Jamila mam is best teacher

Maam AizhanOmorova

Gulsat ma'am

Everyone is good on their own subject 🤗 specially Ali sir

Aizan ma'am

Everyone specially aizirek mam

Teachers who will take only viva,checking our knowledge, give knowledge us also,, but giving work like children like making self work, teacher based work, 3D model ,puzzle making etc its really hectic for us, by using this, some student give money instead of selfwork, so no selfwork no problem at all

Ali abbas sir

Nurlan sir-EBM ,Gulzat ma'am -Neurology

AllOf them

Kuthubek sir

Taimur sir (public health)

Myrzaiym Manas Kyzy mam

Taimur sir (public health)

No

Nothing

no

Nope

Our university is very good

Cycling system start please please please

Voice dean ma'am is very coparative

Please repair the brifge and lectures will be online

All good

Better grading system, Better lecturers

No thanks

-

Marking system for module isn't fair. practical classes are given less marks when compared to the given efforts

None

We just need some practical base class in hospital it will be very helpful for us for better knowledge

Please repair the medfac bridge.its very convenient for transport

Good

Just don't put any ist para during winter season

Less transport and less irregular class good for study's

All is good

We need Practicals at hospitals.

Lectures all are online it's very better thing

Give official pdf week before avn

Cancel ist para in winter season

Please Humble Request Take Lecture in campus or online.

Practical and cadaveric education should be included

No comment

Faculty itself is rocking, we have to just watch and clap for it

Everything was good 👍

Overall it's okay

No it's good

Provide AVN pdf early, with official answer please, If we get pdf just one day before, then It will create pressure in our brain too much 😬 truly, and try to give gap between two avn

No answer

Online lectures are very good

Need atleast few hygienic toilet

Everything is good and well Maintained

Clinical practice

Nil

Clinical practice should be more

Good washrooms in imf

Everything ok

Improve hospital skill and instruments

Need some practical exposure

Self study

Make it more good

Our IMF is best , faculty best, Aizaan Ma'am best.

Short answer

Reduce classes becaus our whole time goes in that only even we have study for FMGE we need time to study

already the system is good..

Nope

We want to improve more clinical skills

Give avn question with official answer in advance not just one day before,its really hectic
