

8. INFORMATION ON THE NATIONAL HIGHER EDUCATION SYSTEM

Description of the National system of Higher Education of the Kyrgyz Republic:

The Kyrgyz Higher Education system consists of the following High Institutions

- The Universities, which
 - implement programs of higher education, undergraduate and postgraduate, in different fields;
 - carry out fundamental and applied research on a wide range of issues;
 - prepare, train, retrain and ensure professional development, and also prepare scientists and scientific-researchers (Candidates and Doctors of Sciences);
 - constitute a scientific and methodological center in different fields.
- The Academies, which
 - implement programs of higher education, under-graduate and postgraduate in its field of scientific activity;
 - carry out fundamental and applied research on a wide range of issues;
 - prepare, train, retrain and ensure professional development, and also prepare scientists and scientific-researchers (Candidates and Doctors of Sciences);
- The Institutes are the structural subdivisions of the University or Academy, which:
 - implement programs of higher education and educational programs for undergraduates;
 - prepare, train, retrain, and ensure professional development of workers with higher education;
 - prepare scientific and scientific-research pedagogical personnel for certain sphere of professional activity;
 - carry out some fundamental and applied researches of fundamental and applied character, according to the specialists' prepared profile
- The Specialized Institutes (conservatories, specific purpose institutes) which:
 - implement programs of higher and postgraduate education;
 - prepare, train, retrain, ensure professional development, and also prepare scientific and scientific-research pedagogical personnel for certain sphere of professional activity;
 - carry out applied scientific researches.

Educational and professional programs and awarded qualifications

Higher Education institutes of the Kyrgyz Republic conduct education according to the following educational professional programs

- Bachelor's degree Apprenticeship: 4-5 years To get a Bachelor's degree one needs to pass the final state examination and defend a Bachelor's thesis.
- Master's degree Apprenticeship: 2-3 years To get a Master's degree one needs to pass the final state examination and defend a Master's thesis.
- Specialist's qualification: Apprenticeship 5-6 years To get a Specialist's qualification one needs to pass the final state examination and defend a thesis paper.
- Postgraduate degree: Master and Specialist has the right to enter postgraduate courses: Apprenticeship: 3-4 years. The education ends with the defending of Scientific thesis conforming to Ph.D. or Candidate's degree.
- Doctor's degree: Apprenticeship 3 years. Ph.D holders with practical work experience have the right to enter Doctor's degree courses. The education for Doctor's degree ends with the defending of a Doctoral thesis conforming to Doctor's degree.

License of the educational professional programs

Institutes of higher education should have a license of Ministry of Education and Science of the Kyrgyz Republic to implement the educational activity in order to realize educational professional programs of different levels.

Accreditation of educational organizations

Accreditation of educational organizations is carried on a voluntary basis. Educational organizations are obtain to institutional and program accreditation in accreditation bodies recognized by the Ministry of Education and Science of Kyrgyz Republic. The Ministry of Education and Science of Kyrgyz Republic maintains a Register of recognized accreditation bodies. Educational organizations that have passed accreditation have the right to issue state-issued documents or documents of their own sample to graduates by the decision of educational organizations themselves.

The National Qualifications Framework (NQF) of the Kyrgyz Republic

NQF contains 9 qualification levels, which corresponds to the European Qualifications Framework (EQF) and educational levels according the table

European Qualifications Framework (EQF)	Educational levels	National Qualifications Framework (NQF) of the Kyrgyz Republic	Qualifications Framework in the European Higher Education Area (QF-EHEA)
EQF 8	8 Doctoral Degree	NQF 8-9	Third Cycle
EQF 7	7 Master's Degree	NQF 7-8	Second Cycle
EQF 6	6 Higher Education, Bachelor's Degree	NQF 6-7	First Cycle
EQF 5	5 Post-Secondary Education	NQF 5-6	Short Cycle
EQF 4	4 Technical and Vocational Education	NQF 4-5	
EQF 3	3 General Secondary Education	NQF 3	
EQF 2	2 Basic Secondary Education	NQF 2-3	
EQF 1	1 Primary Education	NQF 1	
	0 Pre-School Education and Training		

DIPLOMA SUPPLEMENT

Osh Mamlketik Universiteti
(Osh State University)

The purpose of the Diploma Supplement is to provide sufficient independent data to improve the international 'transparency' and fair academic and professional recognition of qualifications (diplomas, degrees, certificates etc.) It is designed to provide a description of the nature, level, content, content and status of the studies that were pursued and successfully completed by the individual named on the original qualification to which this supplement is appended. It is free from any value judgements, equivalence statements or suggestions about recognition. This Diploma Supplement model was developed by the European Commission, Council of Europe and UNESCO

1. INFORMATION IDENTIFYING THE HOLDER OF THE QUALIFICATION	
1.1. Last name(s)	1.2. First name(s)
Kumar	Nantha
1.3. Date of birth (dd/mm/yyyy)	1.4. Student identification number or code (if available)
26 08 2001	22608200150481
2. INFORMATION IDENTIFYING THE QUALIFICATION	
2.1. Name of qualification and (if applicable) title conferred (in original language)	2.2. Main field(s) of study for the qualification
Doctor of Medicine (M.D.)	General Medicine
2.3. Name and status of awarding institution (in original language)	
Osh Mamlketik Universiteti (Osh State University). The state status is confirmed by the license of the Ministry of Education and Science of the Kyrgyz Republic.	
2.4. Name and status of institution (if different from 2.3) administering studies (in original language)	2.5. Language(s) of instruction/examination:
see the item 2.3.	English
3. INFORMATION ON THE LEVEL OF THE QUALIFICATION	
3.1. Level of qualification	3.2. Official duration of programme in credits and/or years
First Cycle - Specialist (NQF 7/ EQF 6)	Five years, 2 semesters per year. Totally 10 semesters of study - 260 weeks, including 183 weeks of lectures and clinical work, 20 weeks of examination period, minimum 300 credits ECTS.
3.3. Access requirements(s)	
General secondary education or vocational secondary education	
4. INFORMATION ON THE PROGRAMME COMPLETED AND THE RESULTS OBTAINED	
4.1. Title of study	4.2. Programme learning outcomes
Full-time	The study programme for General Medicine requires successful completion of courses (lectures, exercises, seminars, excursions, workshops, clinical electives, practical trainings) with an amount of 30 ECTS credits per semester in accordance with valid curriculum.
4.3. Programme details, individual credits gained and grades/marks obtained	The study programme prepares the students for their profession as a physician in every specialization. Theoretical foundations as well as practical skills are imparted in an integrated, topic-centered and patient-oriented manner.
Please see overview	The aim is to provide the students with a broad medical education and the optimal foundation for further education every medical field after their graduation.
