## 7.5. Gastro System

7.5.1. OSHSU Faculty of Medicine UME vs All Program

### Explanation

In this graph, Gastro organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

7.5.2 OSHSU Faculty of Medicine UME Program Class Curves

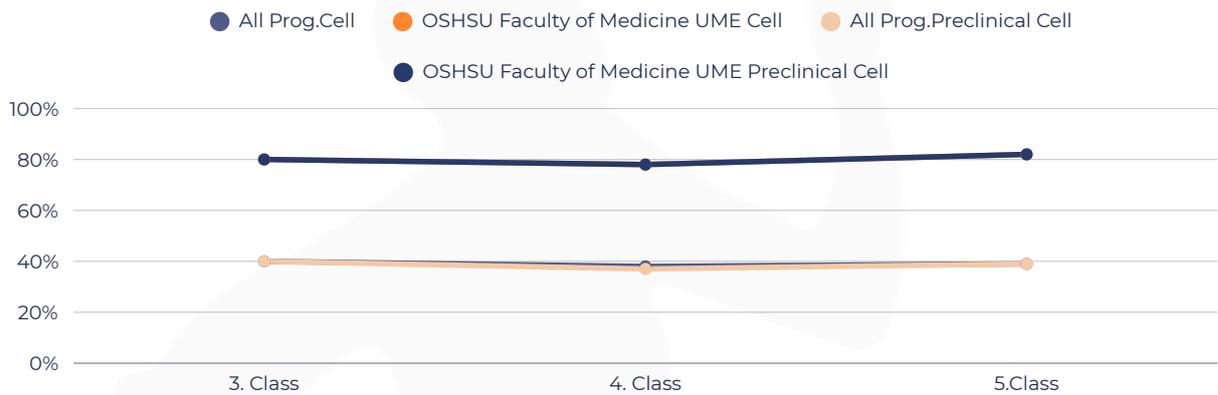

### Explanation

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Gastro system, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.6. Cell

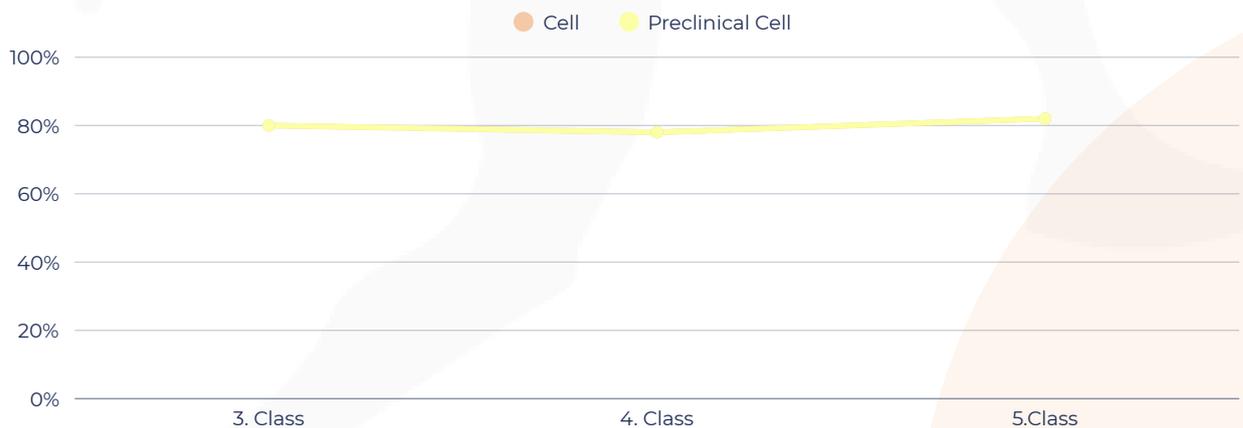

### 7.6.1. OSHSU Faculty of Medicine UME vs All Program

#### Explanation:

In this graph, Cell average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

### 7.6.2. OSHSU Faculty of Medicine UME Program Class Curves

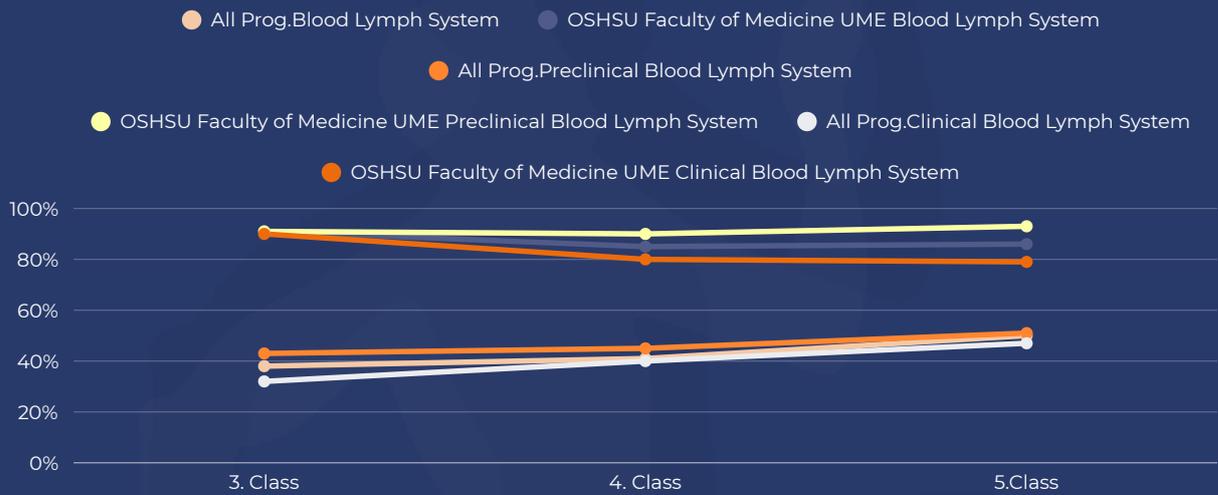

#### Explanation:

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Cell, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.7. Blood Lymph System

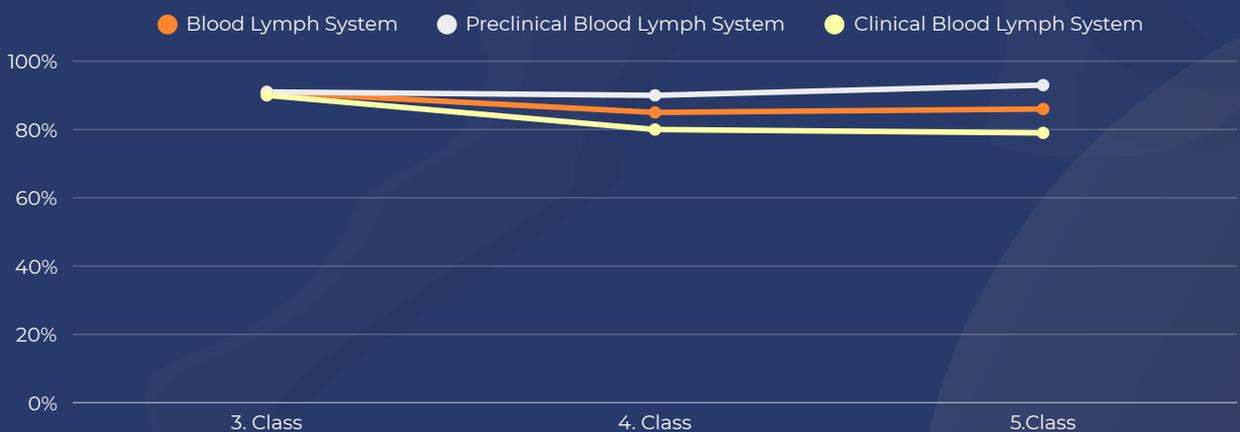

### 7.7.1. OSHSU Faculty of Medicine UME vs All Program

#### Explanation

In this graph, Blood lymph organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

### 7.7.2. OSHSU Faculty of Medicine UME Program Class Curves

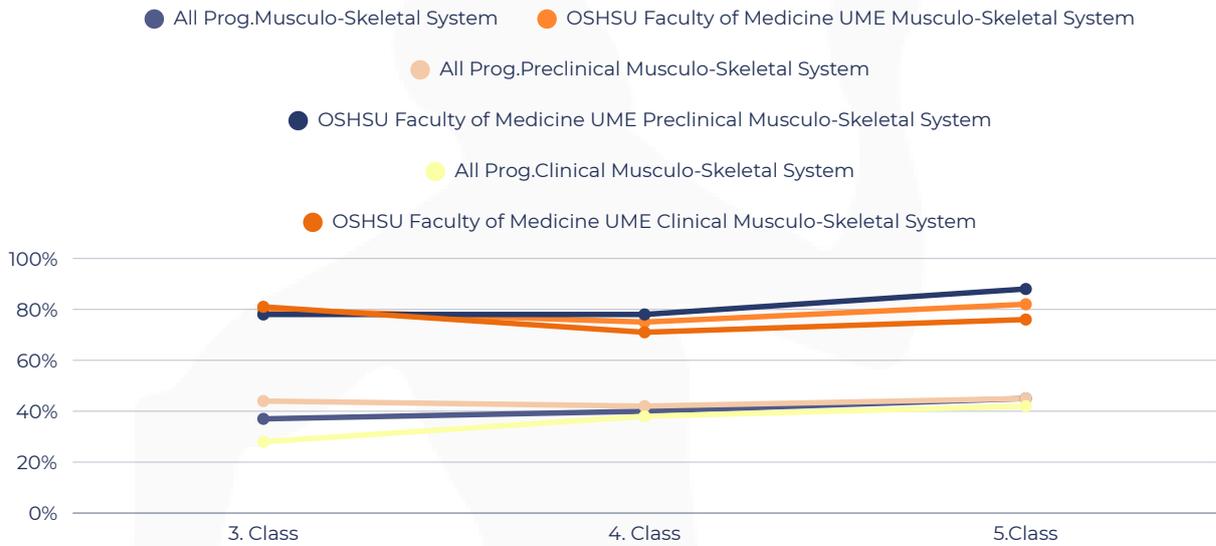

#### Explanation

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Blood lymph system, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.8. Musculo-Skeletal System

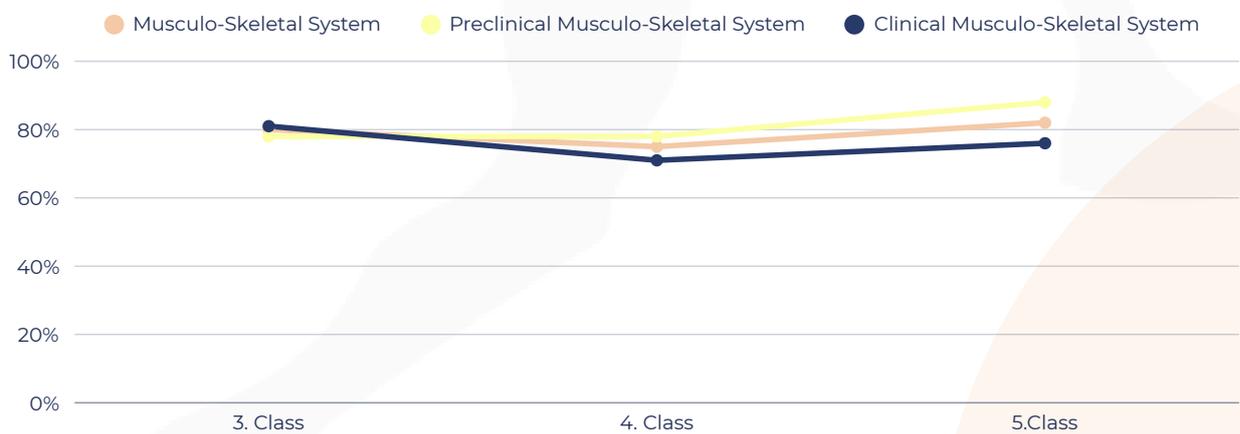

### 7.8.1. OSHSU Faculty of Medicine UME vs All Program

#### Explanation:

In this graph, Musculo-Skeletal organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

### 7.8.2. OSHSU Faculty of Medicine UME Program Class Curves

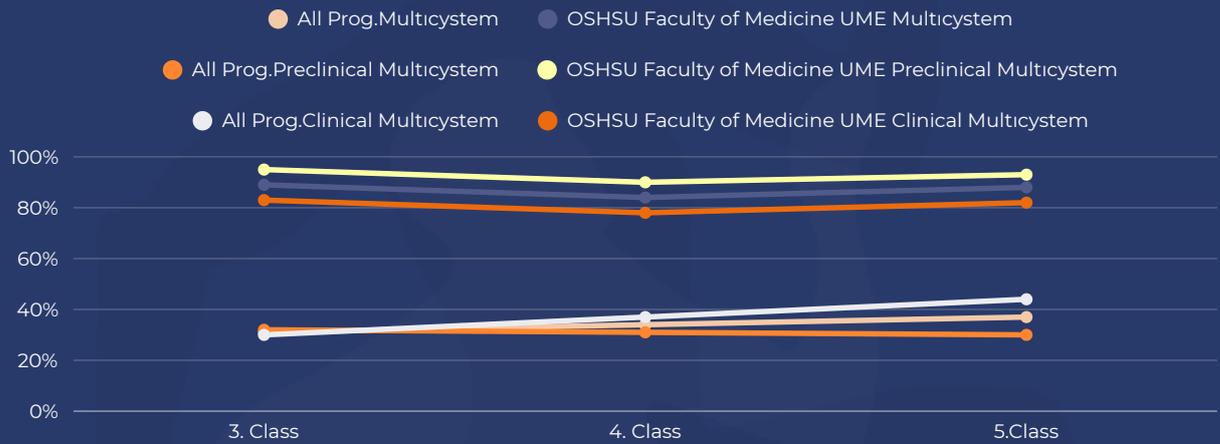

#### Explanation:

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Musculo-Skeletal system, as well as on the combined total of both areas.

# 7. OHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.9. Multicystem

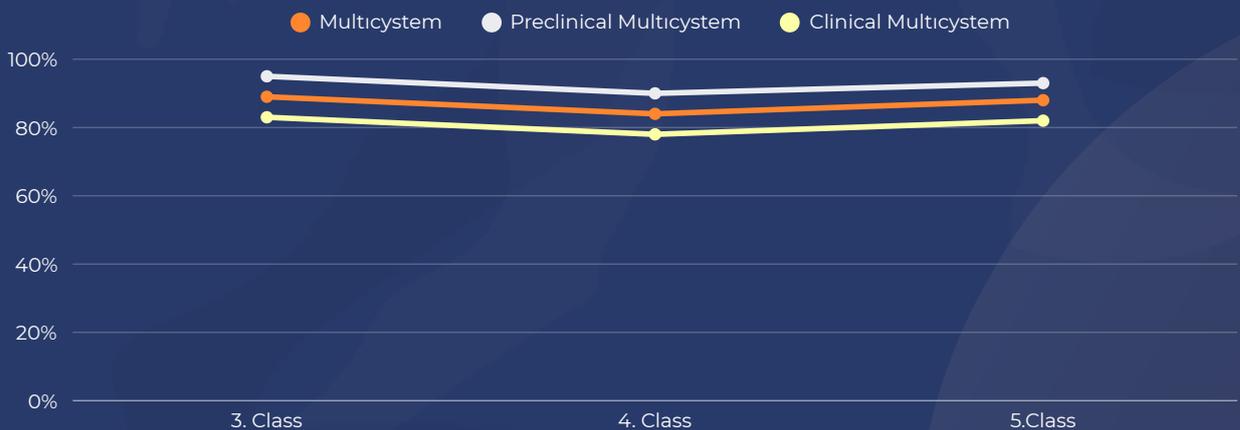

### 7.9.1. OHSU Faculty of Medicine UME vs All Program

### Explanation

In this graph, Multi organ system average scores are compared with those of the OHSU School of Medicine UME program and all other programs.

### 7.9.2. OHSU Faculty of Medicine UME Program Class Curves

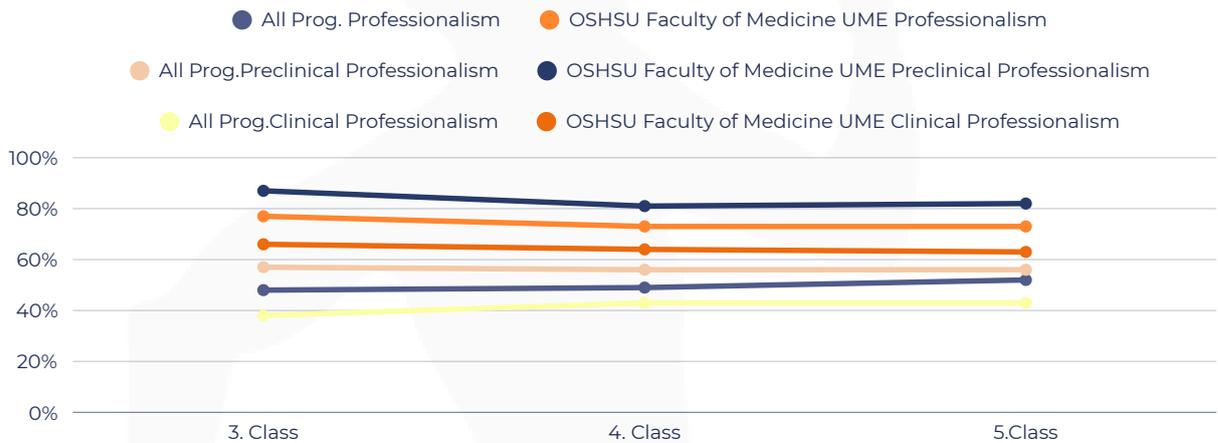

### Explanation

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Multicystem, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROCESS REPORTS

## 7.10.1. Professionalism

7.10.1. OSHSU Faculty of Medicine UME vs All Program

Explanation:

In this graph, Professionalism average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

7.10.2. OSHSU Faculty of Medicine UME Program Class Curves

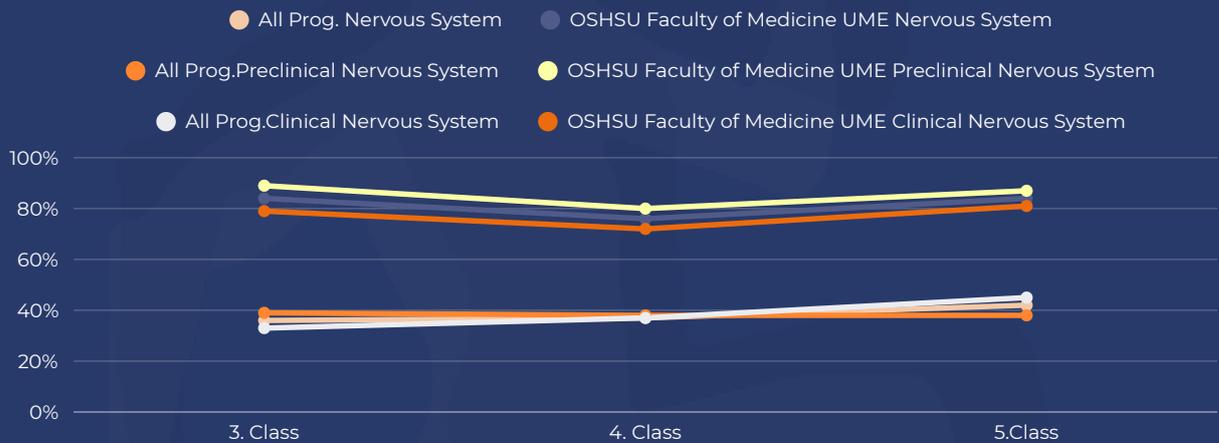

Explanation:

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Professionalism, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.11. Nervous System

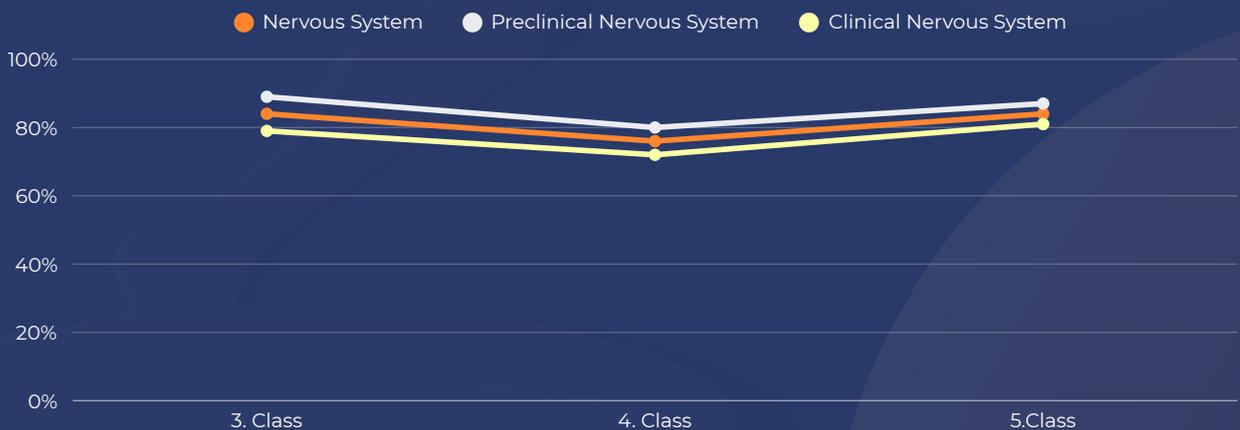

### 7.11.1. OSHSU Faculty of Medicine UME vs All Program

#### Explanation:

In this graph, Nervous organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

### 7.11.2 OSHSU Faculty of Medicine UME Program Class Curves

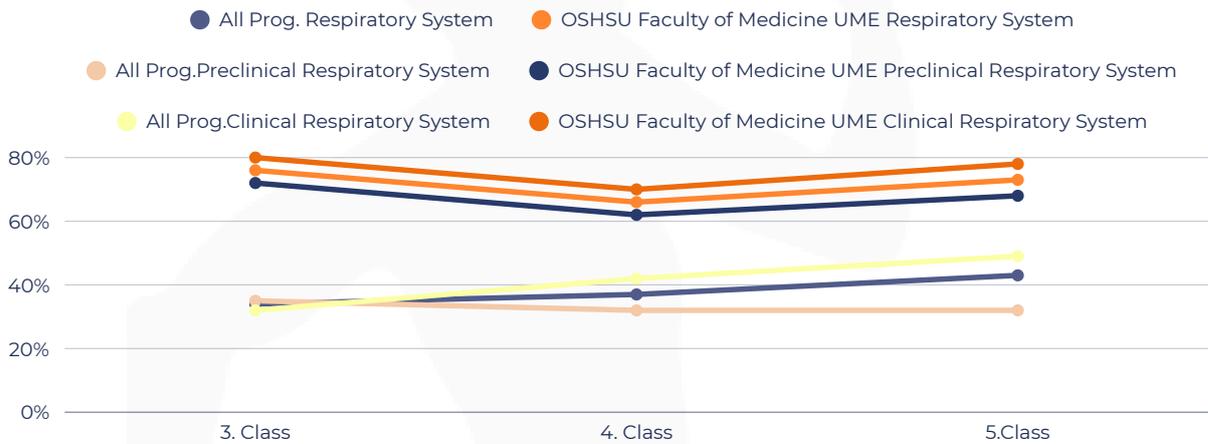

#### Explanation

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Nervous system, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.12. Respiratory System

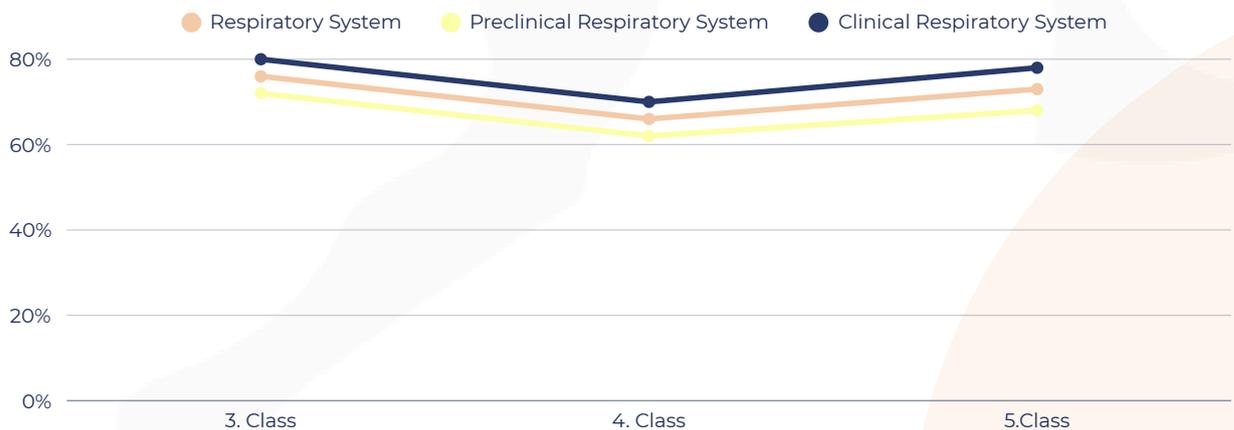

### 7.12.1. OSHSU Faculty of Medicine UME vs All Program

Explanation:

In this graph, Respiratory organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

### 7.12.2. OSHSU Faculty of Medicine UME Program Class Curves

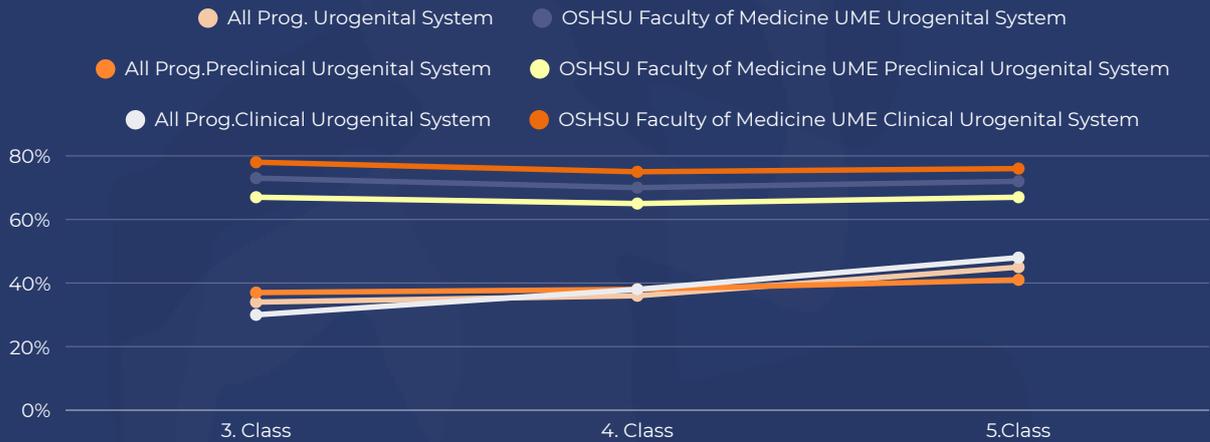

Explanation:

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Respiratory system, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.13. Urogenital System

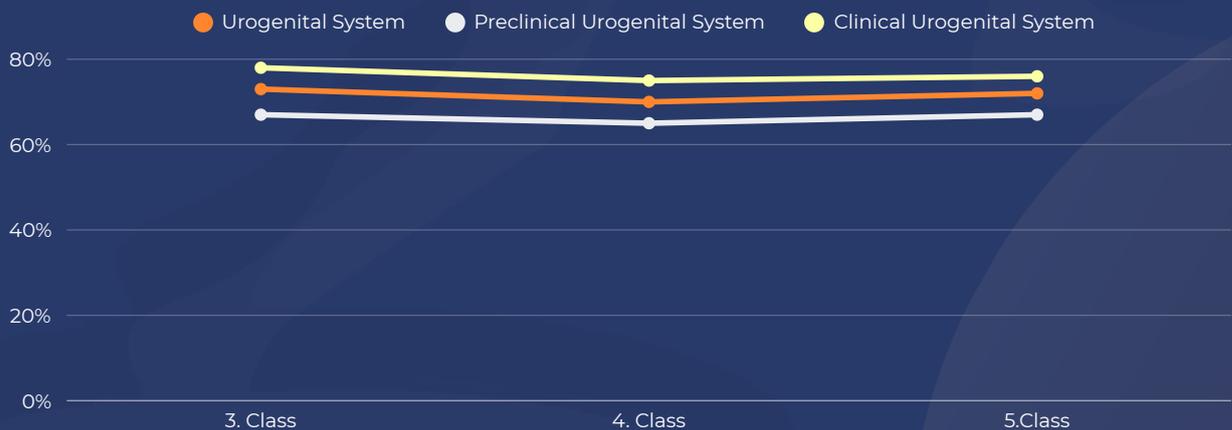

7.13.1. OSHSU Faculty of Medicine UME vs All Program

### Explanation:

In this graph, Urogenital organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

7.13.2 OSHSU Faculty of Medicine UME Program Class Curves

### Explanation

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Urogenital system, as well as on the combined total of both areas.
