**2025-2026 ACADEMIC YEAR FALL SEMESTER**

**OSH STATE UNIVERSITY  
(OSHSU)  
FACULTY OF MEDICINE**

**UNDERGRADUATE MEDICAL  
EDUCATION  
(UME)**

# 1. OSHSU FACULTY OF MEDICINE UME

## NUMBER OF STUDENTS TAKING THE EXAM

	Number of Students Taking the Basic Sciences Exam	Number of Students Taking the Clinic Sciences Exam
All Students	25	25
1. Class		
2. Class		
3. Class	9	9
4. Class	6	6
5. Class	10	10
6. Class		

# 2. OSHSU FACULTY OF MEDICINE UME

## EXAM AVERAGES

	All Exam	Basic Sciences	Clinical Sciences
All Students	37%	38%	35%
1. Class			
2. Class			
3. Class	40%	39%	41%
4. Class	38%	41%	35%
5. Class	34%	36%	31%
6. Class			

# 2. OSHSU FACULTY OF MEDICINE UME

## EXAM AVERAGES

### Exam Averages (%)

- All Exam
- Basic Sciences
- Clinical Sciences

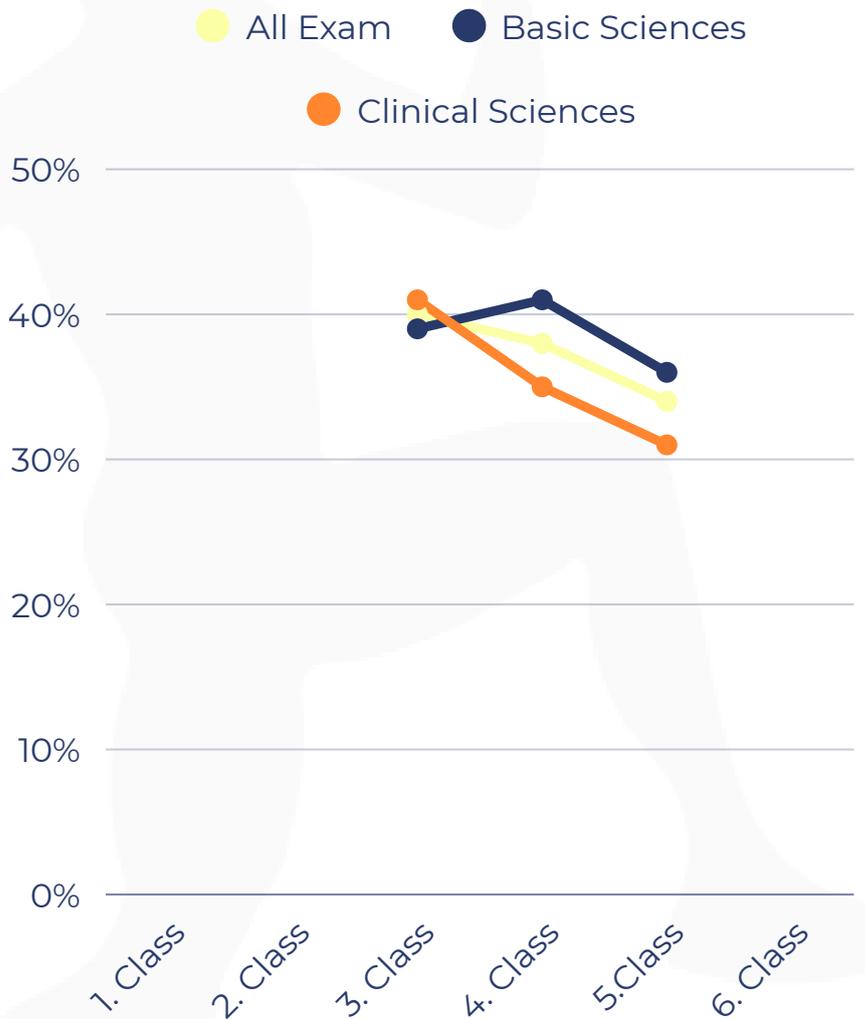

#### Explanation

OSHSU Faculty of Medicine UME taking the exam  
 All Students; All Exam (n:50) 37%, Basic Sciences(n:25) 38%, Clinical Sciences(n:25) 35%, 3.Class; All Exam (n:18) 40%, Basic Sciences(n:9) 39%, Clinical Sciences(n:9) 41%, 4.Class; All Exam (n:12) 38%, Basic Sciences(n:6) 41%, Clinical Sciences(n:6) 35%, 5.Class; All Exam (n:20) 34%, Basic Sciences(n:10) 36%, Clinical Sciences(n:10) 31%.

# 2. OSHSU FACULTY OF MEDICINE UME

## EXAM AVERAGE

### Exam Average (%)

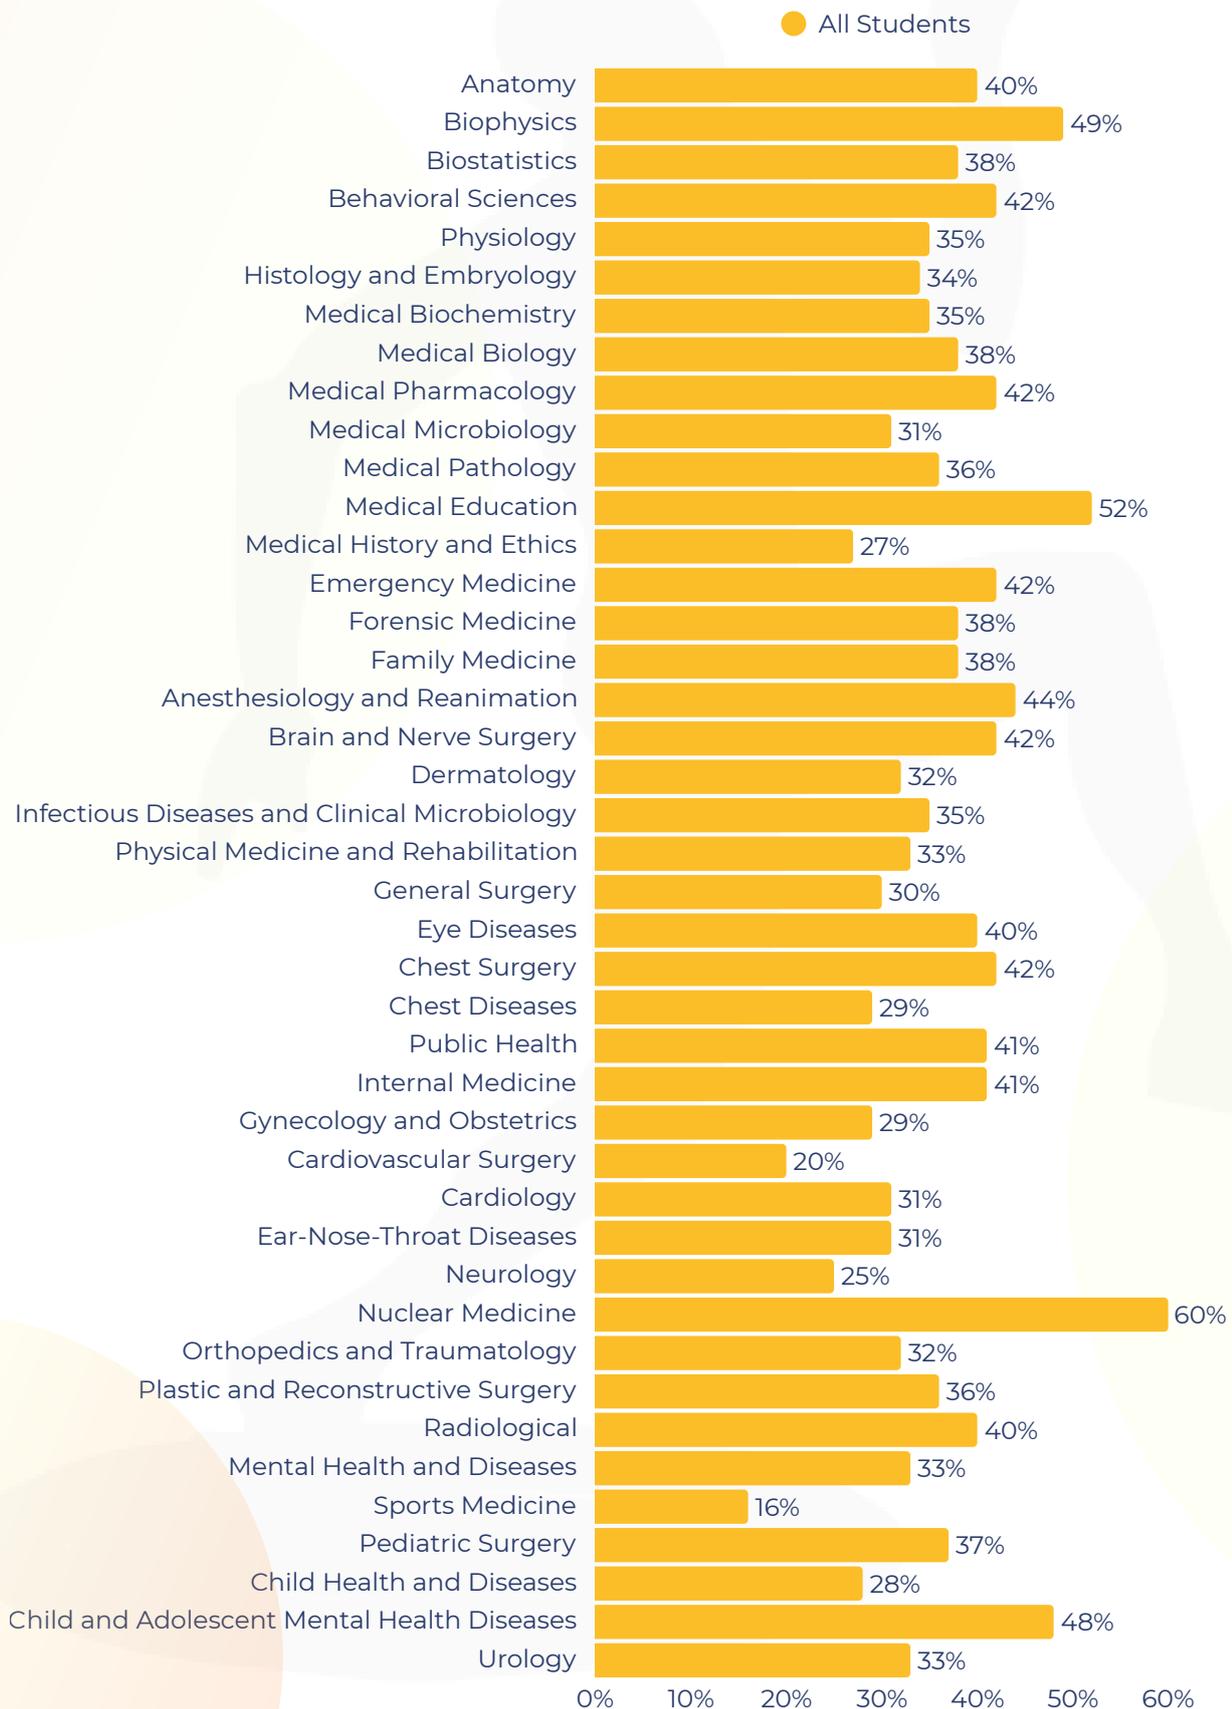

#### Explanation

OSHSU Faculty of Medicine UME taking the exam  
All Exams Avg.; 3. Class (n:18) 40%, 4. Class (n:12) 38%, 5. Class (n:20) 34%,  
Basic Sciences Exam Avg.; 3. Class (n:9) 39%, 4. Class (n:6) 41%, 5. Class (n:10)  
36%, Clinical Sciences Exam Avg.; 3. Class (n:9) 41%, 4. Class (n:6) 35%, 5.  
Class (n:10) 31%.

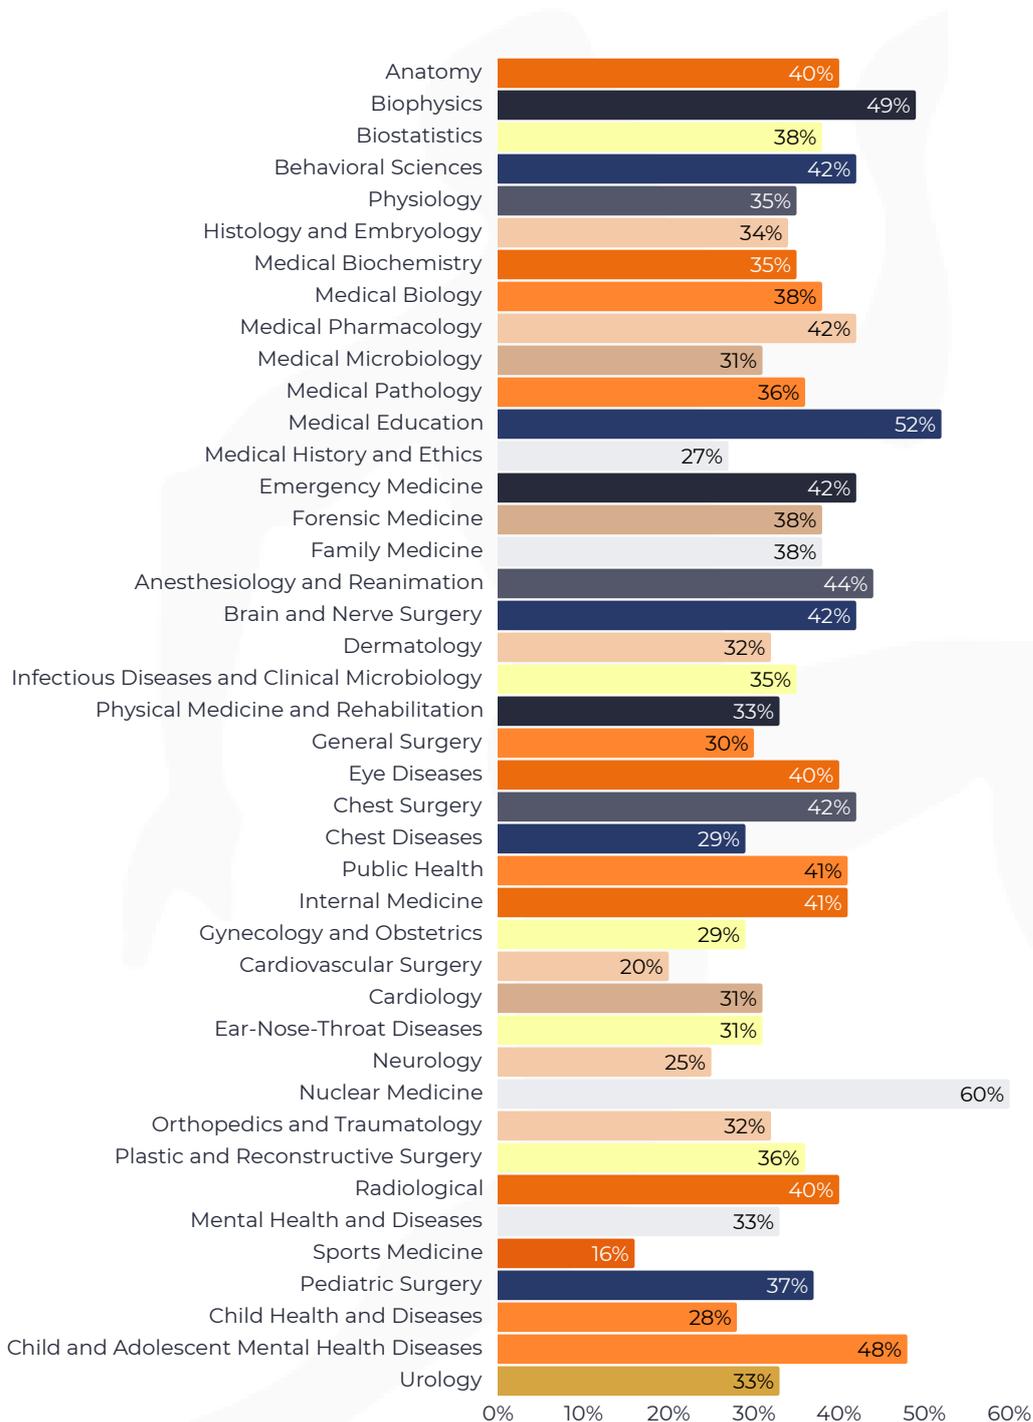

# 3. OSHSU FACULTY OF MEDICINE UME

## SUCCESS REPORT BY DEPARTMENT

# OSHSU FACULTY OF MEDICINE UME

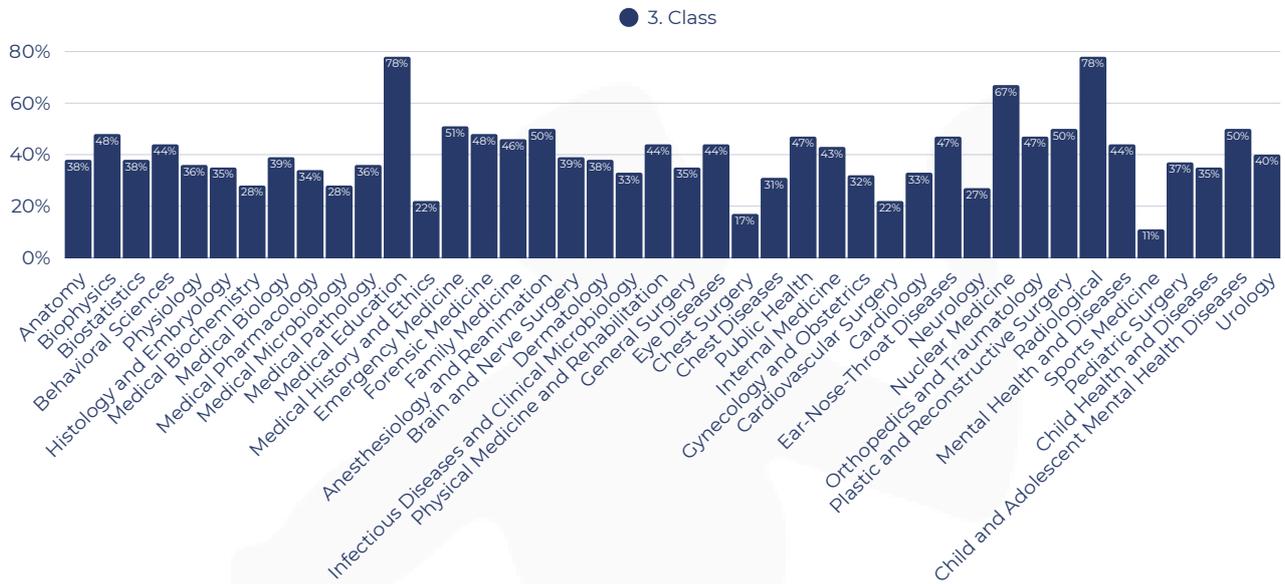

## Department Success Average

### Explanation

OSHSU Faculty of Medicine UME Department success averages; Anatomy 40%, Biophysics 49%, Biostatistics 38%, Behavioral Sciences 42%, Physiology 35%, Histology and Embryology 34%, Medical Biochemistry 35%, Medical Biology 38%, Medical Pharmacology 42%, Medical Microbiology 31%, Medical Pathology 36%, Medical Education 52%, Medical History and Ethics 27%, Emergency Medicine 42%, Forensic Medicine 38%, Family Medicine 38%, Anesthesiology and Reanimation 44%, Brain and Nerve Surgery 42%, Dermatology 32%, Infectious Diseases and Clinical Microbiology 35%, Physical Medicine and Rehabilitation 33%, General Surgery 30%, Eye Diseases 40%, Chest Surgery 42%, Chest Diseases 29%, Public Health 41%, Internal Medicine 41%, Gynecology and Obstetrics 29%, Cardiovascular Surgery 20%, Cardiology 31%, Ear-Nose-Throat Diseases 31%, Neurology 25%, Nuclear Medicine 60%, Orthopedics and Traumatology 32%, Plastic and Reconstructive Surgery 36%, Radiological 40%, Mental Health and Diseases 33%, Sports Medicine 16%, Pediatric Surgery 37%, Child Health and Diseases 28%, Child and Adolescent Mental Health Diseases 48%, Urology 33%.

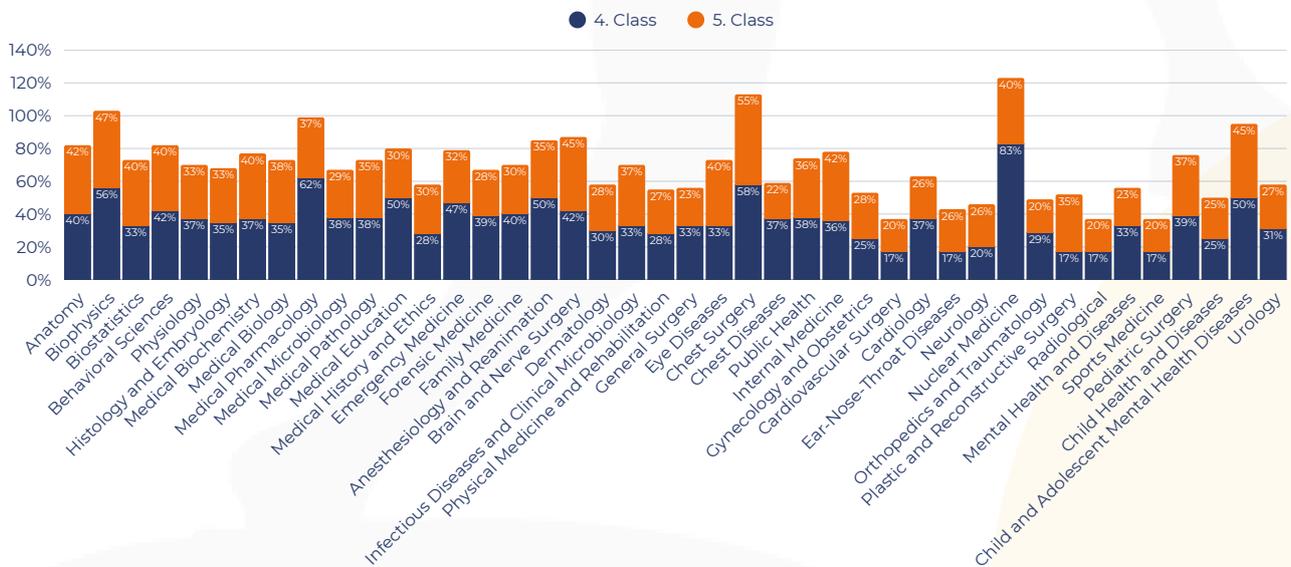

# Preclinical Period Department Success Average

## Explanation

OSHSU Faculty of Medicine UME The success average of the Preclinical Period Department has been calculated.

# Clinical Period Department Success Average

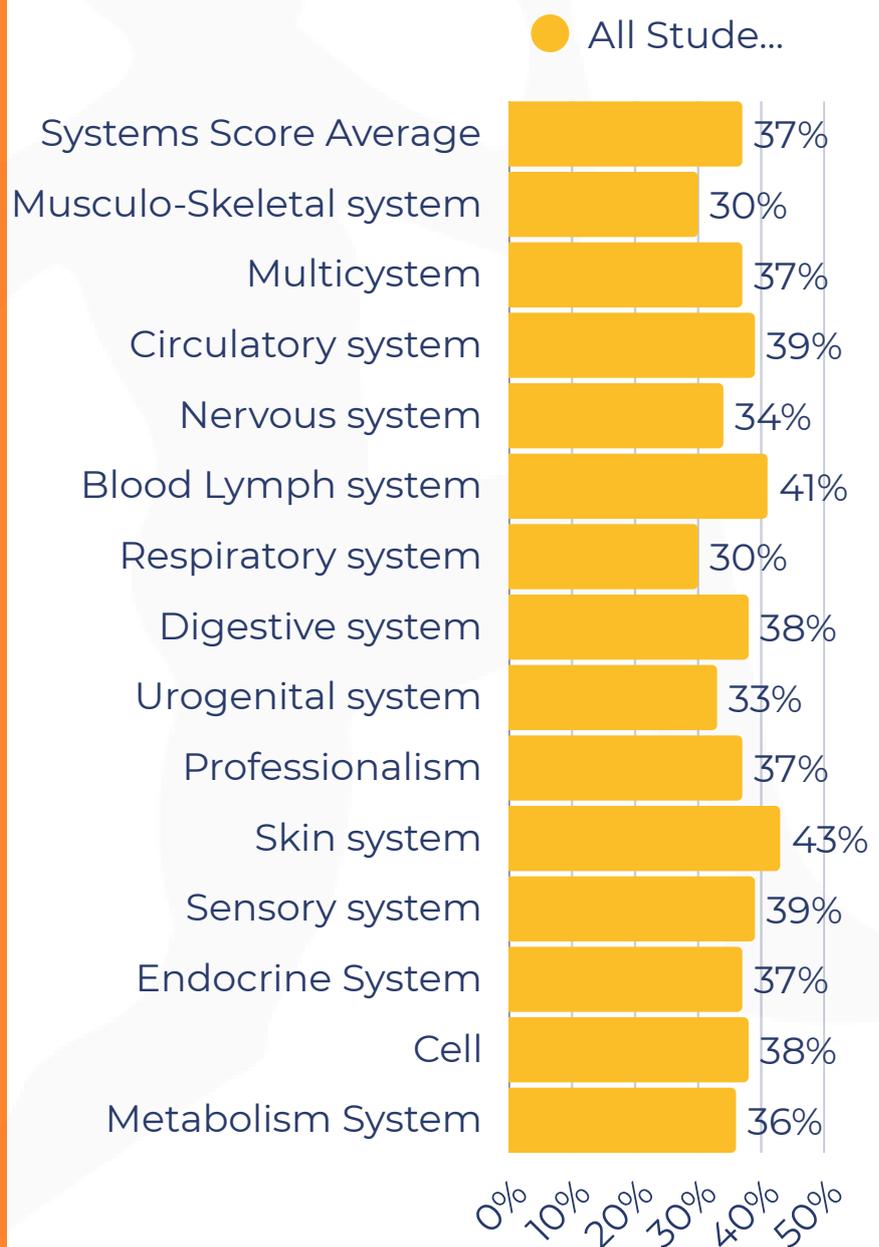

## Explanation

OSHSU Faculty of Medicine UME The success average of the Clinical Period Department has been calculated.

# 4. OSHSU FACULTY OF MEDICINE UME

## DIFFERENT REPORTS BY SYSTEM

### Systems Score Average

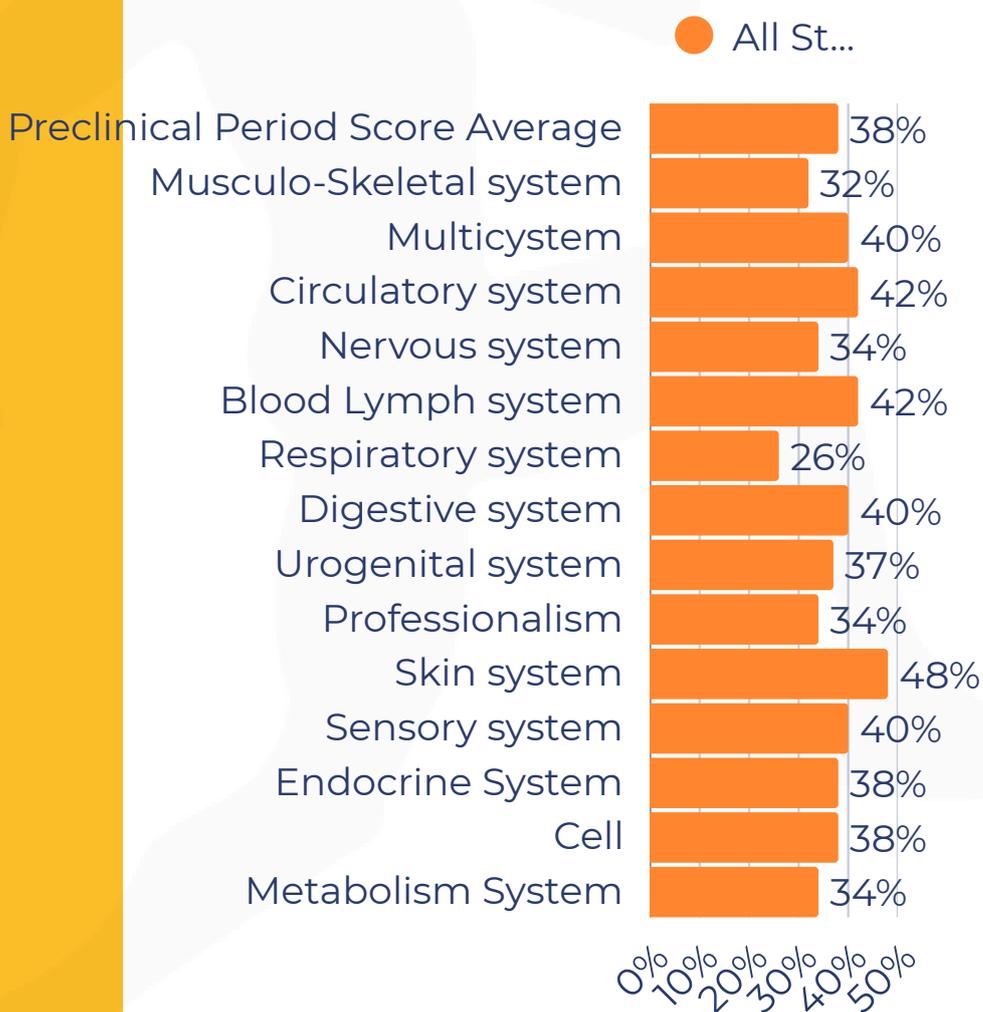

#### Explanation

OSHSU Faculty of Medicine UME System Success averages; Systems Score Average 37%, Musculo-Skeletal 30%, Multisystem 37%, Circulatory 39%, Nervous 34%, Blood Lymph 41%, Respiratory 30%, Digestive 38%, Urogenital 33%, Professionalism 37%, Skin 43%, Sensory 39%, Endocrine 37%, Cell 38%, Metabolism 36%.

# 4. OSHSU FACULTY OF MEDICINE UME

## DIFFERENT REPORTS BY SYSTEM

### Preclinical Period Score Average

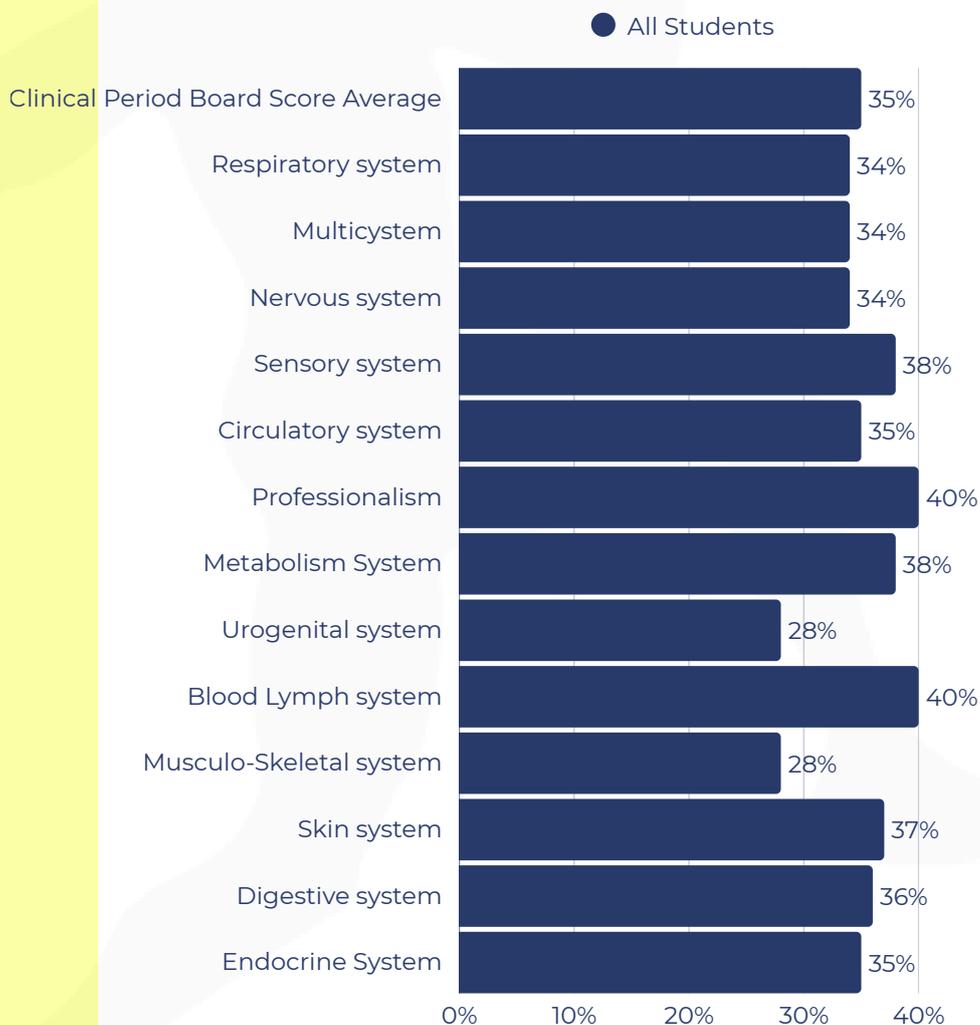

#### Explanation

OSHSU Faculty of Medicine UME Preclinical Term Boards score average was calculated.

# 4. OSHSU FACULTY OF MEDICINE UME

## DIFFERENT REPORTS BY SYSTEM

### Clinical Period Board Score Average

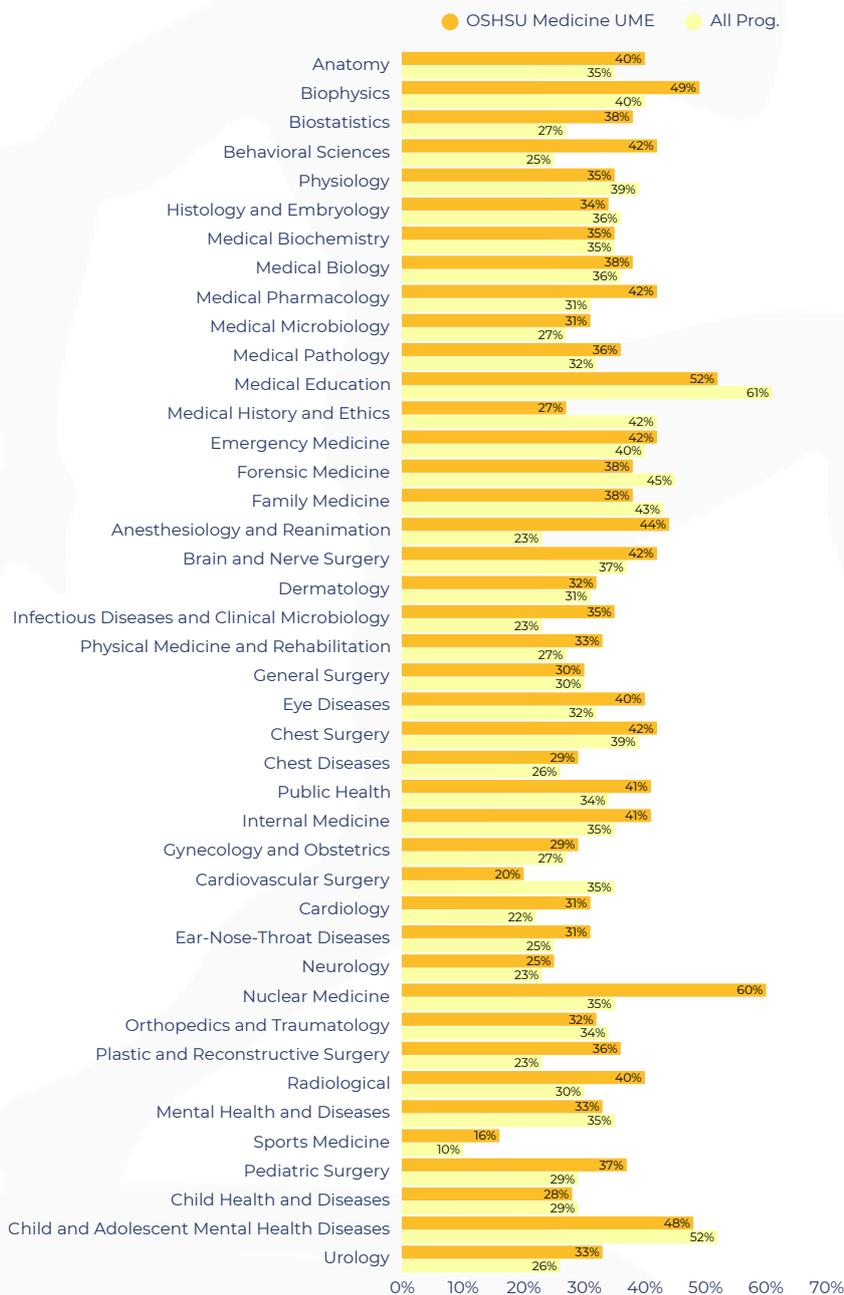

#### Explanation

OSHSU Faculty of Medicine UME Clinical Term Boards score average was calculated.

# 5. OSHSU FACULTY OF MEDICINE UME PROGRAM COMPARISON REPORT

## 5.1. Comparison Report of Your Program with All Program Averages

### Department Program Comparison Graph

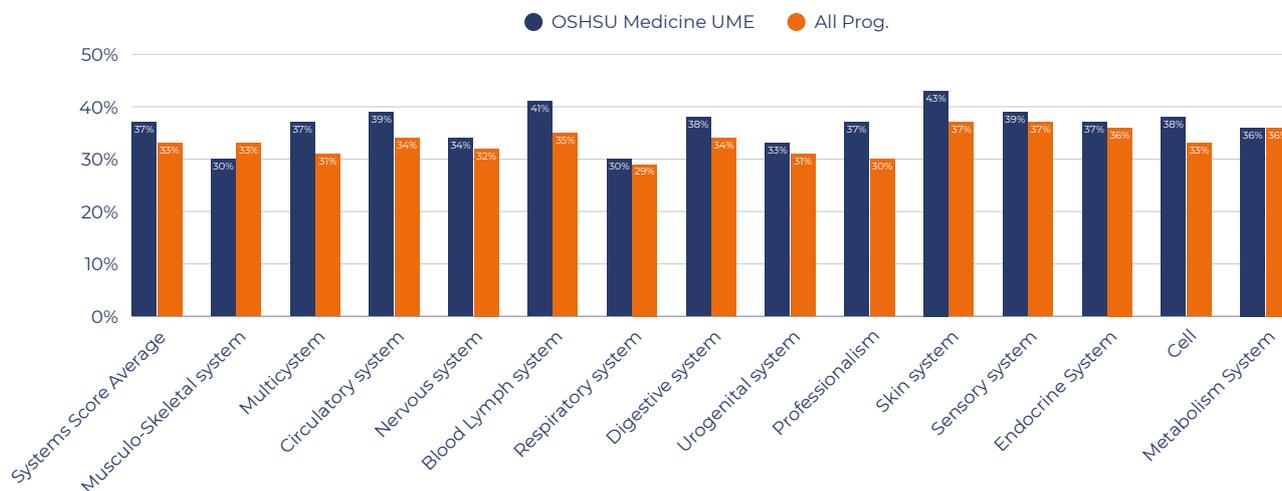

#### Explanation

Compared with the average of all programs for each department and the OSHSU Faculty of Medicine UME average.

# OSHSU FACULTY OF MEDICINE UME

## System Program Comparison Graph

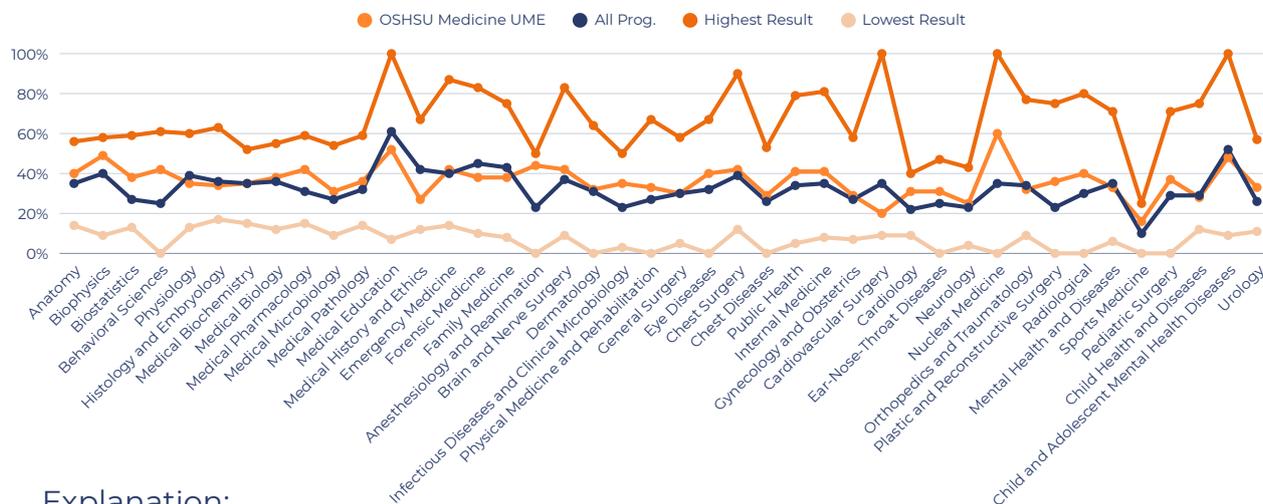

Explanation:

Compared to the average of all programs for each system and the OSHSU Faculty of Medicine UME average.

## 5.2. OSHSU FACULTY OF MEDICINE UME

### Department Comparison Report

#### Department Comparison Graph

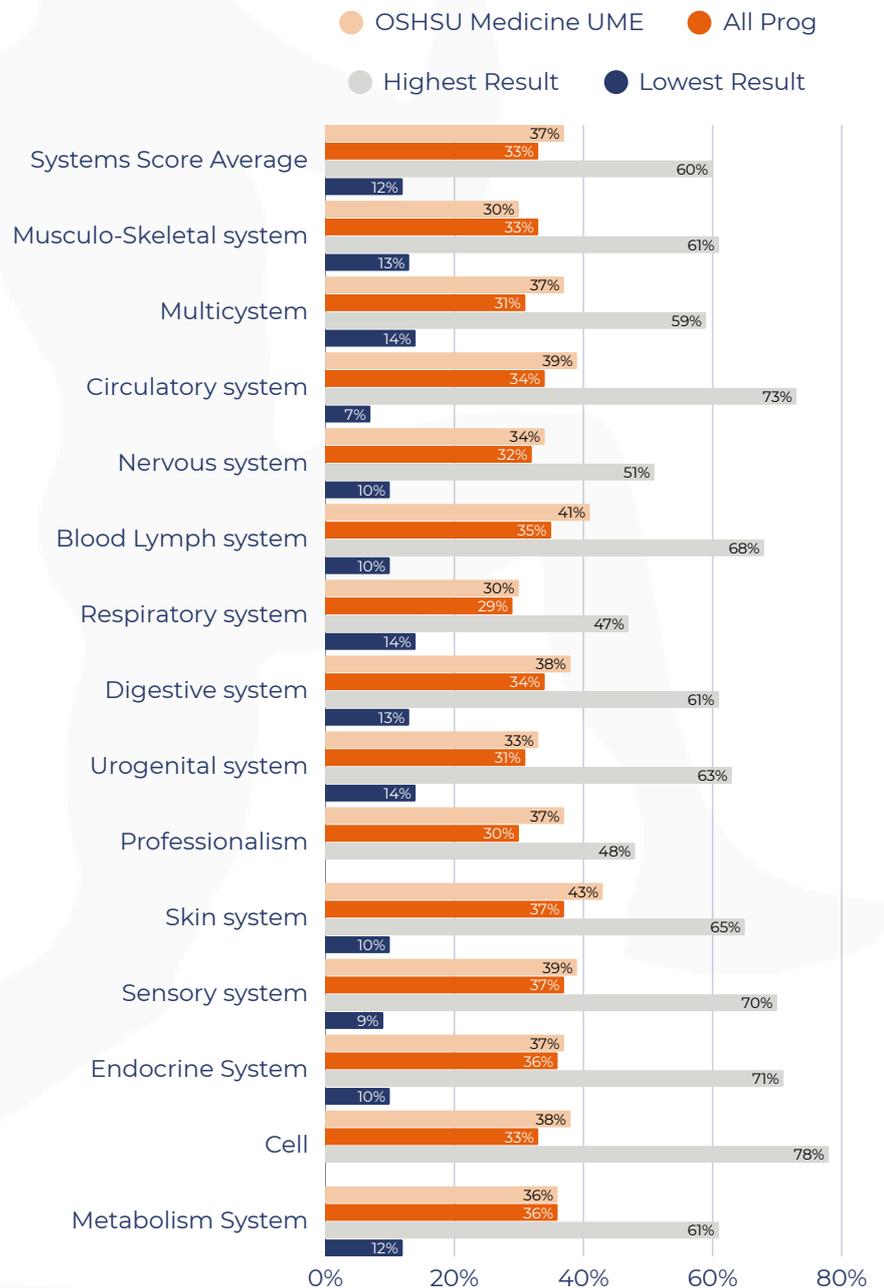

Explanation:

The highest and lowest scores for each major and the average for all programs were compared with the OSHSU Faculty of Medicine UME results.

# 5.3. OSHSU FACULTY OF MEDICINE UME

## System Comparison Chart

### System Comparison Chart

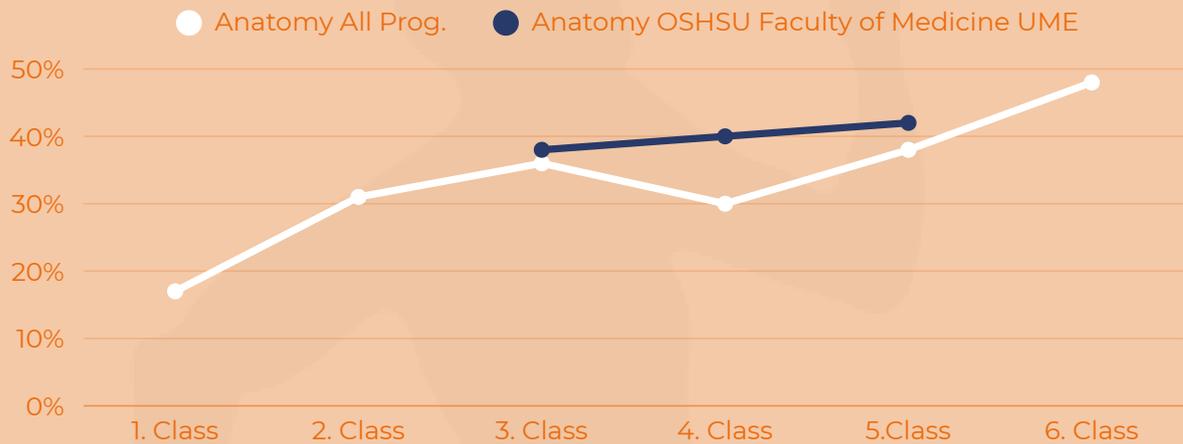

#### Explanation:

The highest and lowest results for each system and the average of all programs were compared with the OSHSU Faculty of Medicine UME results.

## 6.OSHSU FACULTY OF MEDICINE UME DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

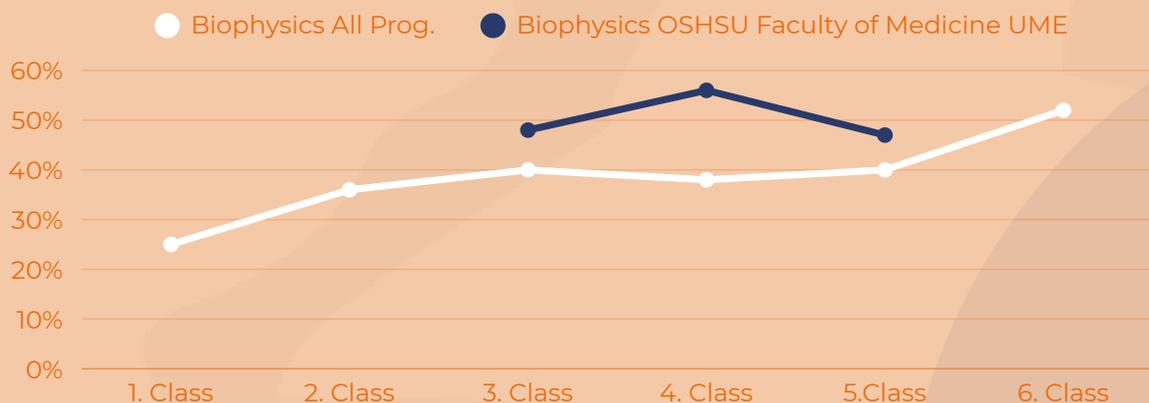

### 6.1. Department of Anatomy

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Anatomy is 38% in the 3rd year, 40% in the 4th year and 42% in the 5th year.

### 6.2 Department of Biophysics

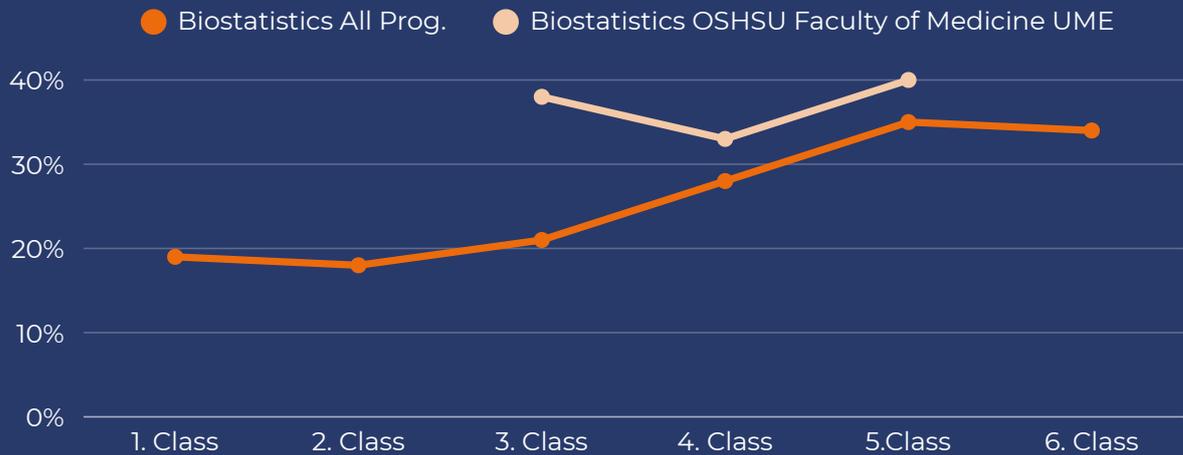

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Biophysics is 48% in the 3rd year, 56% in the 4th year and 47% in the 5th year.

## 6. OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

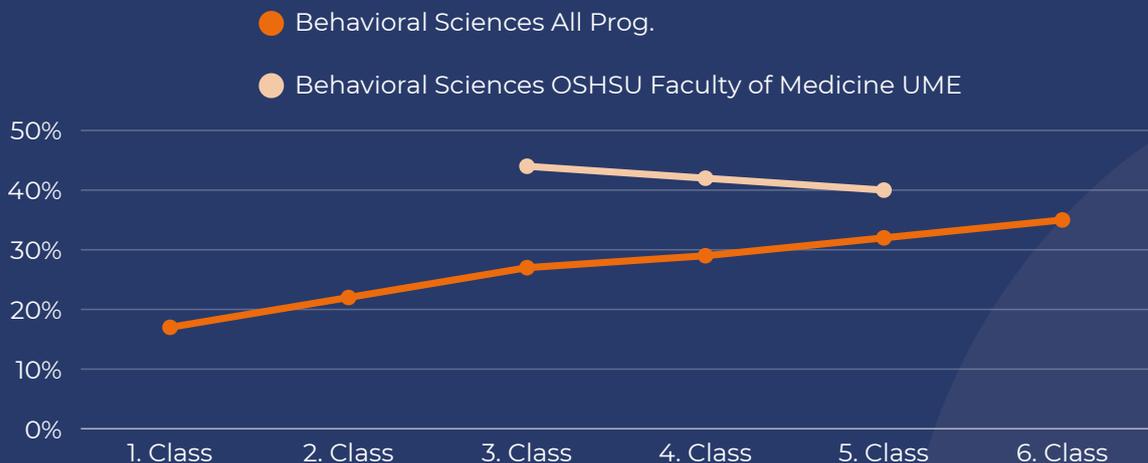

#### 6.3. Department of Biostatistics

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Biostatistics is 38% in the 3rd year, 33% in the 4th year and 40% in the 5th year.

#### 6.4. DEPARTMENT OF BEHAVIORAL SCIENCES

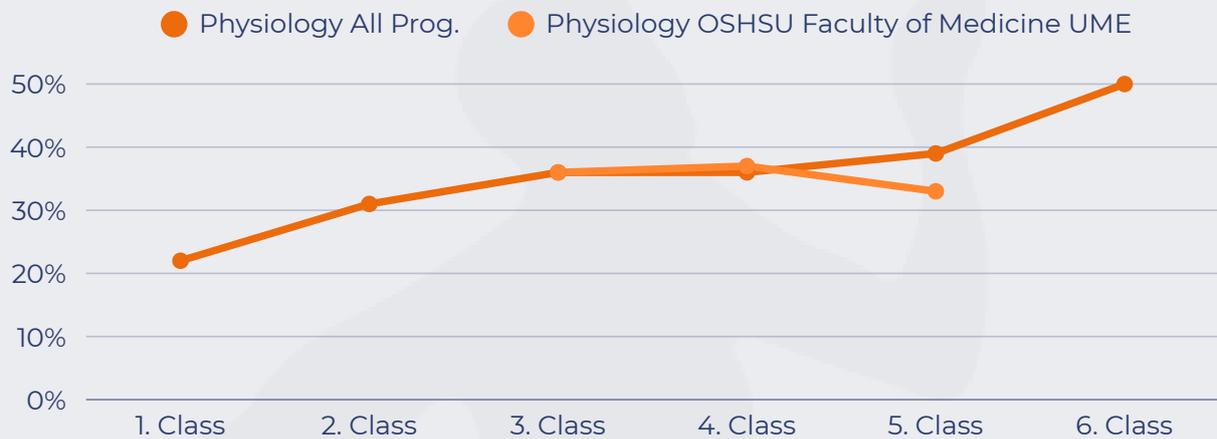

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Behavioral Sciences is 44% in the 3rd year, 42% in the 4th year and 40% in the 5th year.

## 6. OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

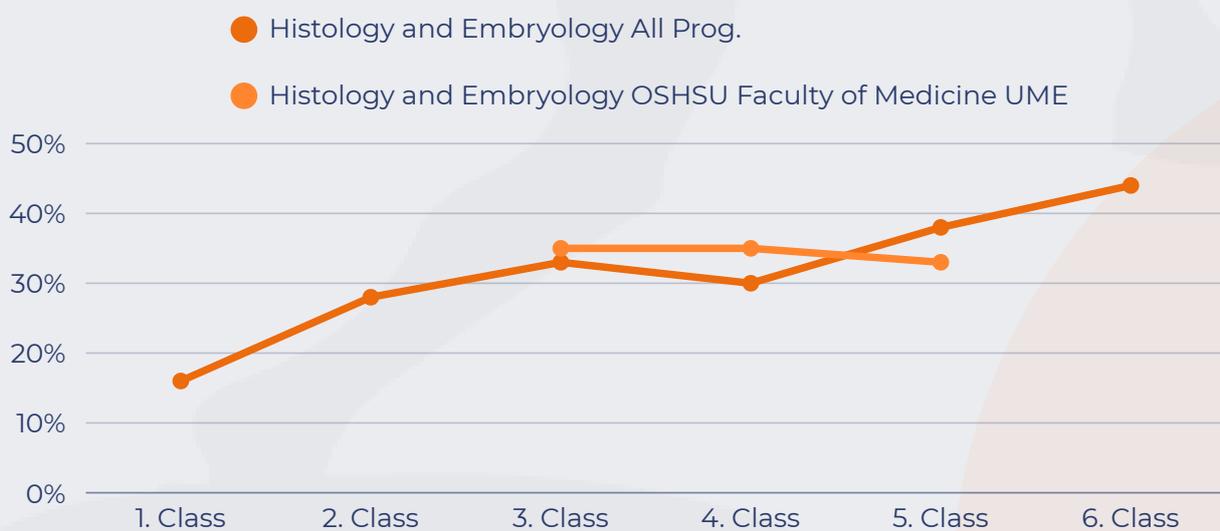

#### 6.5. Department of Physiology

Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Physiology is 36% in the 3rd year, 37% in the 4th year and 33% in the 5th year.

#### 6.6. Department of Histology and Embryology

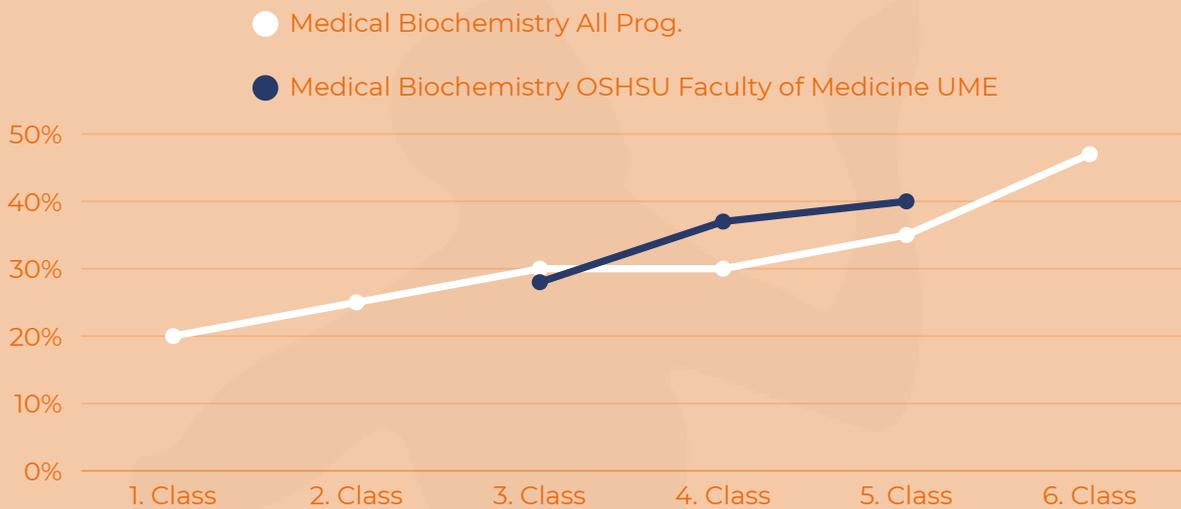

Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Histology and Embryology is 35% in the 3rd year, 35% in the 4th year and 33% in the 5th year.

## 6.OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

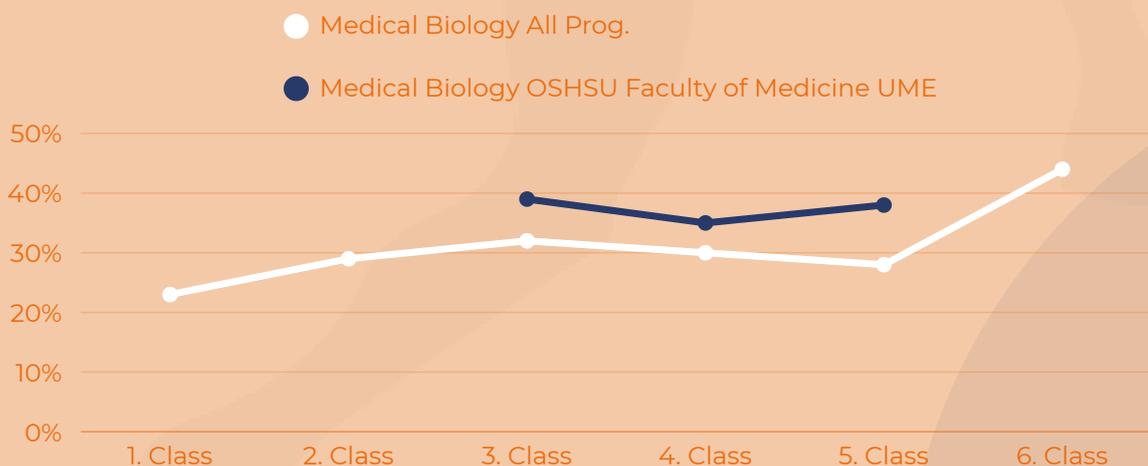

#### 6.7. Department of Medical Biochemistry

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Medical Biochemistry is 28% in the 3rd year, 37% in the 4th year and 40% in the 5th year.

#### 6.8. Department of Medical Biology

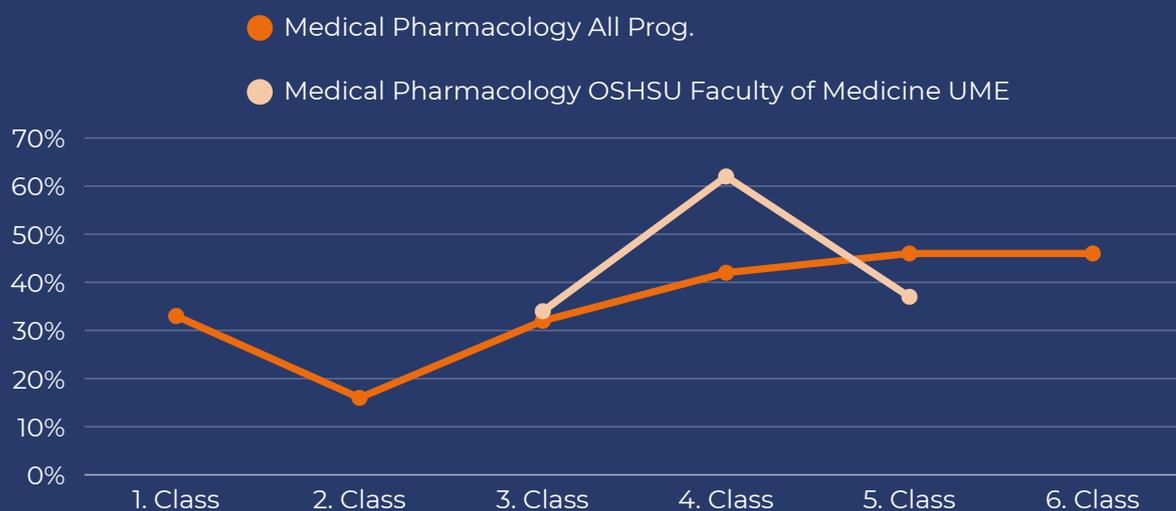

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Medical Biology is 39% in the 3rd year, 35% in the 4th year and 38% in the 5th year.

## 6. OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

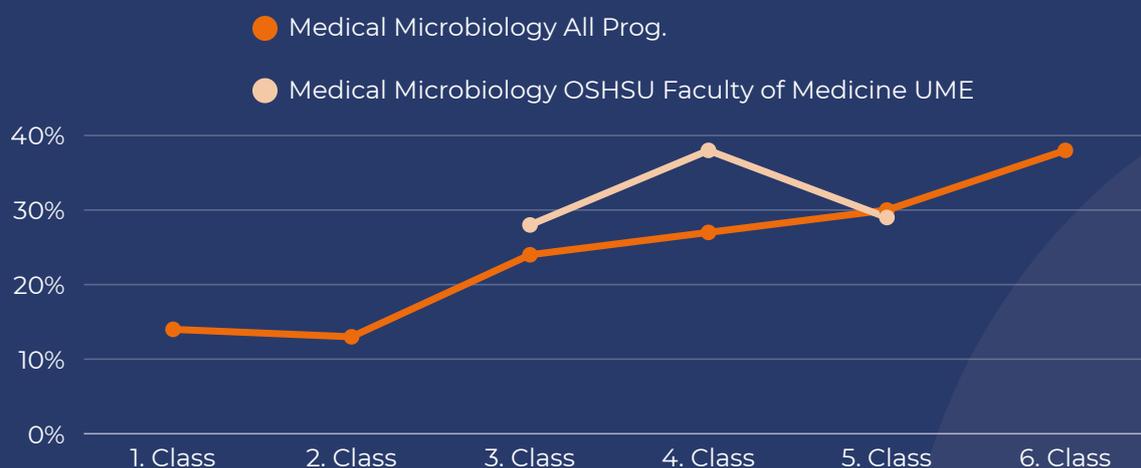

#### 6.9. Department of Medical Pharmacology

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Medical Pharmacology is 34% in the 3rd year, 62% in the 4th year and 37% in the 5th year.

#### 6.10. Department of Medical Microbiology

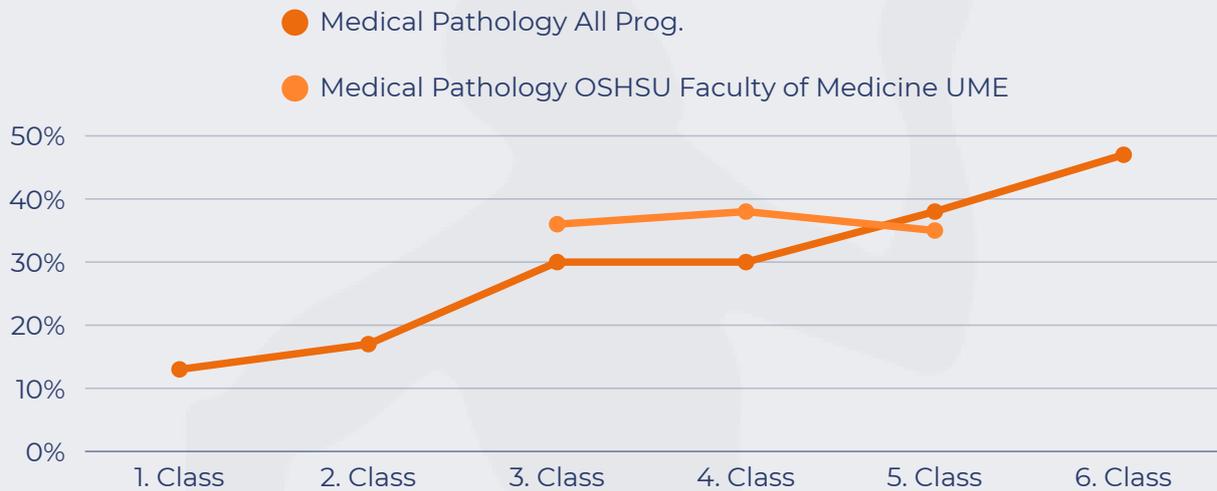

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Medical Microbiology is 28% in the 3rd year, 38% in the 4th year and 29% in the 5th year.

## 6. OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

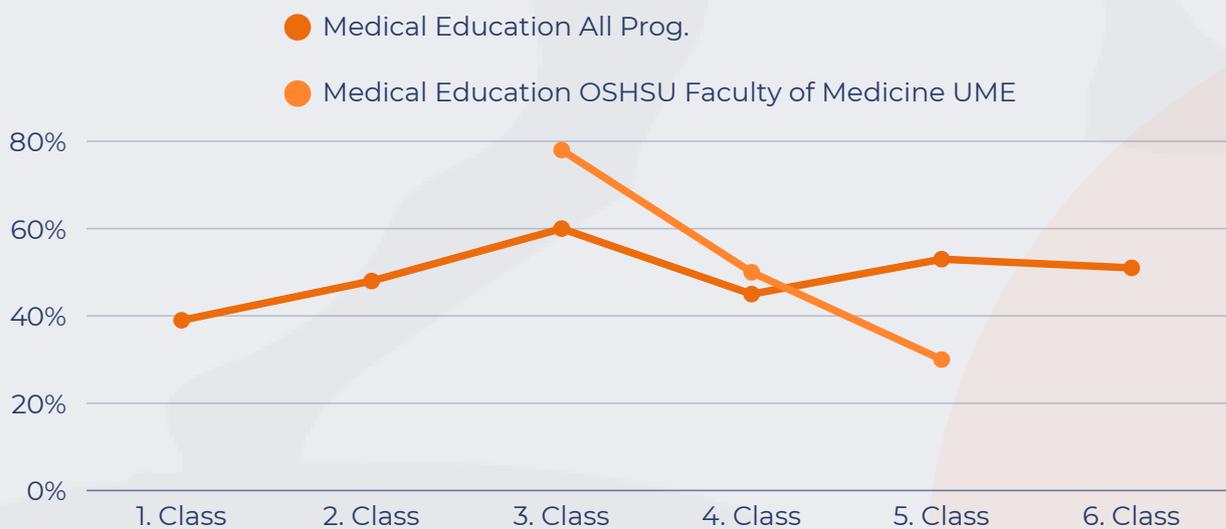

#### 6.11. Department of Medical Pathology

Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Medical Pathology is 36% in the 3rd year, 38% in the 4th year and 35% in the 5th year.

#### 6.12. Department of Medical Education

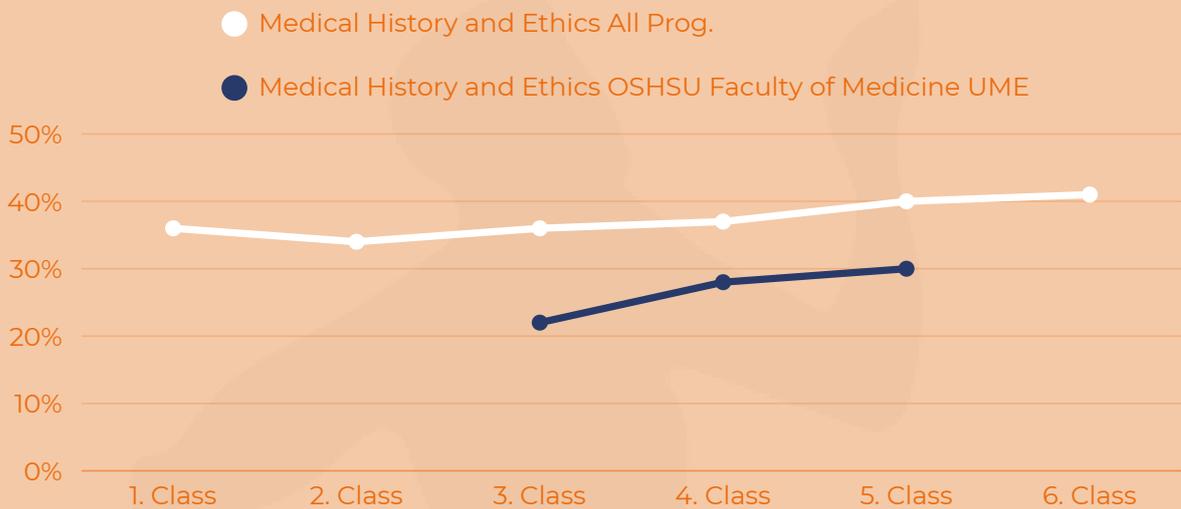

Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Medical Education is 78% in the 3rd year, 50% in the 4th year and 30% in the 5th year.

## 6.OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

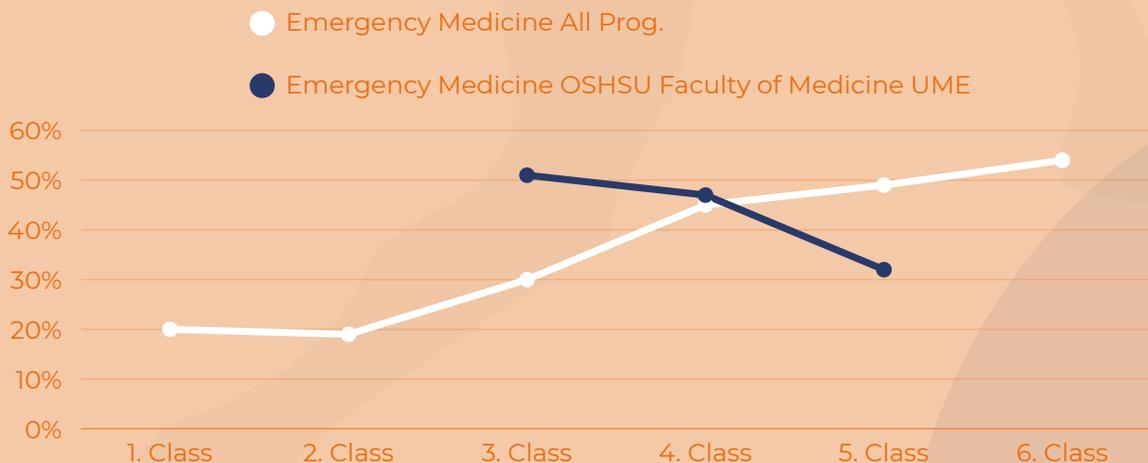

#### 6.13. Department of Medical History and Ethics

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSU's Faculty of Medicine, the average score in the Department of Medical History and Ethics is 22% in the 3rd year, 28% in the 4th year and 30% in the 5th year.

#### 6.14. Department of Emergency Medicine

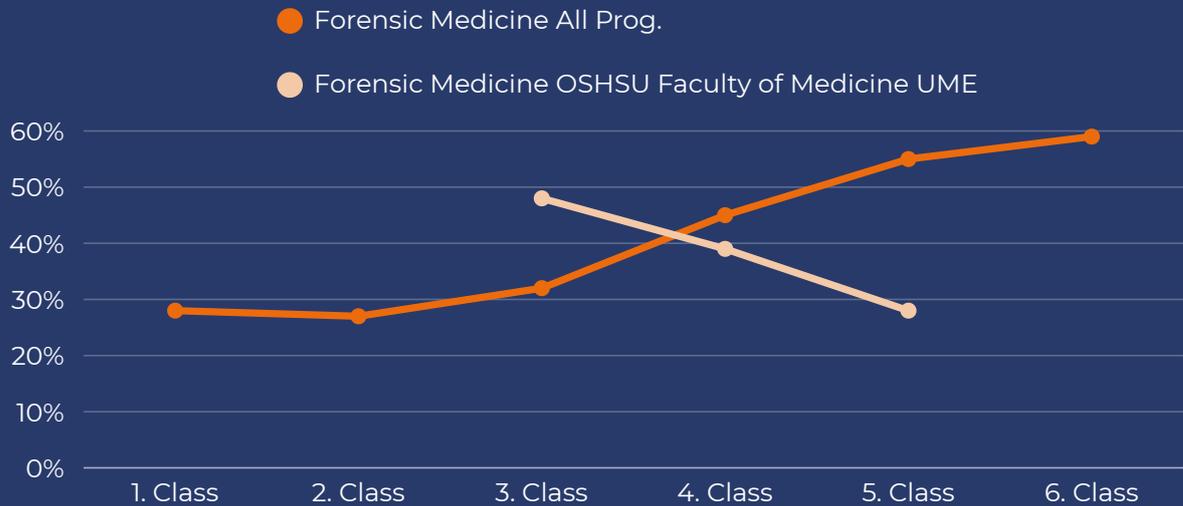

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSU's Faculty of Medicine, the average score in the Department of Emergency Medicine is 51% in the 3rd year, 47% in the 4th year and 32% in the 5th year.

## 6. OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

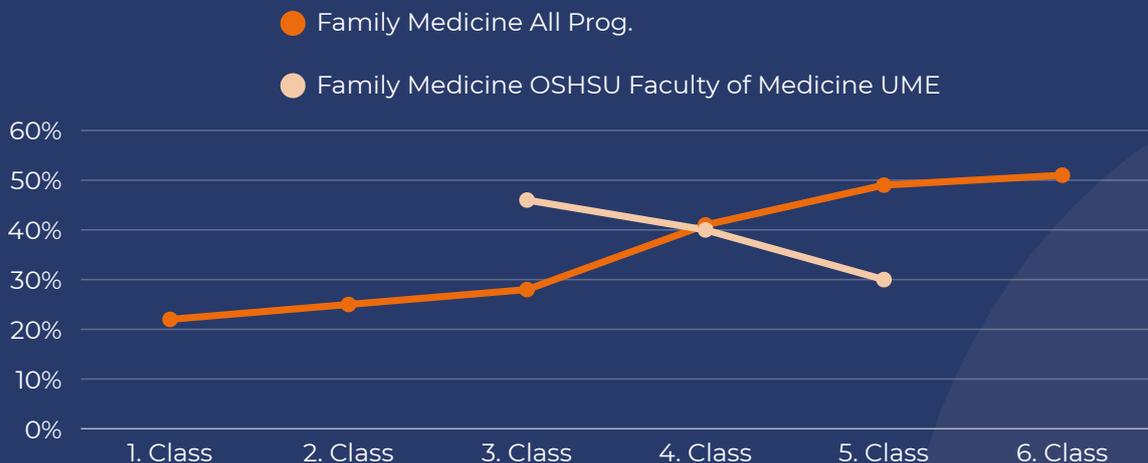

#### 6.15. Department of Forensic Medicine

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Forensic Medicine is 48% in the 3rd year, 39% in the 4th year and 28% in the 5th year.

#### 6.16. Department of Family Medicine

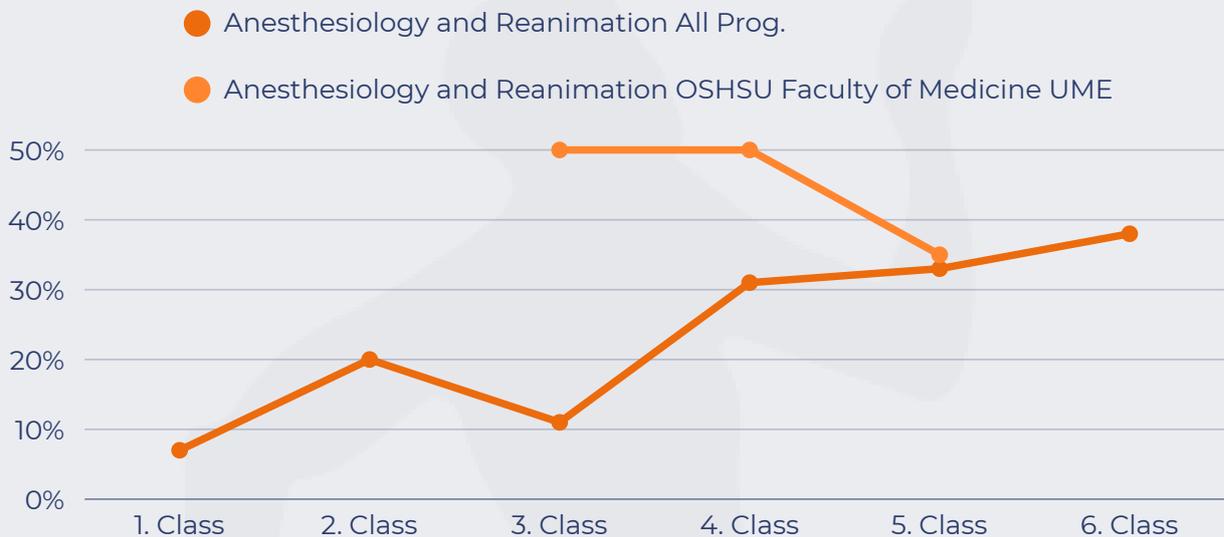

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Family Medicine is 46% in the 3rd year, 40% in the 4th year and 30% in the 5th year.

## 6. OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

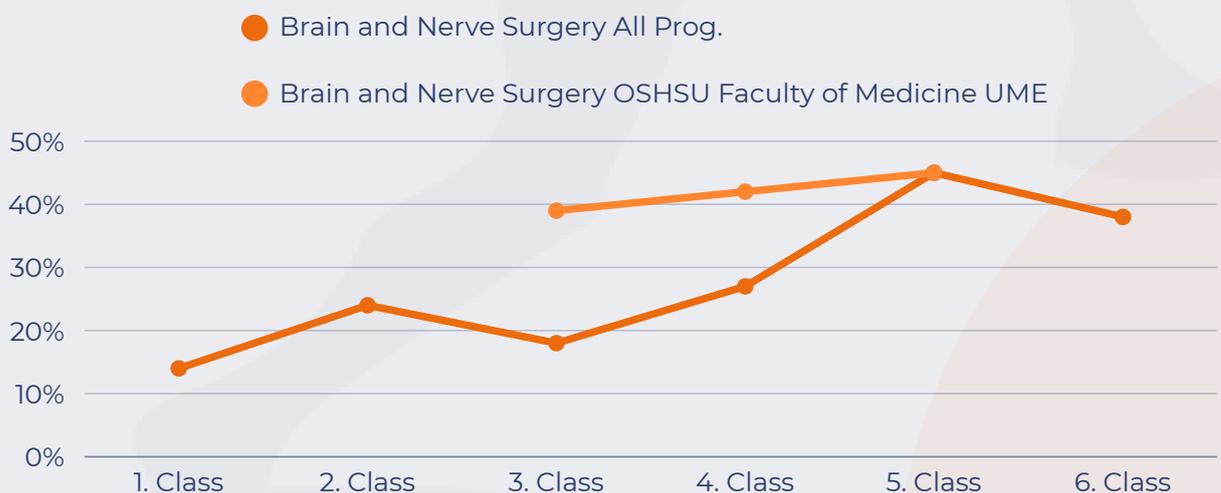

#### 6.17. Department of Anesthesiology and Reanimation

Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Anesthesiology and Reanimation is 50% in the 3rd year, 50% in the 4th year and 35% in the 5th year.

#### 6.18. Department of Brain and Nerve Surgery

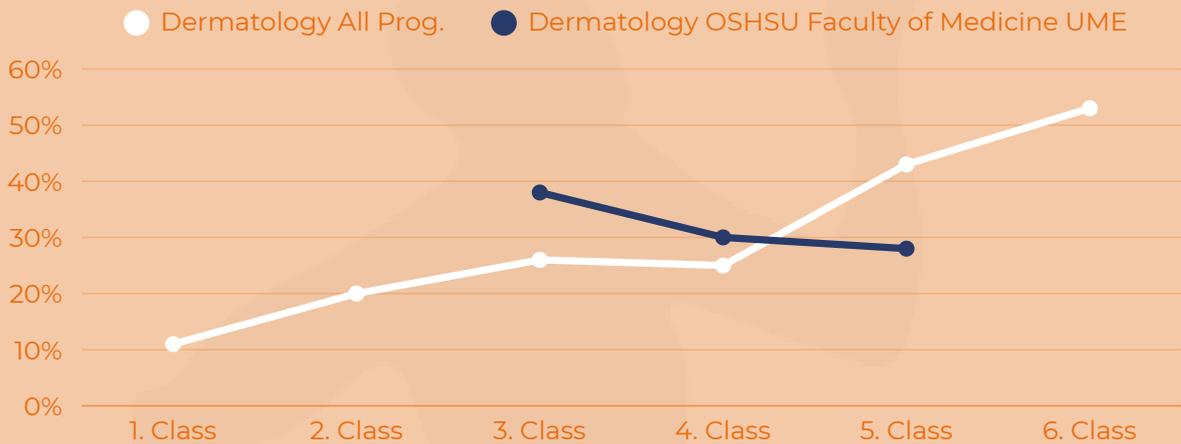

Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Brain and Nerve Surgery is 39% in the 3rd year, 42% in the 4th year and 45% in the 5th year.

## 6.OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

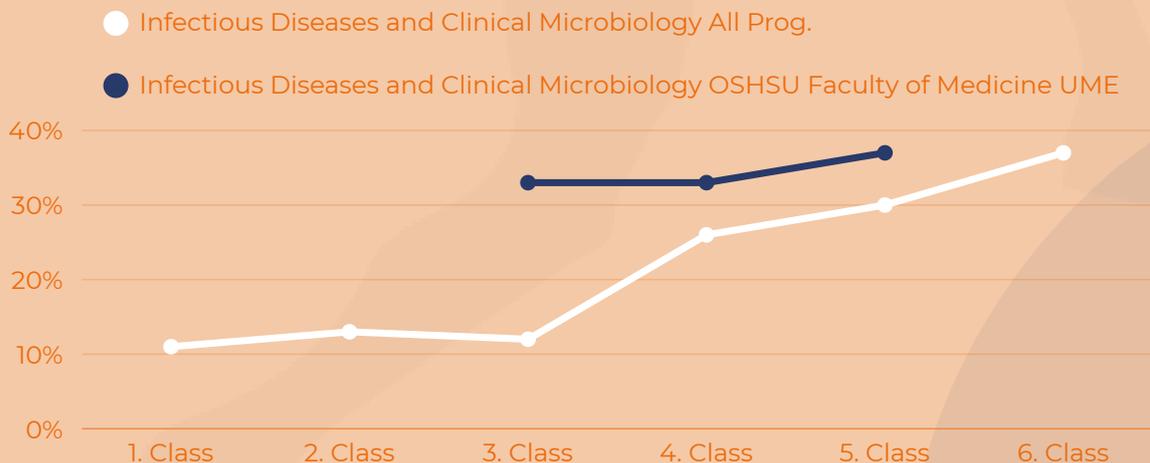

#### 6.19. Department of Dermatology

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Dermatology is 38% in the 3rd year, 30% in the 4th year and 28% in the 5th year.

#### 6.20. Department of Infectious Diseases and Clinical Microbiology

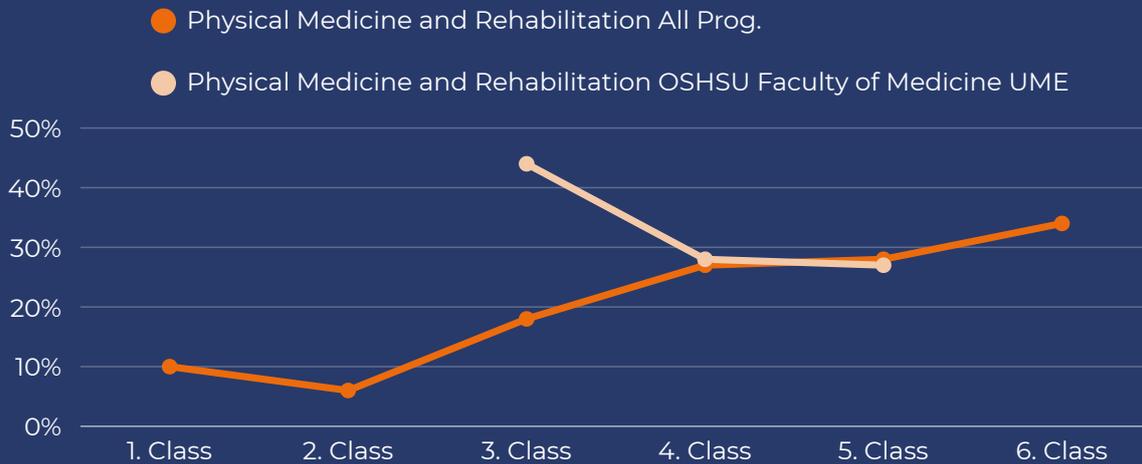

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Infectious Diseases and Clinical Microbiology is 33% in the 3rd year, 33% in the 4th year and 37% in the 5th year.

## 6. OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

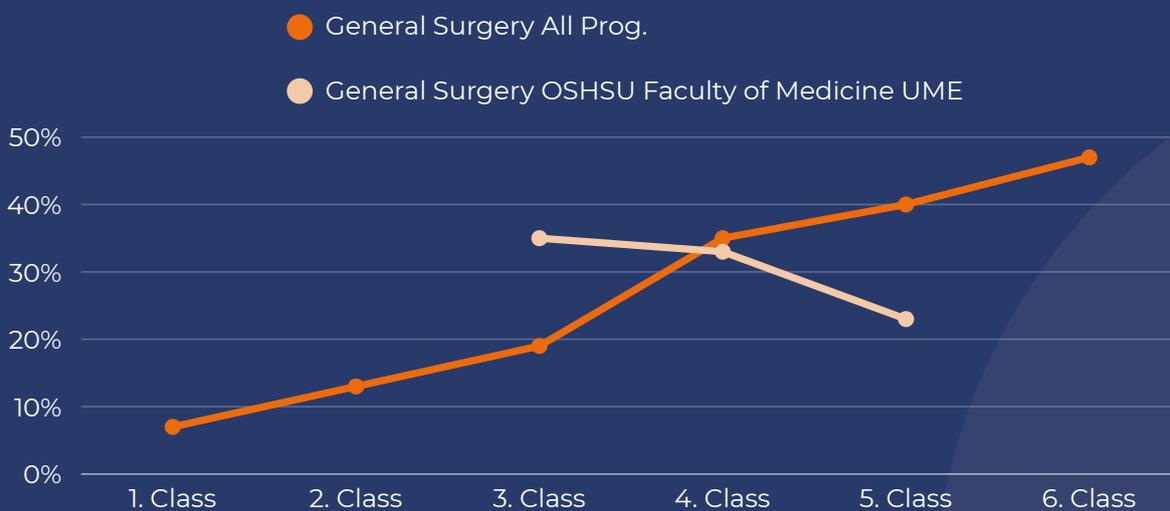

#### 6.21. Department of Physical Medicine and Rehabilitation

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Physical Medicine and Rehabilitation is 44% in the 3rd year, 28% in the 4th year and 27% in the 5th year.

#### 6.22. Department of General Surgery

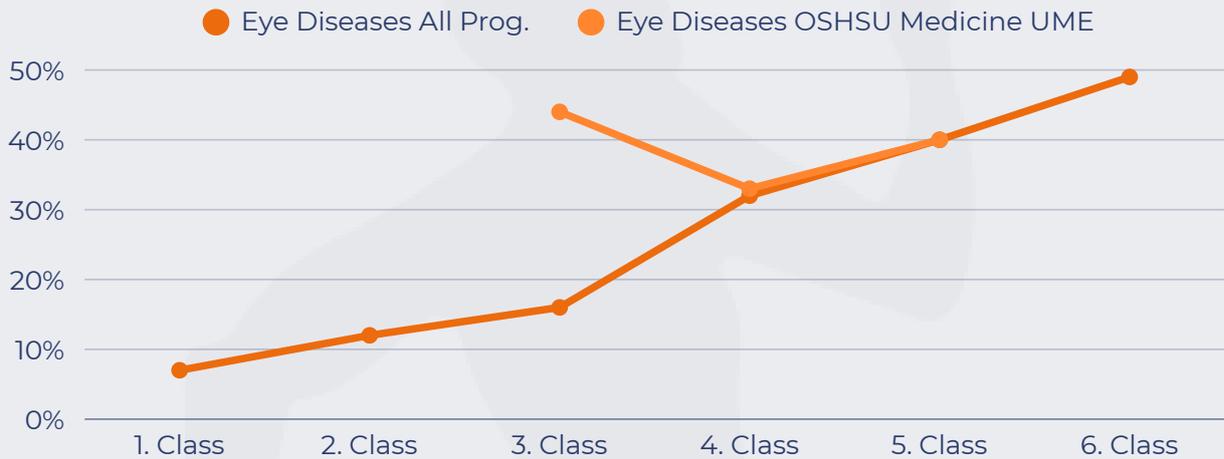

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of General Surgery is 35% in the 3rd year, 33% in the 4th year and 23% in the 5th year.

## 6. OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

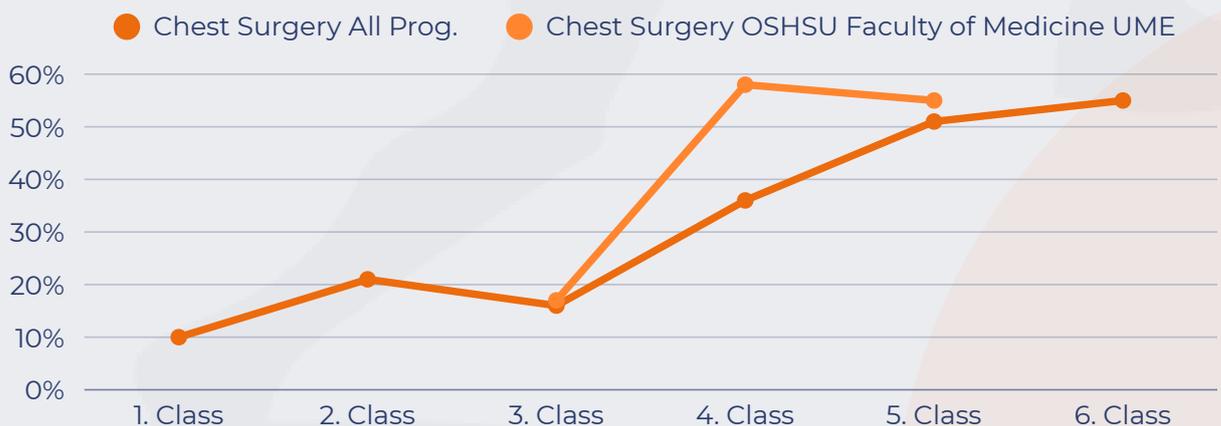

#### 6.23. Department of Eye Diseases

Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Eye Diseases is 44% in the 3rd year, 33% in the 4th year and 40% in the 5th year.

#### 6.24. Department of Chest Surgery

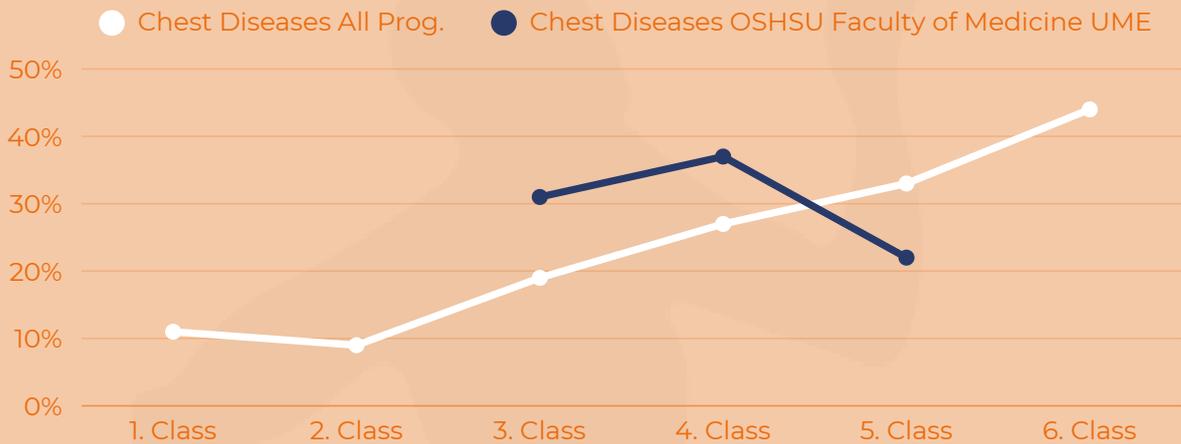

Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Chest Surgery is 17% in the 3rd year, 58% in the 4th year and 55% in the 5th year.

## 6.OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

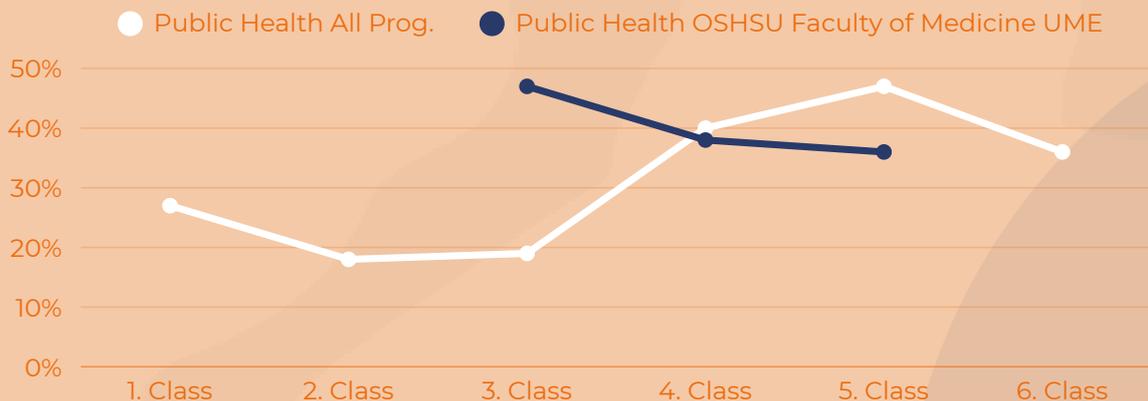

#### 6.25. Department of Chest Diseases

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Chest Diseases is 31% in the 3rd year, 37% in the 4th year and 22% in the 5th year.

#### 6.26. Department of Public Health

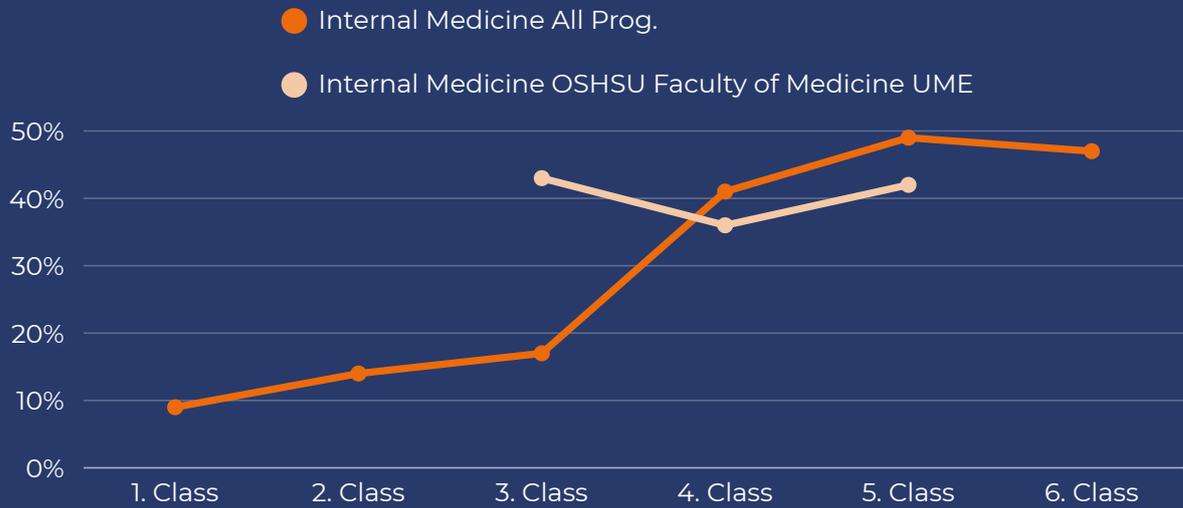

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Public Health is 47% in the 3rd year, 38% in the 4th year and 36% in the 5th year.

## 6. OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

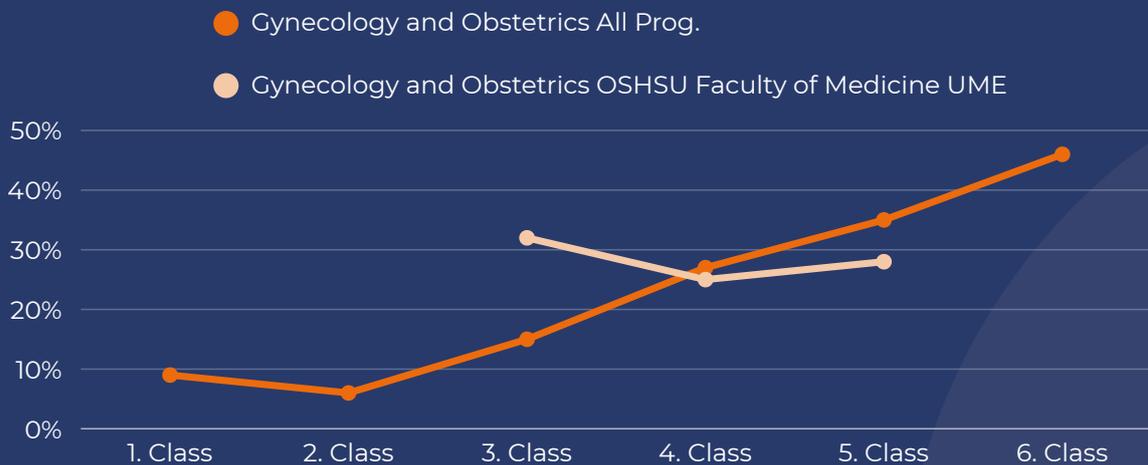

#### 6.27. Department of Internal Medicine

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Internal Medicine is 43% in the 3rd year, 36% in the 4th year and 42% in the 5th year.

#### 6.28. Department of Gynecology and Obstetrics

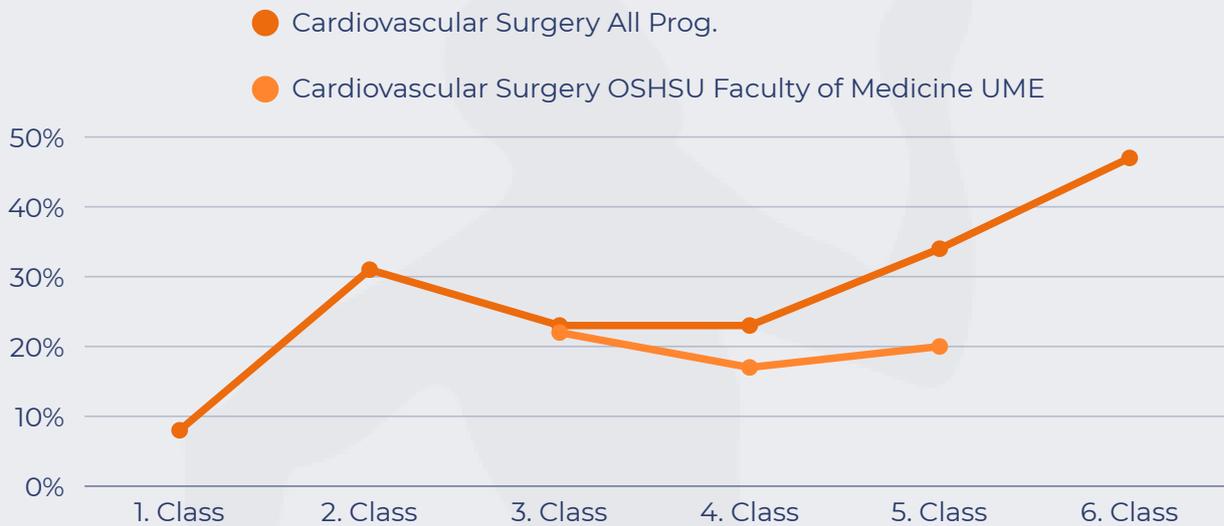

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Gynecology and Obstetrics is 32% in the 3rd year, 25% in the 4th year and 28% in the 5th year.

## 6. OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

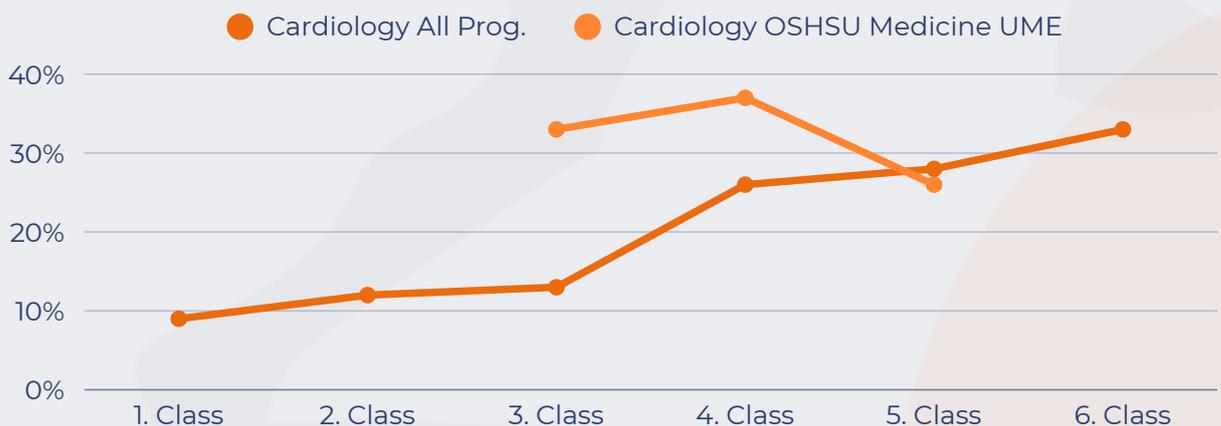

#### 6.29. Department of Cardiovascular Surgery

Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Cardiovascular Surgery is 22% in the 3rd year, 17% in the 4th year and 20% in the 5th year.

#### 6.30. Department of Cardiology

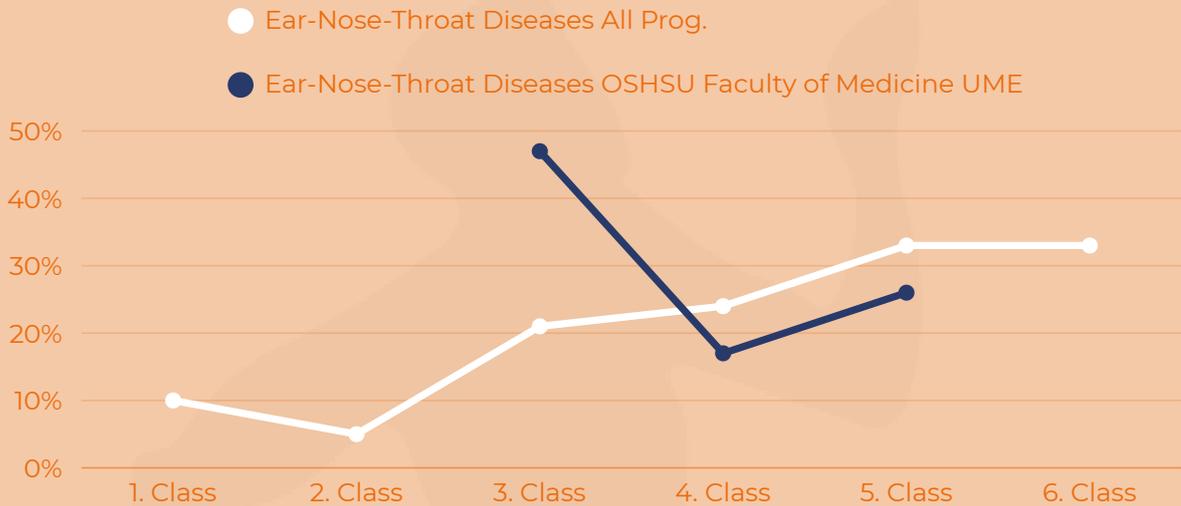

Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Cardiology is 33% in the 3rd year, 37% in the 4th year and 26% in the 5th year.

## 6.OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

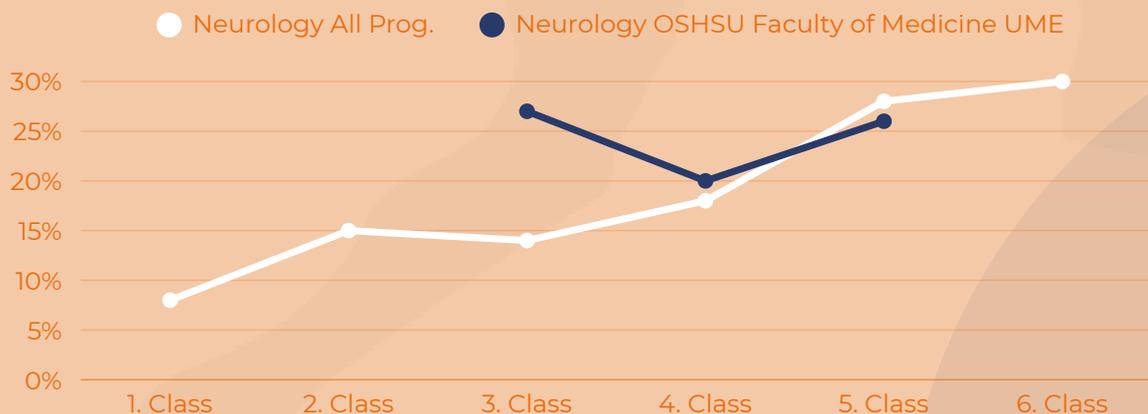

#### 6.31. Ear-Nose-Throat Diseases

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Ear-Nose-Throat Diseases is 47% in the 3rd year, 17% in the 4th year and 26% in the 5th year.

#### 6.32. Department of Neurology

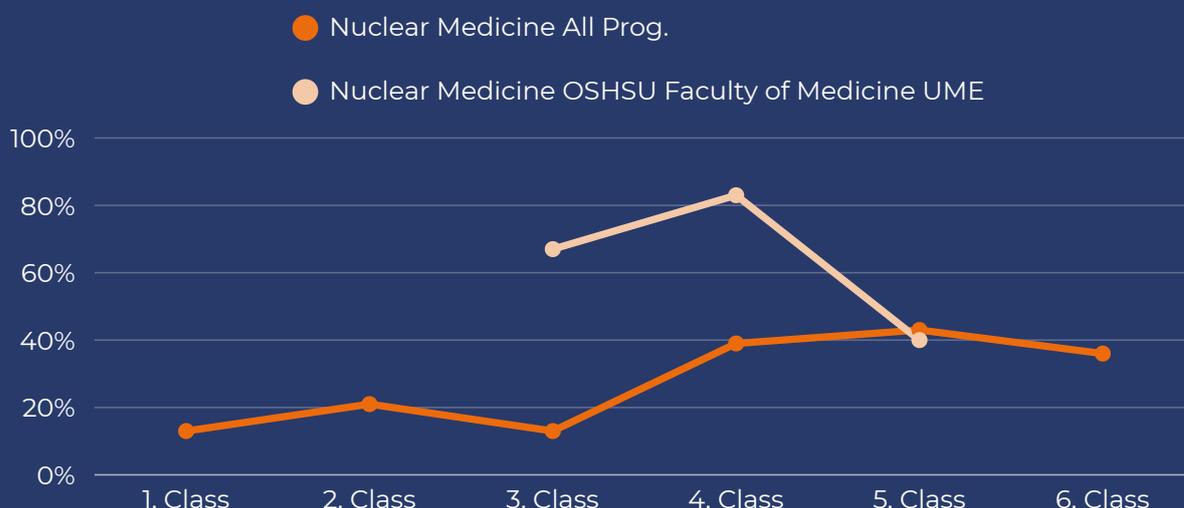

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Neurology is 27% in the 3rd year, 20% in the 4th year and 26% in the 5th year.

## 6. OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

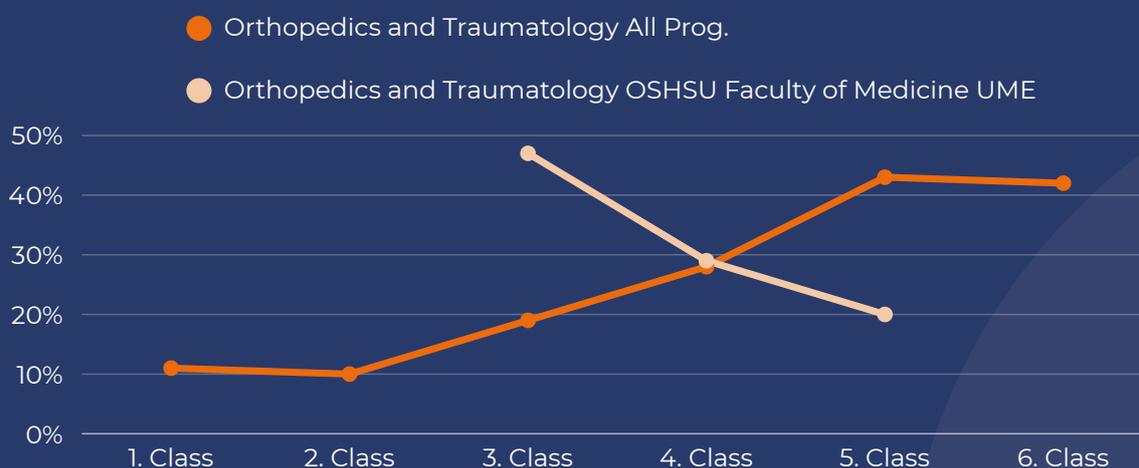

#### 6.33. Department of Nuclear Medicine

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Nuclear Medicine is 67% in the 3rd year, 83% in the 4th year and 40% in the 5th year.

#### 6.34. Department of Orthopedics and Traumatology

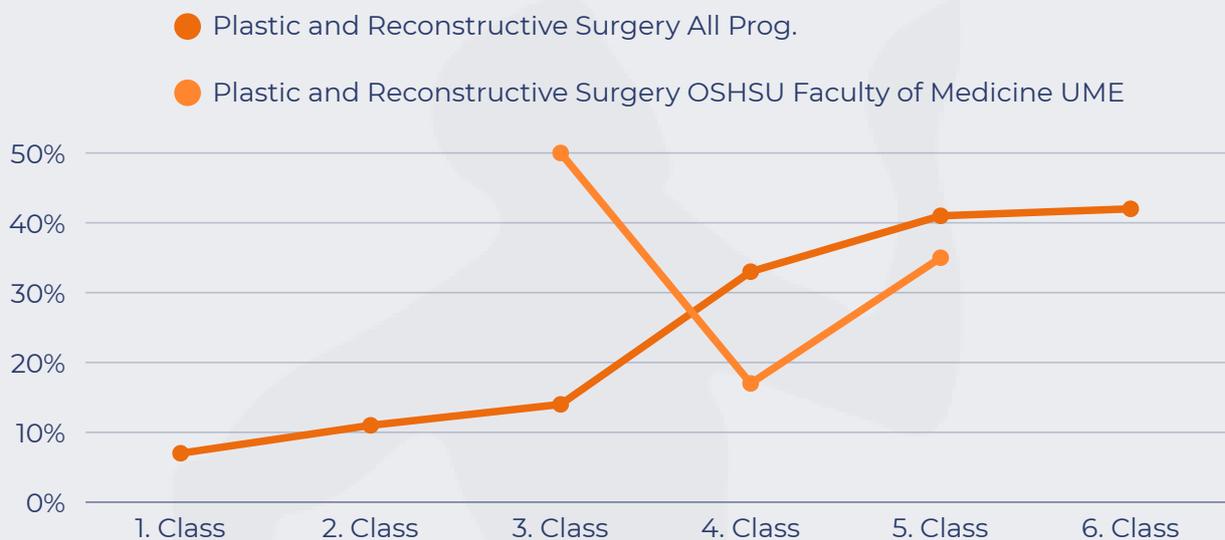

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Orthopedics and Traumatology is 47% in the 3rd year, 29% in the 4th year and 20% in the 5th year.

## 6. OHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

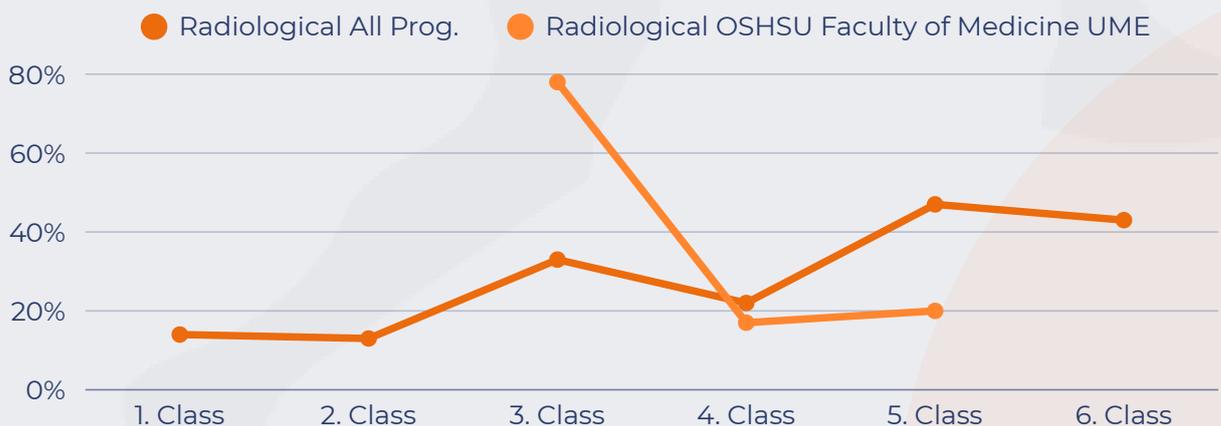

#### 6.35. Department of Plastic and Reconstructive Surgery

Explanation:

At the Undergraduate Medical Education (UME) program of OHSU's Faculty of Medicine, the average score in the Department of Plastic and Reconstructive Surgery is 50% in the 3rd year, 17% in the 4th year and 35% in the 5th year.

#### 6.36. Department of Radiological

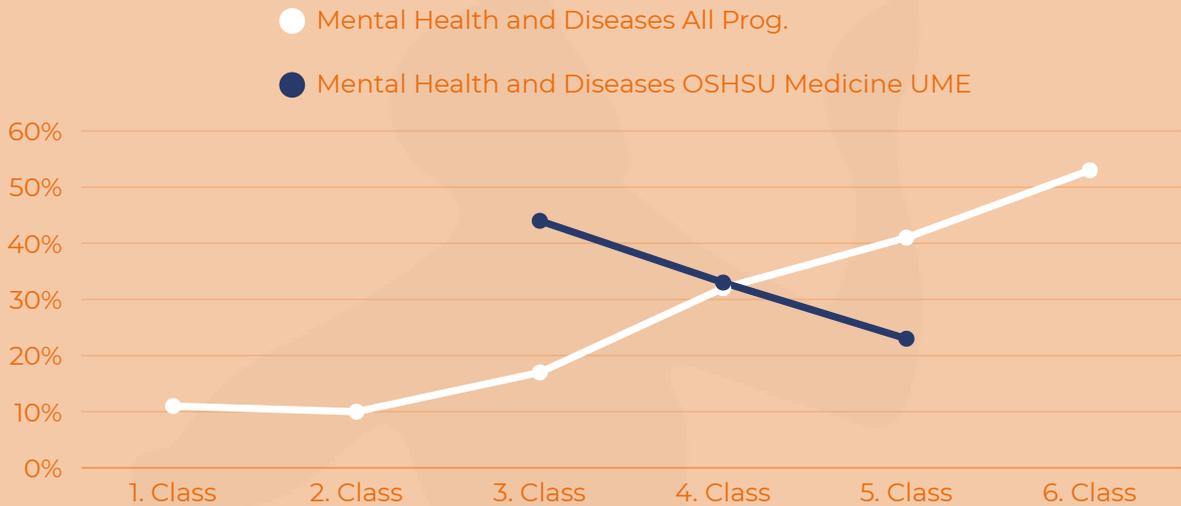

Explanation:

At the Undergraduate Medical Education (UME) program of OHSU's Faculty of Medicine, the average score in the Department of Radiological is 78% in the 3rd year, 33% in the 4th year and 23% in the 5th year.

## 6.OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

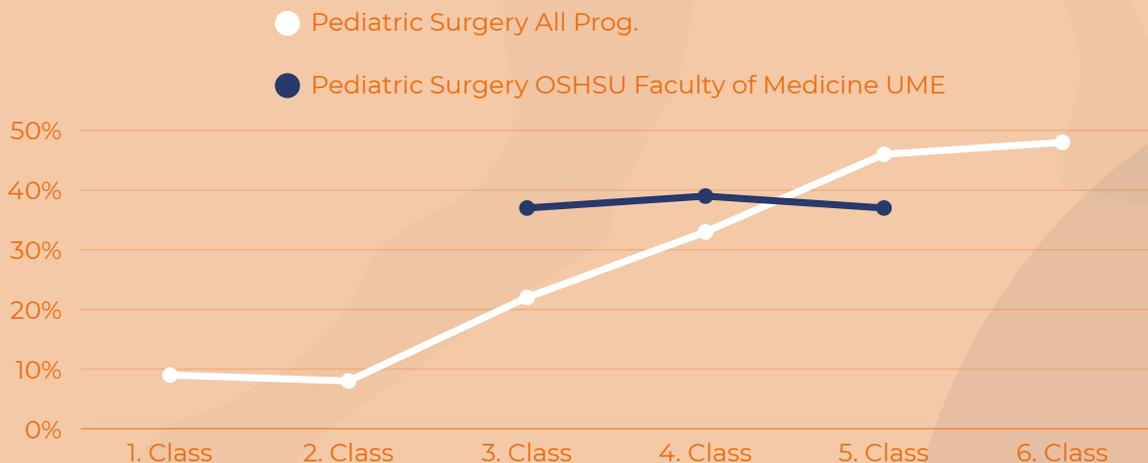

#### 6.37. Mental Health and Diseases

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Mental Health and Diseases is 44% in the 3rd year, 33% in the 4th year and 23% in the 5th year.

#### 6.38. Department of Pediatric Surgery

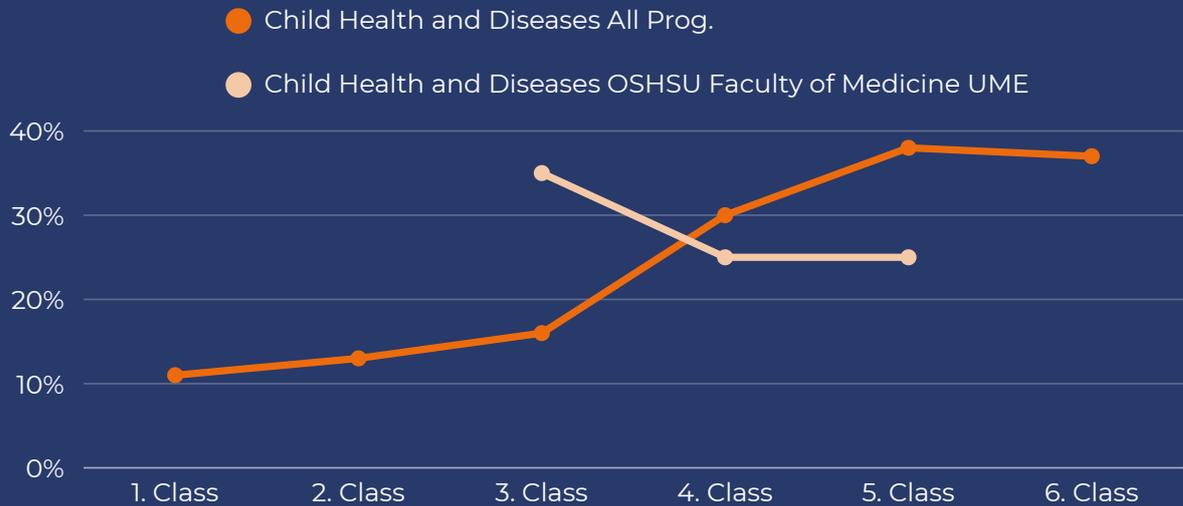

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Pediatric Surgery is 37% in the 3rd year, 39% in the 4th year and 37% in the 5th year.

## 6. OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

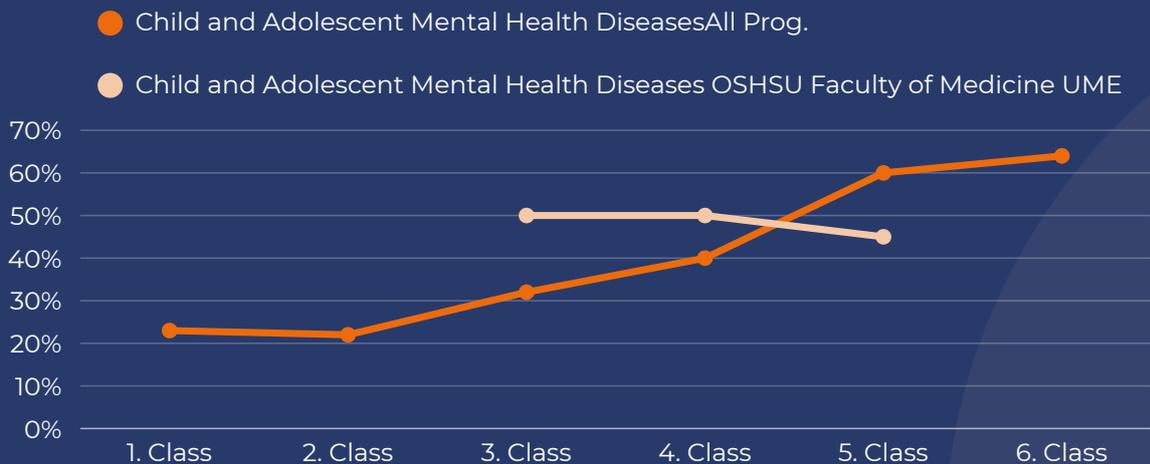

#### 6.39. Department of Child Health and Diseases

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Child Health and Diseases is 35% in the 3rd year, 25% in the 4th year and 25% in the 5th year.

#### 6.40. Department of Child and Adolescent Mental Health Diseases

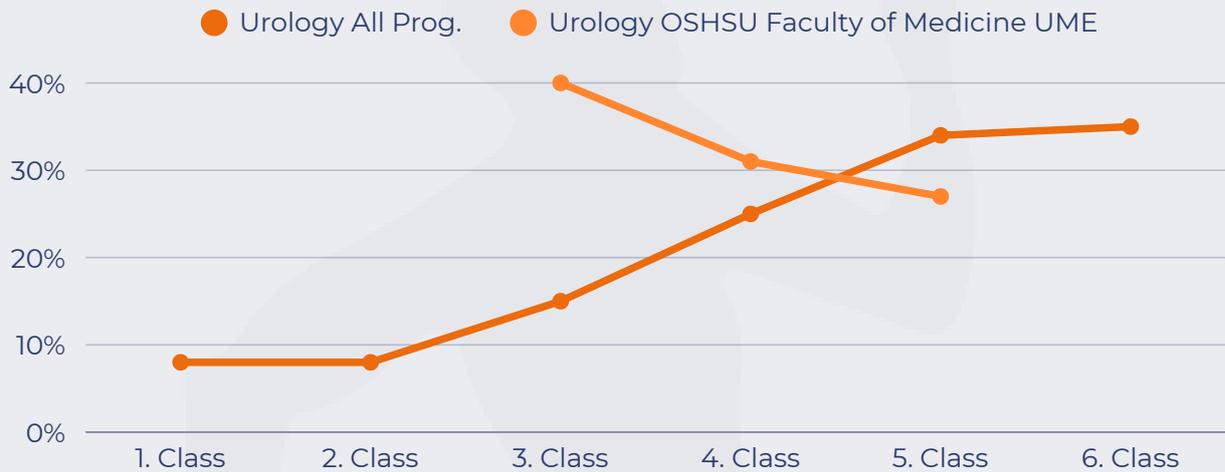

#### Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Child and Adolescent Mental Health Diseases is 50% in the 3rd year, 50% in the 4th year and 45% in the 5th year.

## 6. OSHSU FACULTY OF MEDICINE UME

### DEVELOPMENT REPORTS PERIODS BASED ON DEPARTMENT

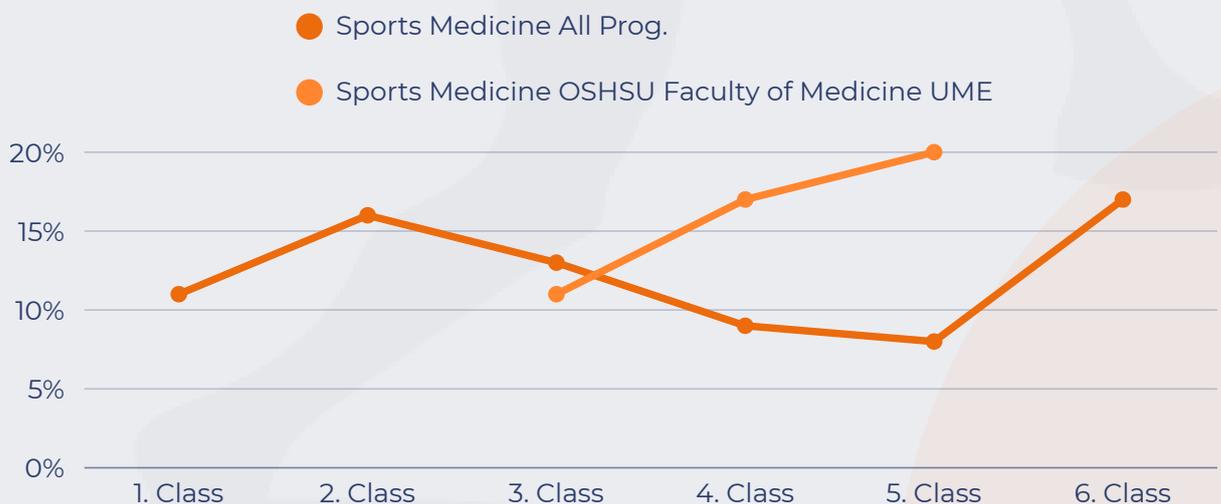

#### 6.41. Department of Urology

Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Urology is 40% in the 3rd year, 31% in the 4th year and 27% in the 5th year.

#### 6.42. Department of Sports Medicine

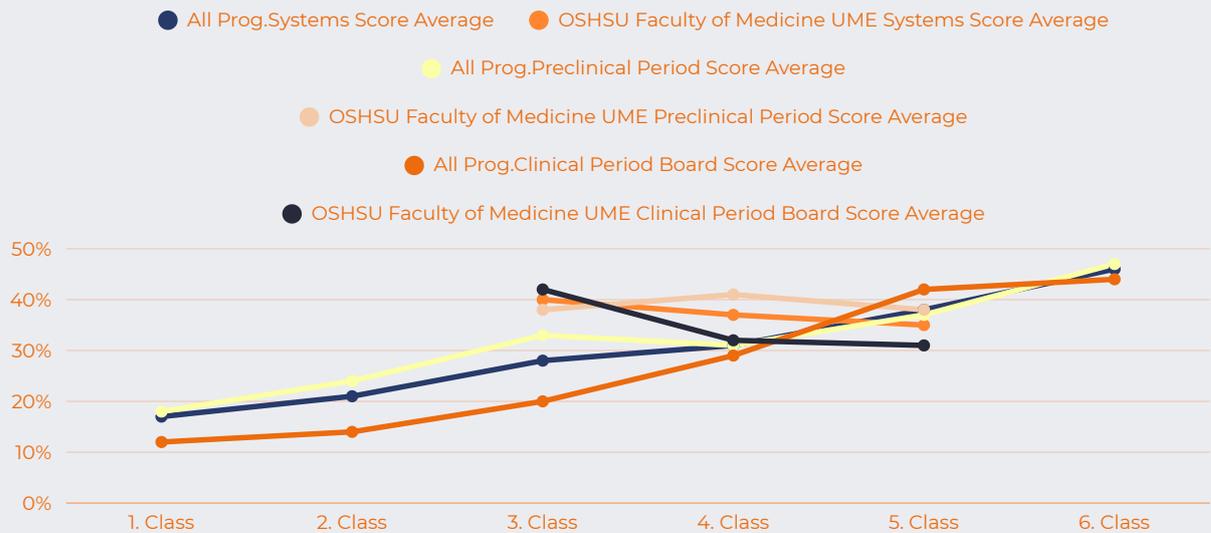

Explanation:

At the Undergraduate Medical Education (UME) program of OSHSU's Faculty of Medicine, the average score in the Department of Sports Medicine is 11% in the 3rd year, 17% in the 4th year and 20% in the 5th year.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.1. Systems Score Average

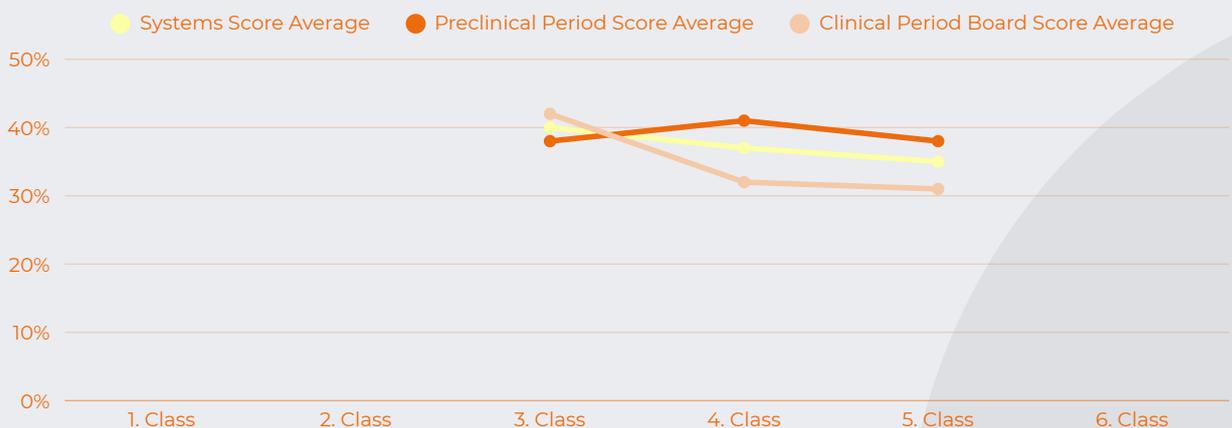

### 7.1.1. OSHSU Faculty of Medicine UME vs All Programs

#### Explanation:

In this graph, ALL organ systems average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

### 7.1.2. OSHSU Faculty of Medicine UME Program Class Curves

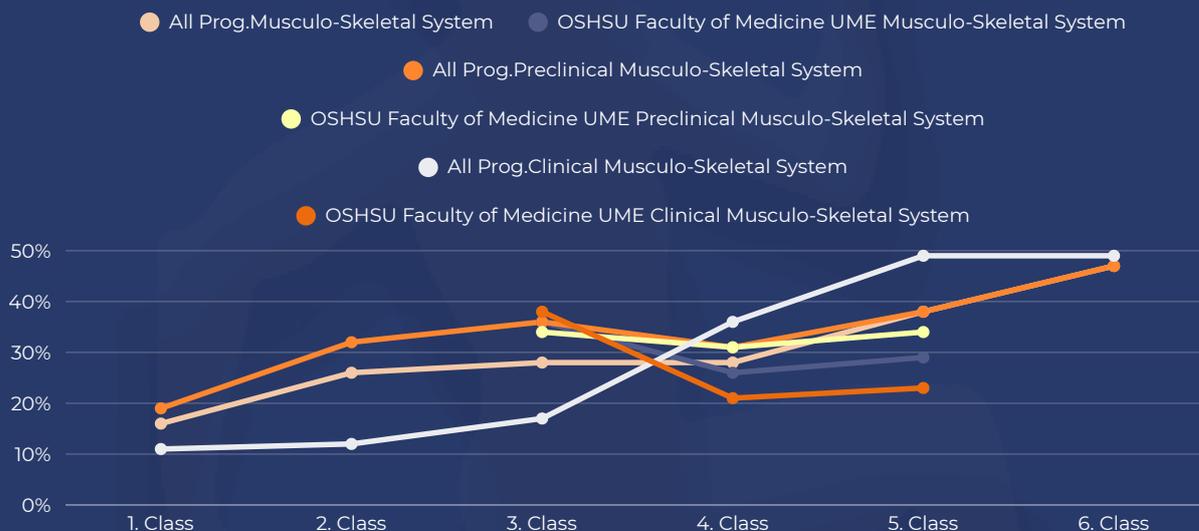

#### Explanation:

This graph compares the performance of students at different class levels on basic and clinical science questions related to the ALL system, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.2. Musculo-Skeletal System

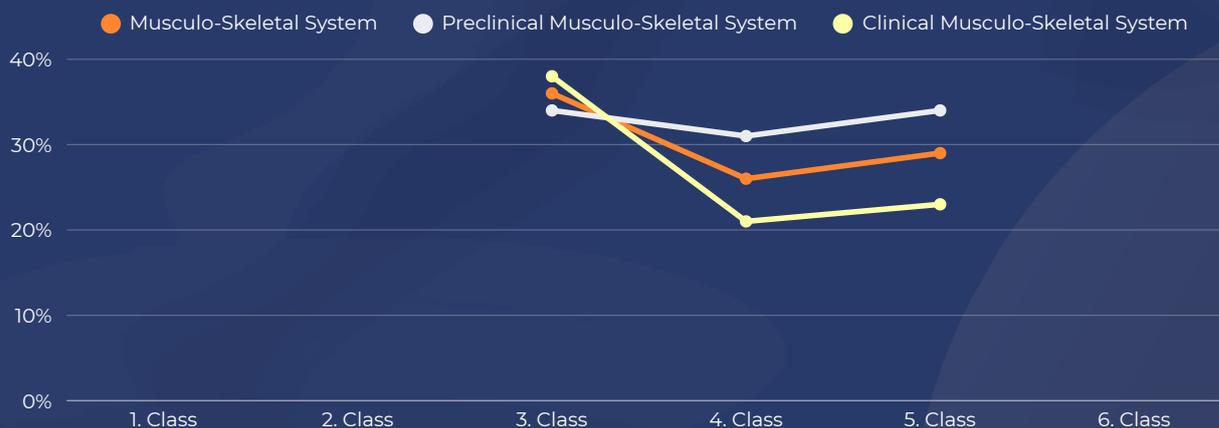

### 7.2.1. OSHSU Faculty of Medicine UME vs All Programs

### Explanation

In this graph, Musculo-Skeletal organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

### 7.2.2. OSHSU Faculty of Medicine UME Program Class Curves

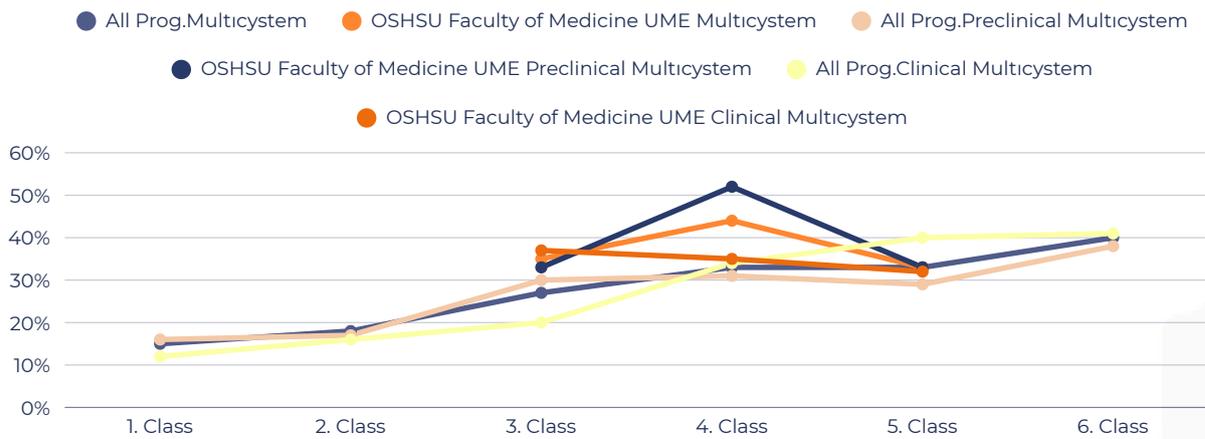

### Explanation:

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Musculo-Skeletal system, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.3. Multicystem

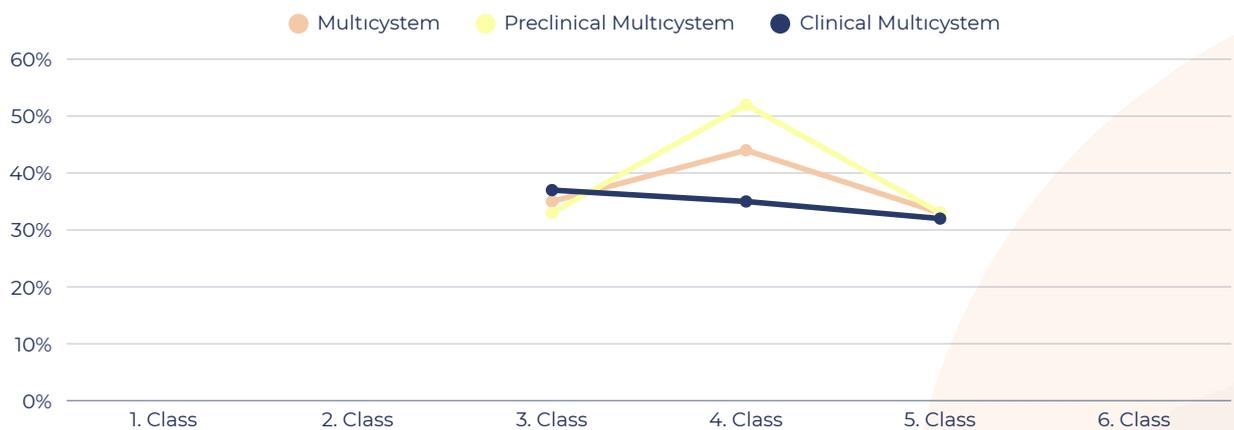

### 7.3.1. OSHSU Faculty of Medicine UME vs All Programs

#### Explanation:

In this graph, Multicystem average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

### 7.3.2. OSHSU Faculty of Medicine UME Program Class Curves

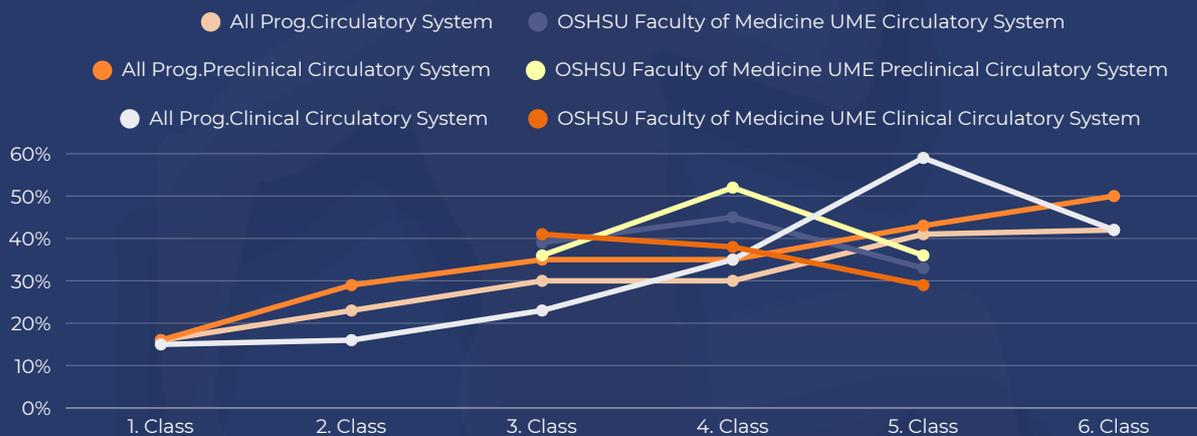

#### Explanation:

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Multicystem, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.4. Circulatory System

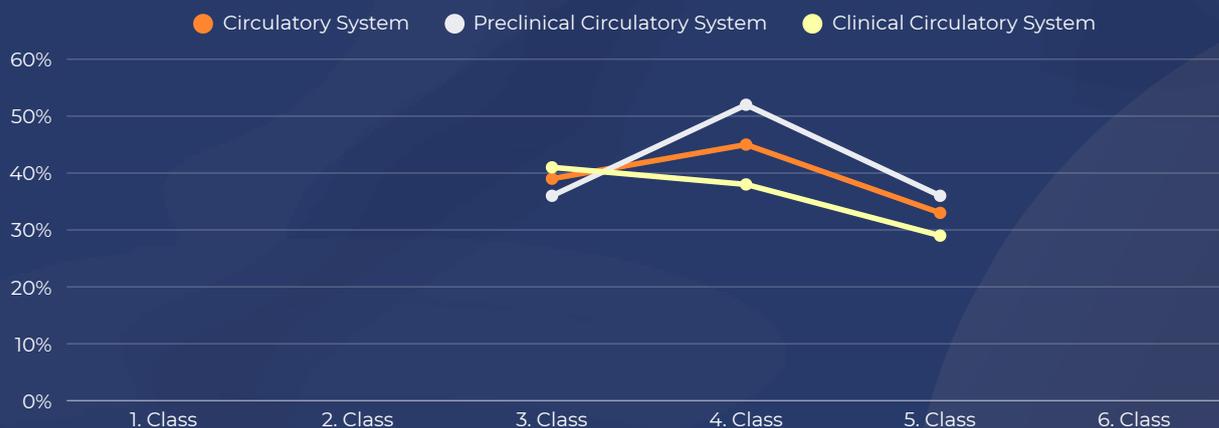

### 7.4.1. OSHSU Faculty of Medicine UME vs All Programs

#### Explanation

In this graph, Circulatory organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

### 7.4.2. OSHSU Faculty of Medicine UME Program Class Curves

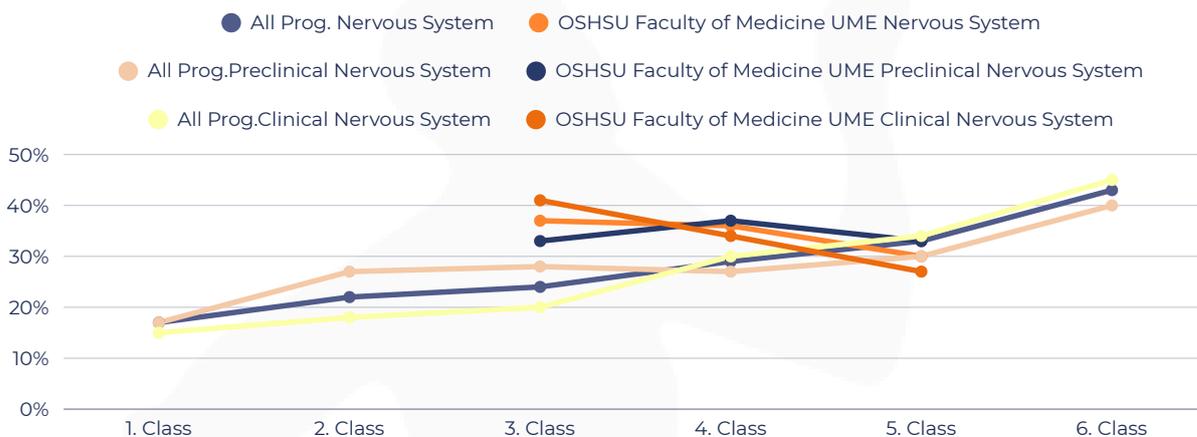

#### Explanation:

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Circulatory system, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.5. Nervous System

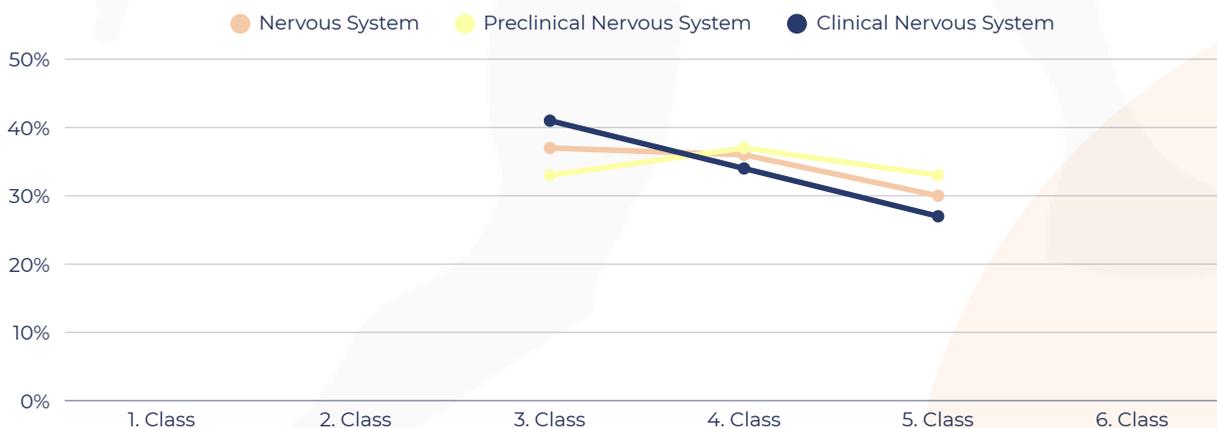

7.5.1. OSHSU Faculty of Medicine UME vs All Programs

### Explanation:

In this graph, Nervous organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

7.5.2. OSHSU Faculty of Medicine UME Program Class Curve

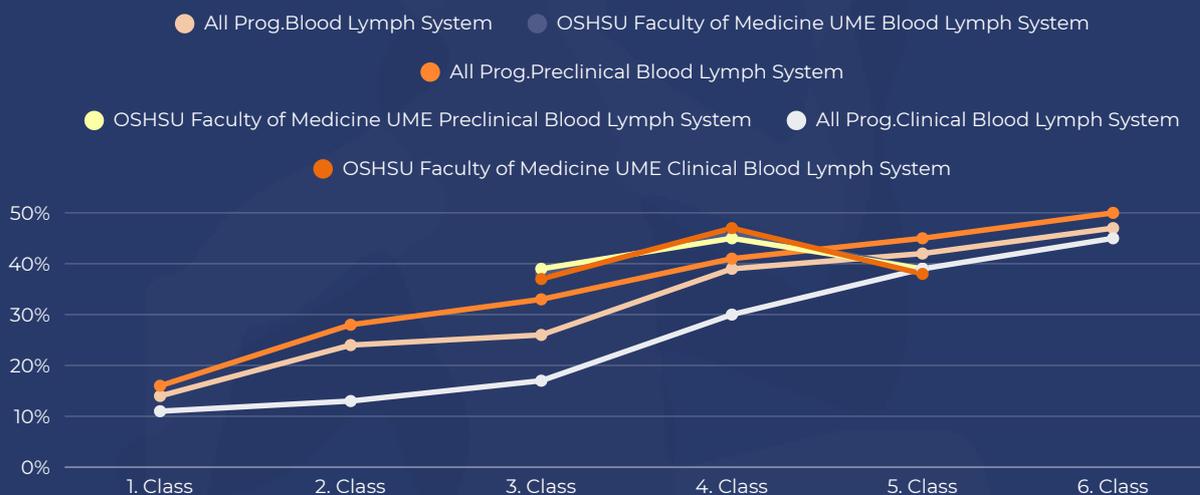

### Explanation:

This graph compares the performance of students at different class levels on basic and clinical science questions related to thy Nervous system, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.6. Blood Lymph System

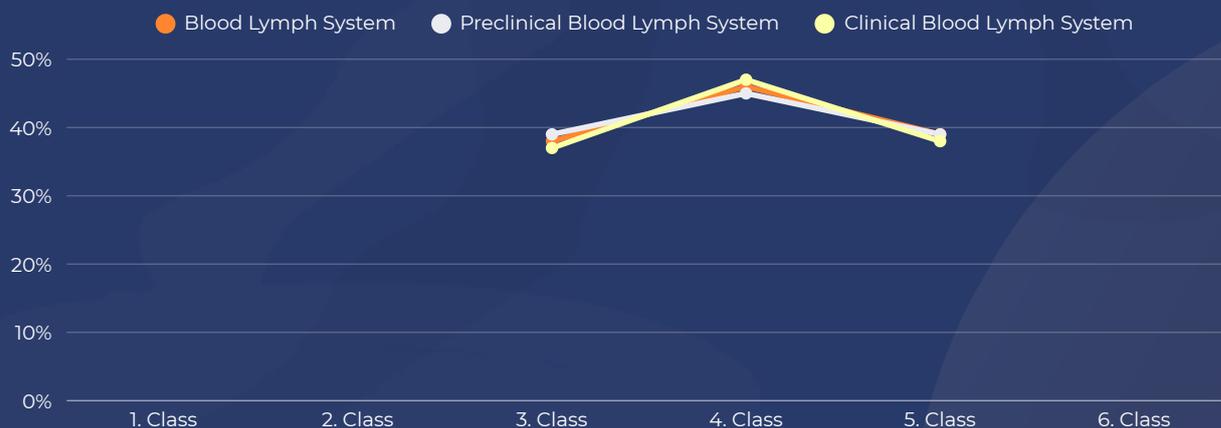

7.6.1. OSHSU Faculty of Medicine UME vs All Program

### Explanation

In this graph, Blood Lymph organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

7.6.2. OSHSU Faculty of Medicine UME Program Class Curves

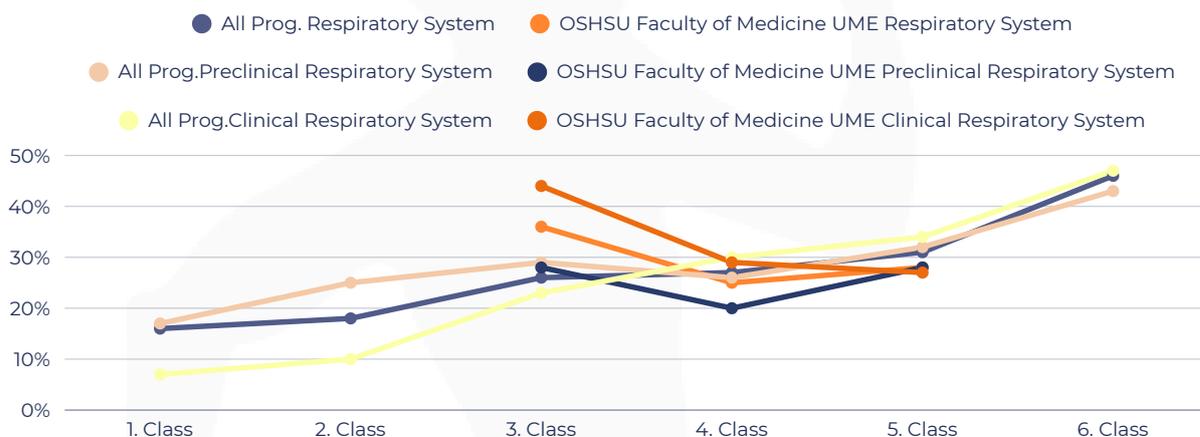

### Explanation

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Blood Lymph system, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.7. Respiratory System

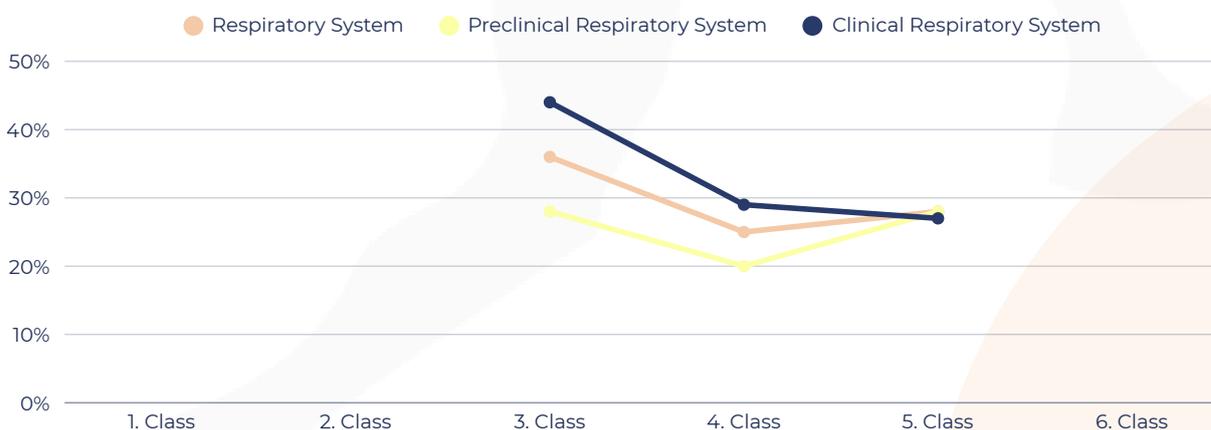

### 7.7.1. OSHSU Faculty of Medicine UME vs All Program

#### Explanation:

In this graph, Respiratory organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

### 7.7.2. OSHSU Faculty of Medicine UME Program Class Curves

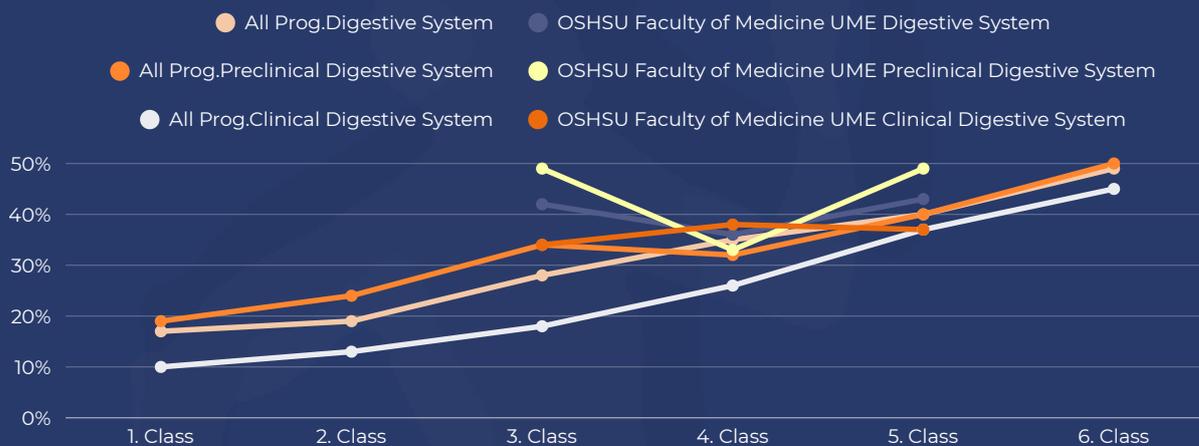

#### Explanation:

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Respiratory system, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.8. Digestive System

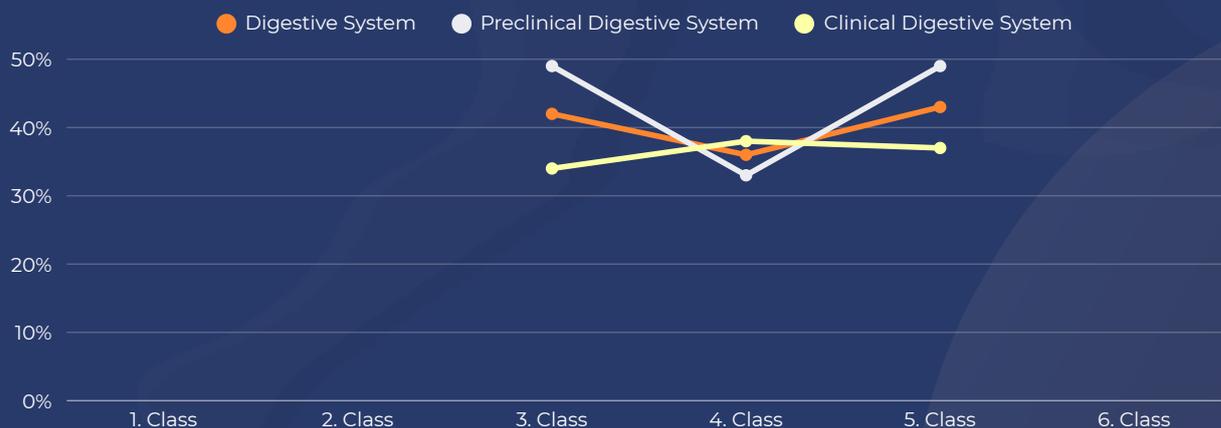

7.8.1. OSHSU Faculty of Medicine UME vs All Program

### Explanation

In this graph, Digestive organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

7.8.2. OSHSU Faculty of Medicine UME Program Class Curves

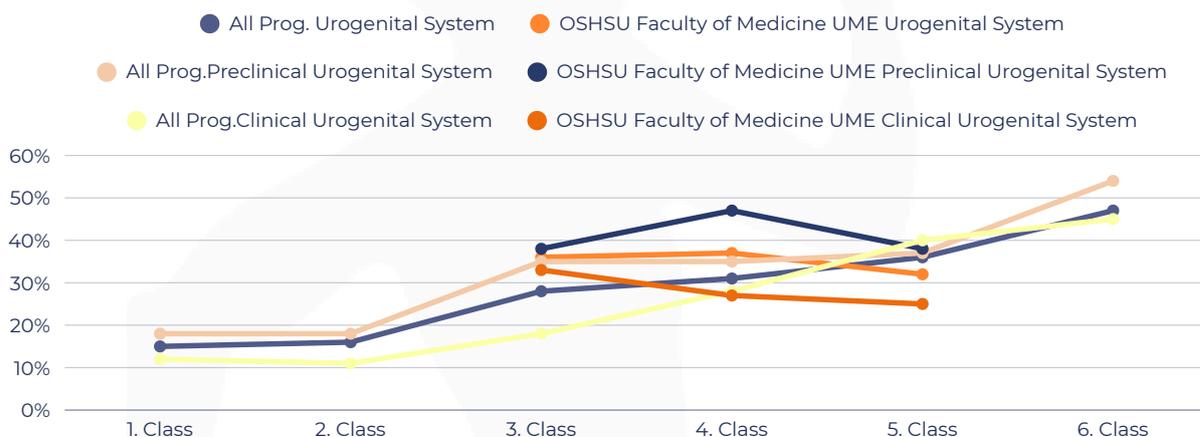

### Explanation

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Digestive system, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.9. Urogenital System

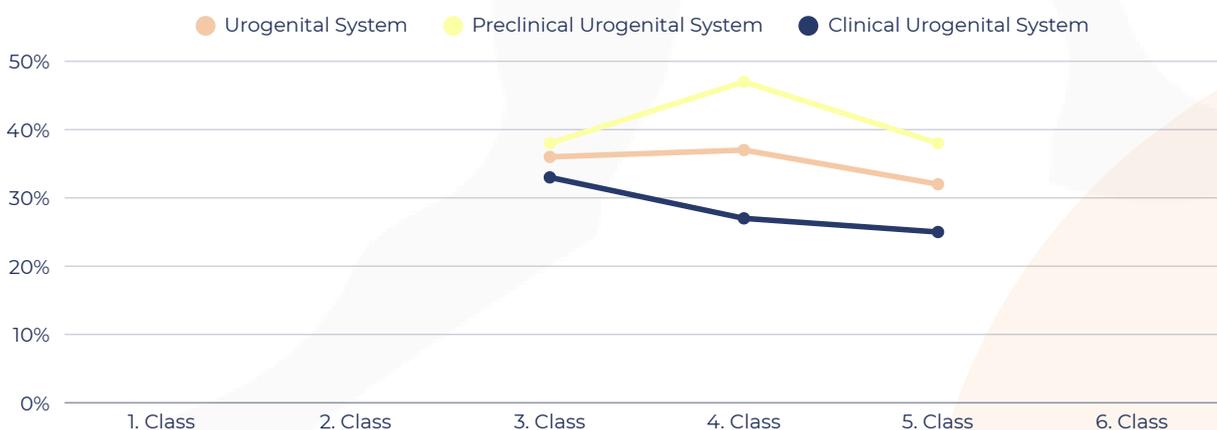

7.9.1. OSHSU Faculty of Medicine UME vs All Program

### Explanation:

In this graph, Urogenital organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

7.9.2. OSHSU Faculty of Medicine UME Program Class Curves

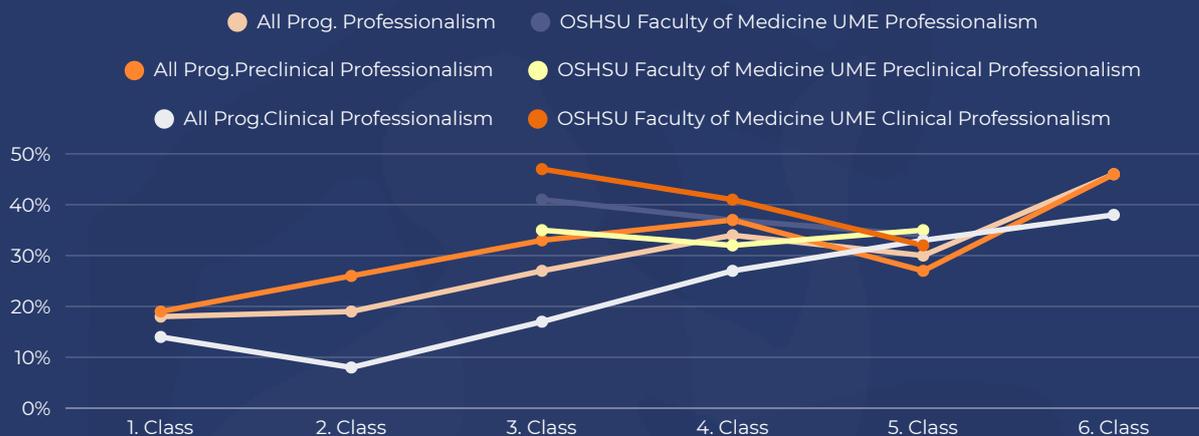

### Explanation:

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Urogenital system, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.10. Professionalism

### 7.10.1. OSHSU Faculty of Medicine UME vs All Program

### Explanation

In this graph, Professionalism average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

### 7.10.2. OSHSU Faculty of Medicine UME Program Class Curves

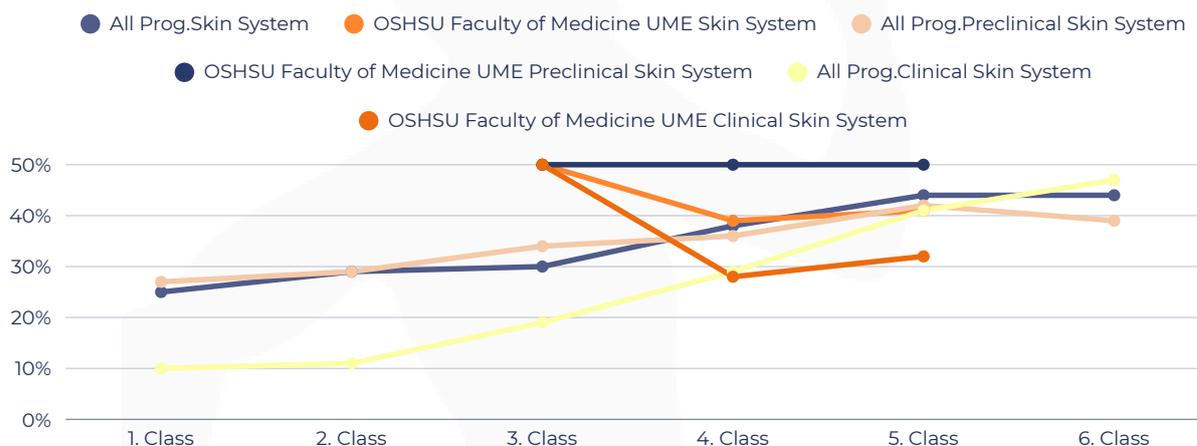

### Explanation

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Professionalism, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.11. Skin System

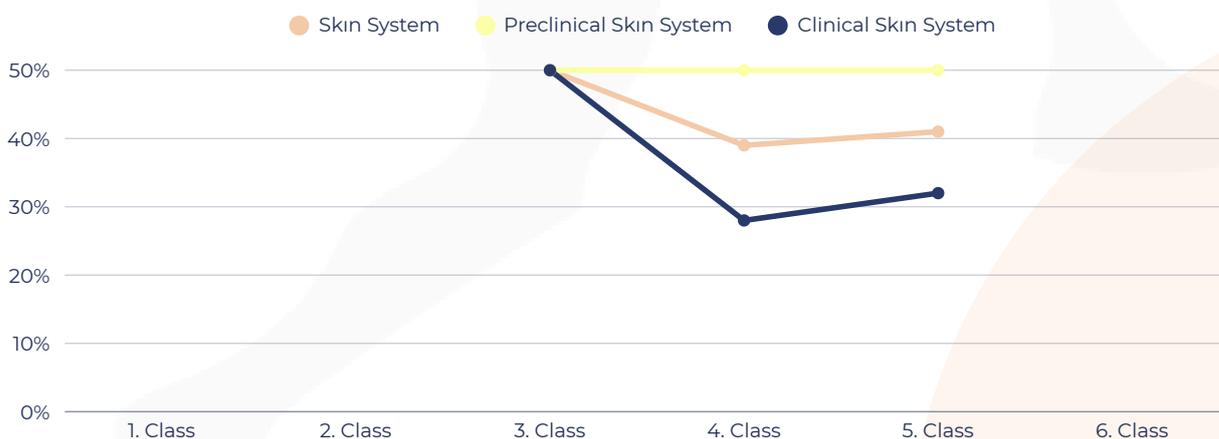

7.11.1. OSHSU Faculty of Medicine UME vs All Program

Explanation:

In this graph, Integumentary (Skin) organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

7.11.2. OSHSU Faculty of Medicine UME Program Class Curves

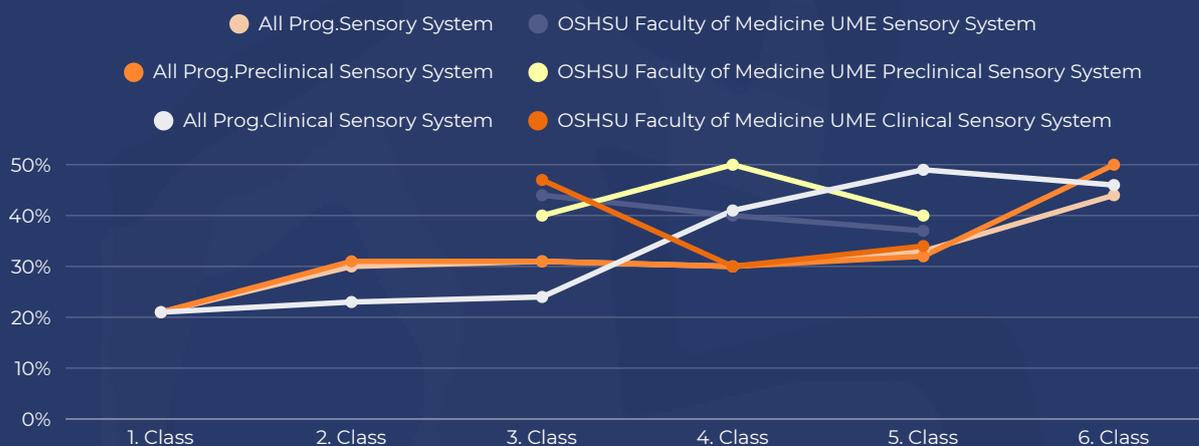

Explanation:

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Integumentary (Skin) system, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.12. Sensory System

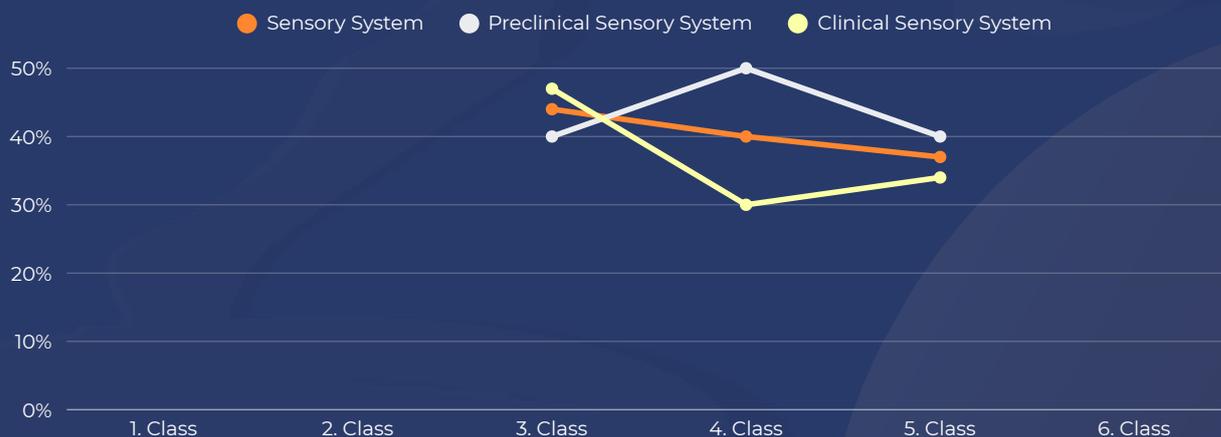

7.12.1. OSHSU Faculty of Medicine UME vs All Program

### Explanation:

In this graph, Sensory organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

7.12.2 OSHSU Faculty of Medicine UME Program Class Curves

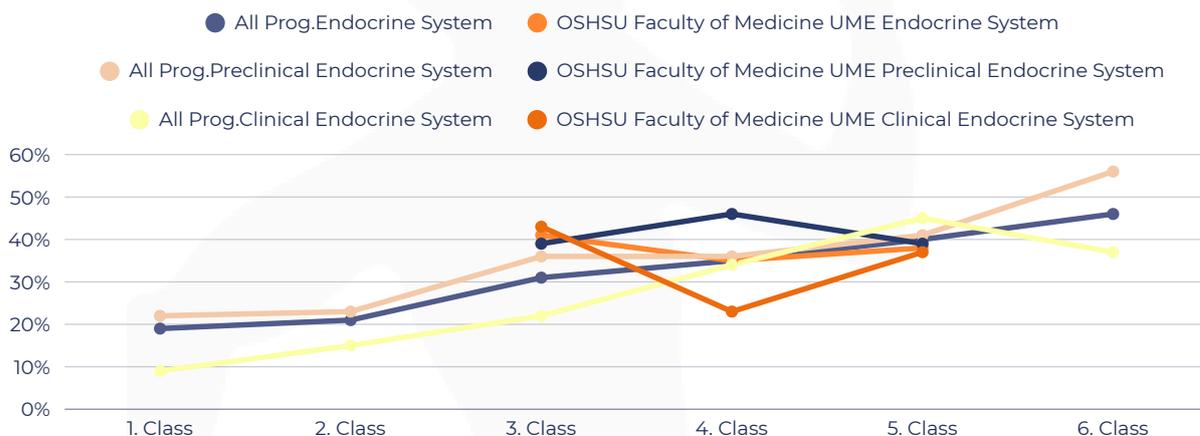

### Explanation

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Sensory system, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.13. Endocrine System

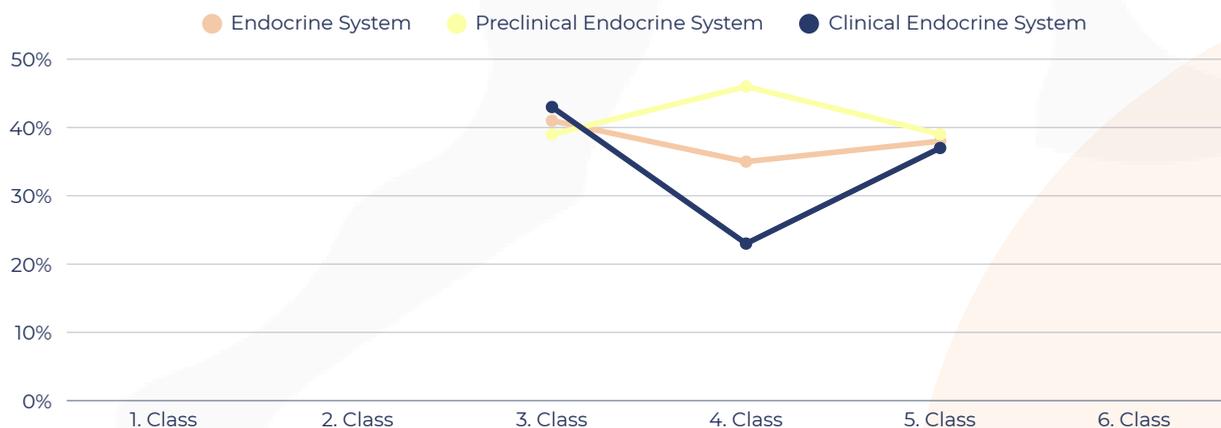

7.13.1. OSHSU Faculty of Medicine UME vs All Program

### Explanation:

In this graph, Endocrine organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

7.13.2. OSHSU Faculty of Medicine UME Program Class Curves

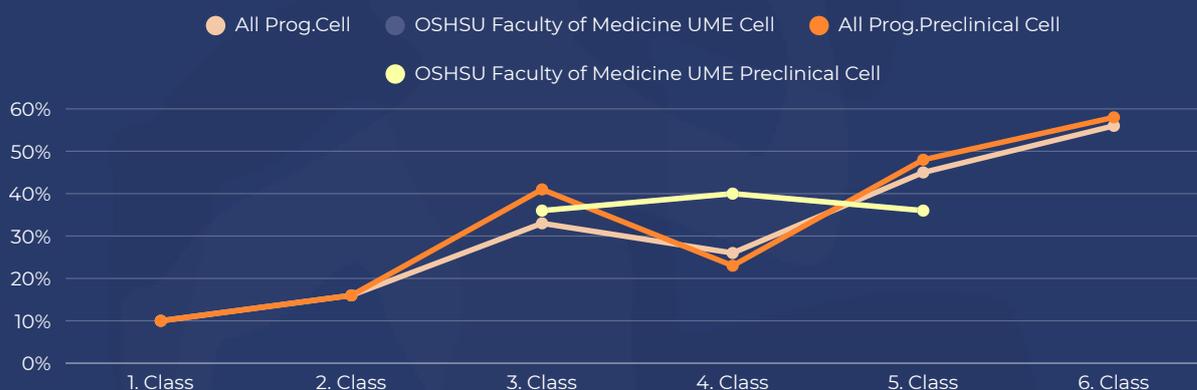

### Explanation:

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Endocrine system, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.14. Cell

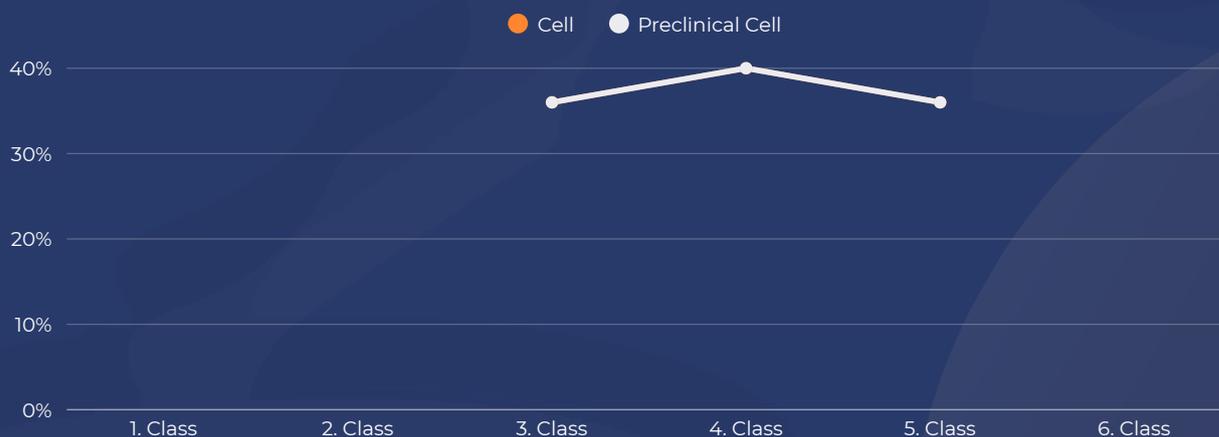

### 7.14.1. OSHSU Faculty of Medicine UME vs All Program

#### Explanation:

In this graph, Cell average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

### 7.14.2 OSHSU Faculty of Medicine UME Program Class Curves

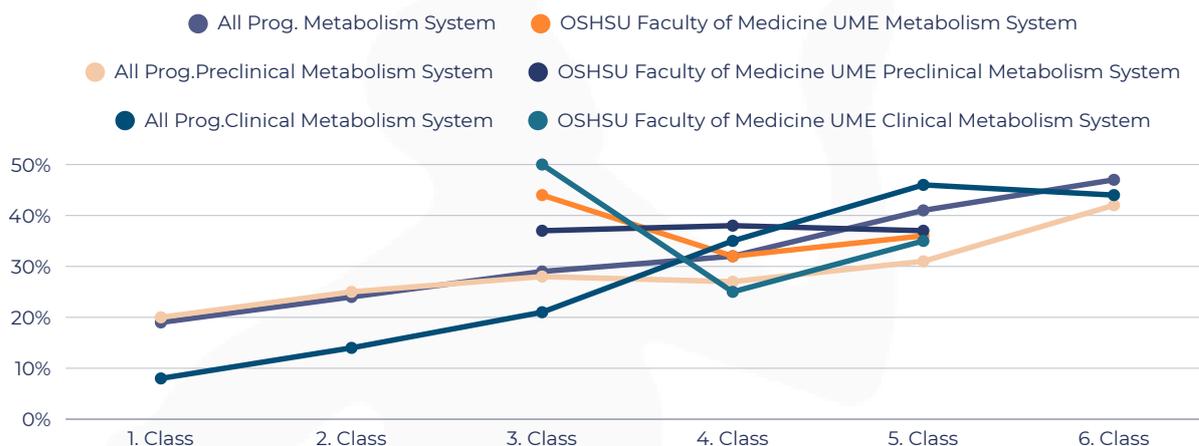

#### Explanation

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Cell, as well as on the combined total of both areas.

# 7. OSHSU FACULTY OF MEDICINE UME SYSTEM-BASED PROGRESS REPORTS

## 7.15. Metabolism System

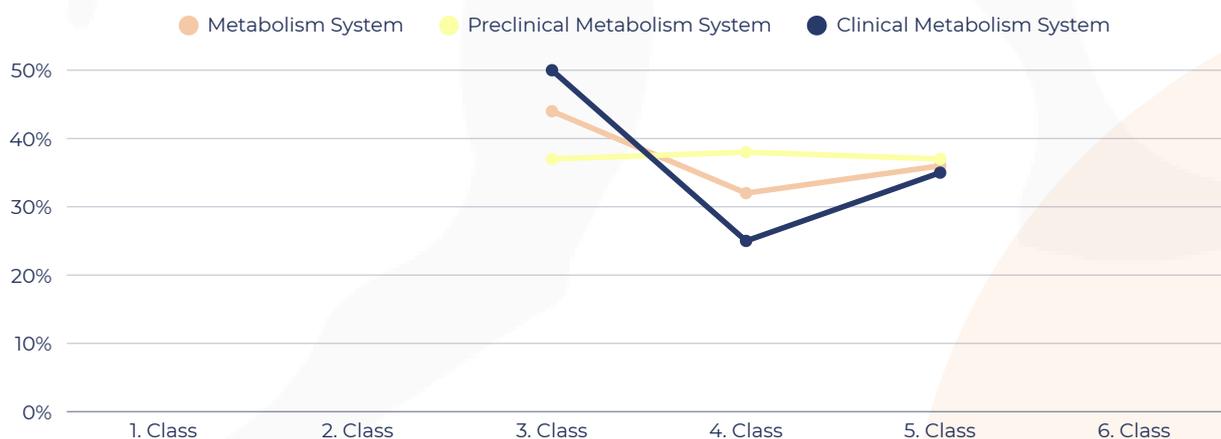

7.15.1. OSHSU Faculty of Medicine UME vs All Program

Explanation:

In this graph, Metabolism organ system average scores are compared with those of the OSHSU School of Medicine UME program and all other programs.

7.15.2. OSHSU Faculty of Medicine UME Program Class Curves

Explanation:

This graph compares the performance of students at different class levels on basic and clinical science questions related to the Metabolism system, as well as on the combined total of both areas.

# 8.OSHSU FACULTY OF MEDICINE UME PROGRAM GENERAL REPORT
