behaviour of the staff is quite positive toward the students

Whenever students are facing problems in their pratical skills .the department helped them in a nice manner

I will give my rating to the department 9/10

21:47

From the very bottom of my heart , I m very thankful to all teachers of your department. You all were amazing in all aspect . Very helpful in all manners. Thank you everyone.

18:00

My name is Shyam Tamboliya 10A from Osh State Medical University ,

Our clinical department is very helpful in teaching them how to perform palpation, percussion auscultation on patients and they also help in writing and publishing articles. And understand the medium of digital screen.
