

Matkasymova Gulshat

Online Portfolio

Welcome To My Portfolio

Matkasymova Gulshat

Education, a beacon in the fog of the unknown, a gentle hand guiding us through the labyrinth of existence. It is the quiet rustle of turning pages, the spark of curiosity ignited in a young mind, the patient wisdom shared across generations.

About Me

I am senior lecturer

"As a senior lecturer in department of surgical disciplines with the traumatology course of IMF OshSU, my passion for this vital field fuels not only my own work but also my engaging conversations with colleagues and students. It is through this collaborative spirit and dedication that we consistently achieve significant successes, shaping the future of medical care and making a tangible difference in the lives we touch."

Specialization in ENT and Oncology

"Many years of experience in ENT and oncology, as well as teaching experience are my strong points."

My Creative Journey

Skills and Expertise

Skills That Set Me Apart

Proven ability to mentor and guide students, fostering their professional growth and critical thinking skills.

What Other Says About My Work

Hii mam 🙌

This is Dr Alok yadav here your student
Thank you so much mam your guidance and
support

I remember mam in our last class you said that
please msg me when you pass your fMGe/MCI
exam that's make me proud my student now
succeed 😊
