Dear Zhainagul Abdirasulova,

We are pleased to inform you that your USG Alumni Small Grants proposal,

"Academic Publishing Mastery", to be implemented between **September 14, 2024, and January 31, 2025**, has been selected for funding in the amount of **\$2,323**. Congratulations!

The purpose of the Small Alumni Grants Program is to support USG alumni in leveraging their experience in the United States to contribute to the development of Kyrgyzstan and support their project initiatives. The reviewers evaluated your proposal based on the criteria listed in the application: a) demonstrate how participating alumni will use their exchange experience to address a current challenge/issue in Kyrgyzstan; b) Include a budget that is no more than USD \$5,000; c) specify how the project impact will be monitored and evaluated and d) Include a clear social media plan to highlight project progress successes.

The project implementation procedures document is enclosed. Funds will be released only after the award letter is signed and sent to Gulnaza Khalmanbetova, USG Small Alumni Grants Coordinator, American Councils.

In accepting this grant and signing this award letter, you agree to do the following:

- Review and follow the project implementation procedures, with the understanding that failure to do so may disqualify you from participating in U.S. Government-sponsored grant and scholarship programs in the future.
- Attend the Project Management Workshop on **September 15, 2024**.
- Successfully implement the project in accordance with the proposal submitted to and approved by American Councils, with no activities extending beyond **January 31, 2025**.
- Request additional approval before making any amendments to the project plan or budget, according to the project implementation procedure.
- Spend **100% of the grant awarded to you no later than January 31, 2025**, in accordance with the approved budget, or an amended budget subsequently approved by American Councils.
- Submit all required reporting documents, photographs, and original receipts in two weeks after project's completion.
- Actively use social media for visibility of your project following the requirements in the project implementation procedures.
- All materials produced pursuant to the award (training, press, event materials, posters, videos, articles) must be marked appropriately with the standard rectangular U.S. flag and American Councils' logo.

Questions or requests for approval of amendments may be addressed to [akhelmanbetova@americancouncils.org](mailto:akhelmanbetova@americancouncils.org)

Wishing you a successful project
