The policy of course

Participation in classes

- 1. The teacher and the student should treat each other with respect;
- 2. Compulsory attendance, without delay. Attendance mandatory will be noted at each lesson;
- 3. Behave yourself in class (do not talk during class, do not chew gum)
- 4. During the class, turn off your cell phone;
- 5. Come to class in business clothes (white coat, blue or black blouse or shirt. Do not wear sport clothes).

Academic dishonesty and plagiarism

- No points will be given if copying is allowed while completing assignments.
- The deadline for submitting homework and other work is 1 week.
- Points will be deducted from the score for breaking the deadline.
- Rework out is possible for classes missed for a good reason;
- All tasks must be performed in a timely manner;
- Students should come prepared for the lesson and take an active part in the discussion of the learning material under consideration.

Use of gadgets in lessons

- Laptops and other devices are allowed to be used for presentation of tasks, but mobile phones are not allowed.

Consultations and submission of SW assignments

- Consultations and submission of SW assignments are held at the time specified by the teacher.
- The policy of academic conduct and ethics must comply with the internal regulations of the University.

Evaluation system

Assessment of students' knowledge is carried out on a 100-point system as follows:

1 st module - 30 score	2 nd module – 30 score
SLW.....30 score SLWT.....30 score №1 current control 30 score №2 current control 30 score 1 st module control30 score	SLW.....30 score SLWT.....30 score №3 current control 30 score №4 current control 30 score 2 nd module control..... 30 score
Exam score – 40 s.	

A rating (score)	Alphabetic system	Digital equivalent of the GPA system	Traditional system
87 - 100	A	4,0	Excellent
80 - 86	B	3,33	
74 - 79	C	3,0	Good
68 - 73	D	2,33	
61 - 67	E	2,0	Satisfied
31 - 60	FX	0	Unsatisfied
0 - 30	F	0	

Points policy

Control of knowledge and quality of education aims to assess the student's work during the semester, the degree of mastering theoretical knowledge, test the skills of independent work, the ability to synthesize the knowledge and apply them in solving practical, professional problems.

The criteria for assessing the performance of students in the courses are established by the University. For each topic, students pass the current control (CC). For the purpose of intermediate examination of students, the midterm control (MC) is carried out. The total amount of points is 60 points. Distribution of points on the current and midterm controls is indicated on the table above. According to the results of the final control, the student gains a maximum of 40 points (60+40).
